PRINCIPAL'S REPORT

Respected Madam Punya S. Srivastava, Secretary Education Govt. of NCT of Delhi and Chief guest of our Annual Day function, guest of honour Ms. Garima Gupta, Director, Directorate of Higher Education, Govt. of NCT of Delhi, other invited guests, my colleagues from teaching and non-teaching fraternity, dear students and their parents, a very good morning to all of you. I, on behalf of Keshav Mahavidyalaya, welcome you all on the occasion of the College Annual Day and Prize Distribution Function.

Our college although being still young, yet has successfully completed 23 years and we are proud to acknowledge that it has earned a great reputation, comparable to that of many of the campus colleges.

Last year we shared moments of happiness with all of you when we got 'A' Grade Accreditation in NAAC, today we share another moment of happiness, our college has been ranked 15th amongst top 200 colleges of India by NIRF launched by MHRD. I congratulate all my colleagues' students and other stake holders for the same. I specially applaud the efforts of our NIRF team headed by Dr. V.K.Verma for the same. The college at present offers nine courses in the disciplines of Science, Commerce, Management Studies, Psychology, and Computer Science. The college also offers short-term courses in French and German Language. In the current academic session, the student strength has been more than 1600. The college has a Girls' Hostel running for the past three years with a capacity of 78 students where in they are provided with an atmosphere of warmth, peace, and security.

Another milestone, apart from NIRF, Dr. Divya Haridas, Assistant Professor, Department of Physics received Meritorious Teacher Award from the Directorate of Higher Education, Government of the NCT of Delhi which included 1 lakh rupees as prize money. Also, one of our faculty member, Dr. Pardeep Kumar, Associate Professor, Department of Commerce has been elected as Academic Council member of University of Delhi for the year 2016-17.

To promote green revolution and to inculcate the sense of responsibility amongst students towards environment, Environment Club 'Prakriti' of the college took initiative to set up a herbal garden and a compost pit in the college premises under the guidance of Dr. Harpreet Bhatia and Dr. Geetanjali Sageena.

The college has an 'Internal Quality Assurance Cell' (IQAC) which monitors and regulates quality standards in all spheres of Education. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the college. To represent various stakeholders, the cell headed by Dr. Priti Sehgal has members from faculty, students, their parents, alumni, Mr. Ankur Jain, a lawyer from local society and an industry expert.

The College gives due consideration to redressal of grievances of its students pertaining to different categories. For the said purpose various faculty members from the college have

been appointed as Nodal Officers. To address the grievances of students at another higher level a Grievance Redressal Committee has been constituted as per DU guidelines.

With a vision to attain higher levels of access, equity and excellence in the State Higher Education System, the centrally sponsored scheme of Rashtriya Uchchta Shiksha Abhiyaan i.e. RUSA was launched by the Ministry of Human Resource Development.

I now present with great pride, the names of our students who have topped in various courses: B.Tech. Computer Science (III year) Rajat Gupta, B.Sc. One of the most awaited mega events of Keshav Mahavidyalaya is its Annual Cultural Festival 'TRYST' which contemplates great dedication and enthusiasm from all staff members and the students of the college. This year "TRYST" was held on 28th and 29th March and saw participation of students in various events from across major colleges of DU and NCR.

The Theatre Society of Keshav Mahavidyalaya - Shades performed its annual production (2016-17), Khilwaad at various places in Delhi as well as outside of it and has received many laurels. It received 1st position at MOOD Indigo (IIT Bombay), Maitreyi College, SGND Khalsa College, MSIT and Zakir Hussain College. It has also secured the runners-up position at many colleges of Delhi University as well. Moreover, Shades has made guest performances at National School of Drama and Sri Ram Centre for Performing Arts where the work of the team was highly appreciated.

I would also like to appreciate the work done by the following: VAGMITA- the literary society , MANIERA-Arts and Craft Society, Nriyang- the classical dance society, ANHAD the music band society, Illuminati- the photography society, ADVAITA the Dance society of our College.

