**Placement Notice**

**(FOR FINAL YEAR STUDENTS OF ALL COURSES)**

You would all appreciate that not only those who prefer to get placed must get themselves registered with the College Placement Cell, those who are looking forward to pursuing higher education must also register to acquire some work experience if possible before they get admitted for the same. The placement cell of Keshav Mahavidyalaya works actively for the placement of the final year students and is also linked with the Central Placement Cell of DU. In the past years our students have been hired by reputed organizations such as EY Global, S&P Capital IQ, Air Shagoon, Mera Job, Grofers, Ken Research, AT Kearney, Stanmax, Towers Watson, Bluegape, Open Ignite, Smartican, ZS Associates, Hitachi, VIVO, L&T constructions, American Express and ICICI Prudential.

For continuing our endeavour for the final year students of 2017-18, we invite them to register under the College Placement Cell through the College web-site by clicking on the link '**Registration of Final Year Students for Placement 2017-18**' and fill in their respective details **latest by 31-8-2017** so that a course-wise database of email ids may be prepared to facilitate the placement process.

**Only the registered students shall be considered for placement drives organized by the college.**