Besides providing the students a platform to bring forth their talent, the college also works for the placements of its final year students in organisations of repute through its Placement Cell under the guidance of Dr. Anju Arora (Convenor). It is linked with the Central Placement Cell (CPC) of the University of Delhi.

The cell collaborated with Aspiring Minds and organised AMCAT, a computer adaptive test that measures job applicants on critical areas like communication skills, logical reasoning, quantitative skills and job specific domain skills. The cell has successfully added organisations like ZS Associates, Hitachi, VIVO and IIMJobs to its list of recruiters. Apart from this, the students have bagged offers from S&P Capital IQ. Recruitment by American Express is under process.

All this would not have been possible without a committed and dedicated teaching faculty at Keshav Mahavidyalaya. I now share with you some of the achievements of our teaching

staff in the current academic year. Many faculty members have presented papers and have publications in various journals of national and international repute while some have authored books. Three of our faculty members namely, Dr. V.K. Sharma, Dr. Priti Sehgal, and Dr. Harpreet Bhatia are supervising Ph.D. students.

I would also like to share with all of you, that besides our teaching faculty, our non-teaching staff members are also equally motivated, hardworking and competent. They are constantly working towards improving their educational qualifications and acquiring skills. Ms. Nidhi Sikri, Assistant, Shri Shiv Narain, Assistant, Shri Kamal Gulati, Jr. Assistant attended a 3 days Training Programme on Educational Administration at Shri Venkateshwara College, University of Delhi from 19th December'16 to 21st December'16. Ms. Nidhi Sikri and Shri Shiv Narain also attended one day workshop on 'Enhancement of skills in Administrative and Financial Management' held on 25th February'17 organised by Dr. Bhim Rao Ambedkar College, University of Delhi.

I would like to express my heartfelt thanks to the Director and other members of Department of Higher Education for their constant support, all the engineers from PWD, both Civil and Electrical wing, who are providing us the much needed help round the year. The local area Police needs our special gratitude for their constant patrolling around the campus to keep us safe. I would also like to thank our security guards and housekeeping services etc. for maintaining the security and cleanliness at the college. I also wish to thank and acknowledge the efforts of our gardeners who have been regularly maintaining an evergreen ambience in the campus that lifts our spirits on daily basis. I also wish to express my due thanks to our Warden Madam, Ms. Anju Tyagi, & her staff who have spared me great relief by keeping good care of our hostel residents catering to their emotional needs, well being & their safety concerns. My thanks are also due to our visiting lady doctor, Dr. Akshi Mittal, by her weekly visits and being constantly available for consultation on phone, who takes special care of our hostel residents. My special thanks to Doctors at Bhagwan Mahavir Hospital for providing immediate medical care and personalized attention to our staff members and students every time we or our resident hostel students need them. I am really grateful to them for extending immediate medical attention to two of our students in life threatening situations. I also extend my heartfelt thanks to General Manager and Staff of Canara Bank for providing us banking facilities at our doorstep. I am extremely grateful and wish to acknowledge the immense help and guidance that I am getting from University Representatives on the College Governing Body on various issues from time to time.

I shall seek pardon for failing to acknowledge anybody whose contribution I may have left unintentionally.

In the end, I would like to thank all my colleagues from both teaching and non-teaching fraternity, all ad-hoc teachers, my students and our well-wishers who have been continuously working throughout the year for what Keshav Mahavidyalaya has achieved till date. On a personal note, I wish to express my gratitude to Dr. Arpana Sharma, Convenor, and all the members of the Annual Day Committee: Dr. Kanupriya Goswami, Dr. Neha

DEPARTMENT AND FACULTY ACHIEVEMENTS

DEPARTMENT OF CHEMISTRY

The Department of Chemistry has two very well equipped laboratories for Organic, Inorganic, Physical, Analytical and Biological Chemistry experiments. These labs are well furnished and have the following modern instruments: UV-Visible Spectrophotometers, Flame photometer, Vertical laminar flow, Water Deionizer Triple water distillation unit, latest Microscopes with projection system, digital pH meters, digital Potentiometers, digital conductivity meters, Digital TDS meters, Naphelometer, Rotary evaporator etc. Computer facility is also available in both the laboratories for student's use.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY:

Dr Mukesh

- Successfully completed Refresher course i.e 1st Refresher Course in Chemistry held at HRDC, JNU from 2nd January 2017 to 27th January 2017 wherein presented a Project proposal entitled 'Synthesis and Characterization of (Bio)degradable Bile Acid Based Polymers Potentially Useful in Biomedical Field'.

DEPARTMENT OF COMMERCE

The Department of Commerce, Keshav Mahavidyalaya has earned a niche for itself in academic excellence ever since its inception in the year 1994. It has over years grown on to become one of the largest departments of the college in terms of student intake with total faculty strength of 20. To ensure that students make headway in today's competitive environment, talks, paper presentations and field visits are encouraged. The department emphasizes on extracurricular activities along with ensuring academic excellence to bring about wholesome development of the students. Biz-World is the commerce department association. 'Fledgling' the annual fest organized by the association. The commerce department magazine 'Genesis' is also released during fledgling.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY:

Dr. Padmasai Arora

- Arora, P. and Arora, H. 'Bank characteristics, ownership and profitability of commercial banks: panel evidence from India', (2016) International Journal of Services and Operations Management, 26 (3), 347-364
- Arora, P. and Arora, H. 'Performance of local area banks in India: an empirical study (2003-2012)', (2017) International Journal of Indian Culture and Business Management 13 (3), 310-33.

Dr. Pardeep Kumar

- Published a book titled 'Management : Principles and Applications (CBCS), B.Com. (H)', 2016 , Galgotia Publications, New Delhi.

Ms. Anita Mendiratta

- Passed with Distinction in M.S. on 'Accounting, Accountability and Financial Management' from King's College, London, United Kingdom in 2016.
- Successfully received Certificate of Achievement for the workshop on 'Kings College-Excel 2013 Functions' granted by QA Ltd. at King's College, London, United Kingdom in 2016.
- Attended a Seminar on 'From a Culture of Connectivity to a Platform Society' organized by CPD Certification Service, London School of Economics in London, United Kingdom in 2016.
- Attended a Seminar on 'Single EU Capital Market Progress and Challenges' organized by CPD Certification Service, London School of Economics in London, United Kingdom in 2016.

Ms. Ruchi Goyal

- Presented paper 'The Demise of Five-Star Accredited Kingfisher Airlines' in the International Conference of IMS Ghaziabad on their theme 'Corporate Governance: Retrospect and Prospects' on 12th and 13th February, 2017.

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science at Keshav Mahavidyalaya is running two courses, namely, B.Sc. (H) Computer Science and B.Tech. Computer Science. These are two of the most sought after professional courses in University of Delhi. Over the years the department has produced more than 50 University toppers. Apart from achieving many accolades in extra and co-curricular activities, many students have also cleared various entrance exams for post-graduation including DU M.Sc. and DU MCA.

STUDENT ACHIEVEMENTS

- Four students of B.Tech. Computer Science 4th year, namely, Akhil Juneja, Anmol Agnihotri, Devanshu Taneja and Nidhi Sharma, under the guidance of Dr. Roli Bansal have got their paper titled 'A Fuzzified Approach to Iris Recognition for Mobile Security' accepted in the IEEE International Conference of Electronics, Communication and Aerospace Technology (ICECA 2017).
- Kunal Dargan, student of B.Tech. Computer Science 4th year, under the guidance of Ms. Astha Goyal also presented a paper titled 'The Comparison of Machine Learning Models To Predict Indian Inflation Rate' at DIAS (Delhi Institute of Advances Studies) national seminar.
- On the placement front, the department has played a significant role.

This year, 4 students of B.Sc. (H) Computer Science 3rd year : Abhilasha Gupta, Natasha Malik, Nishi Rani & Shilpi Pandey have been placed at ZS Associates, a leading technical company.

In addition to the above, following students of BTech Computer Science have been offered various positions at leading MNCs.

- Shubham Singh as web designer and developer at Codoc Technologies
- Sarthak Kanodia as Software Engineer at Quovantis Technologies. He also did Summer Internship in Technology Dept at ShopClues for 2 months and worked on various tasks for the website, msote, android application and IOS Application

- Vaishali Gera as Software Developer at Grappus
- Tarun Mudgal was invited to Google, Bangalore in Android Developers Career Summit in September '16 for being one of the top 50 performers in Udacity Nanodegree program. He was also selected as a mentor in Google Codein 2016 (November '16-January '17) for Mifos Initiative. At present, he is Microsoft Student Partner.
- Nikita Khanna was a Summer intern in Ministry of Communication and Information Technology (MeitY) and Worked under the guidance of Mr. B.M. Baveja, Senior Director, R&D in CC&BT, DEITY, Ministry of Communications & IT and completed a project titled : Disaster and Crowd Control Management Using Big Data Analytics
- Shivani Monga and Rashika Jain did their Summer intern with Tnine Infotech(Cluster Innovation Centre) during which they developed a website for DIPP IPR Chair, University of Delhi.

STUDENT ACTIVITIES

The department has an academic society comprising of faculty and students, the Blitz Computer Society, which organizes various academic activities such as, annual inter college festival **Blitzkrieg**, seminars and workshops reflecting recent trends of the IT industry.

The following events were conducted under Blitz Society-

- Workshop on 'Recursion' where the speaker was Mr Ankush Singla from Coding Ninjas.
- Workshop on 'Android App Development' was held on 13th and 14th February 2017 where the speaker was from Coding Blocks, Pitampura. Participants were also given hands on experience on Mobile App Building.
- Technical festival 'Blitzkrieg' was held on 1st March 2017, where Dr. Punam Bedi, Professor, Department of Computer Science, University of Delhi was invited for a talk and to unveil the first e-magazine of the College.

This year, another step was taken to continue with the 'Go Green' policy of the department. A digital departmental magazine 'E-Blitzine' was launched in which users are directed to the E-Magazine via scanning a QR code. This reduces paper wastage to a large extent.

DEPARTMENT OF ELECTRONICS

The Department of Electronics is an integral part of Keshav Mahavidyalaya, University of Delhi. It is producing well qualified under-graduate students every year. The well-equipped laboratories form the backbone of the department by contributing significantly to the practical adeptness of the students. Recently the department has started a technical club "Club for Embedded System and Robotics" (CESAR) for students to meet the fast changing demand of

advanced technology. This platform will benefit them greatly in learning as well as implementing their own innovative ideas and skills in the fields of embedded system and robotics. The department offers courses which are industrial as well as research oriented. Currently the department is offering B.Sc. (H) Electronics, a six semester program and B.Tech. Electronics, an eight semester program.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY:

Dr. V. K. Sharma

- Sharma, V., Madan, D. and Kapoor A. (2016) ‘ High Extinction Ratio and Short Length Surface Plasmon Polariton Polarizer’ July 15th ,2016.
- Sharma, V., Madan, D. and Kapoor A. (2016) Extremely short length & High Extinction Ratio Plasmonic TE mode Pass polarizer’vol.29,pp559-562.
- Participated in abstract presentation of B.Tech project ‘Efficient solar Power Transmission (Dual Axis Solar tracker)’ in National Conference on recent development in Electronics held on 16th February,2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.

Dr. Neha Sharma

- Judged exhibits/projects in National Level CBSE Science Exhibition 2016-17 held at N.C. Jindal Public School under the sub-theme ‘Transport and Communication’ in February 2017.
- Sharma, N. (2016) ‘Optimizing the power required in hyperthermia treatment using magnetic nanoparticles’, International Journal of Control and Automation, Volume . 9, 181-188.

Dr. Jagneet Kaur Anand

- Participated in abstract presentation of B.Tech project ‘Keyless Security System’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.

Dr. Jyoti Anand

- Participated in Faculty Development Workshop on Embedded and Synthesis of Nano-materials conducted by Hansraj College, University of Delhi in January 2017.
- Participated in abstract presentation of B.Tech project ‘Credit Card with Fingerprint’ in National Conference on recent development in Electronics held on 16th February,2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.
- Participated in one day workshop on Digital Circuit Design held in Zakir Husain Delhi College, Delhi University, on 27th September ,2016.

Mr. Himanshu Kushwah

- Participated in abstract presentation of B.Tech project ‘Efficient solar Power Transmission (Dual Axis Solar tracker)’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.

Mr. Anil Sethi

- Participated in workshop on Verilog Hardware Description Language (VHDL) held in Deen Dayal Upadhyay College, Delhi University, on 8th October, 2016.
- Participated in abstract presentation of B.Tech project ‘Keyless Security System’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.

Mr. Prashant Kumar

- Participated in abstract presentation of B.Tech project ‘Keyless Security System’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.
- Participated in one day workshop on Digital Circuit Design held in Zakir Husain Delhi College, Delhi University, on 27th September, 2016.

Dr. Monika Bhattacharya

- Bhattacharya, M., Jogi, J., Gupta, R. and Gupta, M. (2017) ‘Influence of gate leakage current induced shot noise on the Minimum Noise Figure of InAlAs/InGaAs double-gate HEMT’, Superlattices and Microstructures (Elsevier).
- Participated in abstract presentation of B.Tech project ‘Credit Card with Fingerprint’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.
- Participated in one day short course on Design and RF characterization of GaN High power devices and amplifiers held on 17th February, 2017 jointly organized by Department of Electronics Science south Campus University of Delhi and IEEE EDS Delhi Chapter.

Mr. Harinder

- Participated in abstract presentation of B.Tech project ‘Efficient solar Power Transmission (Dual Axis Solar tracker)’ in National Conference on recent development in Electronics held on 16th February, 2016 organized by IEEE EDS Delhi Chapter, Department of Electronics, South Campus, University Of Delhi.

Dr. Neha Sharma, Dr. Jagneet Kaur Anand, Mr. Himanshu Kushwah, Mr. Prashant Kumar, Mr. Nitin Kumar and Mr. Harinder

- Participated in Faculty Development Workshop on Embedded and Synthesis of Nano-materials conducted by Hansraj College, University of Delhi in January 2017.

STUDENTS ACTIVITIES:

This year the technical society **Elektronica** organized various events like lecture session, educational trip and workshops for students. The academic year started with a very knowledgeable lecture session on 'Robotics' by Chief Guest Mr. Mahip Singh in October, 2016. It proved to be very helpful for students of B.Tech Electronics because many of them were doing their end semester projects on robotics system design. The lecture session was followed by interaction of students with the mentor. Later in the month of February, 2017, the department organized a one day educational trip to ECE division, Netaji Subhash Institute of technology for the final year students. The main attractions were the two open access laboratories namely TI-CEPD (Texas Instrument Center for Embedded Product Design) and CEDT-NSIT (Center for Electronic Design and Technology) that are run by Prof. Dhananjay V. Gadre. The day started with a small introductory lecture on embedded product design followed by a visit to the two laboratories by the students and the accompanying faculty members to know about their on-going projects. To give hands on experience to our students the society also organized a day long workshop on 'PCB Designing and Fabrication' on 8th March, 2017 which was conducted by a team of students from TI-CEPD NSIT lab under the guidance of Prof. Dhananjay V. Gadre. In this workshop the session was started with the inauguration of new technical club, 'Club For Embedded System And Robotics (CESAR)' a technical platform for learning and implementing current technologies in the field of embedded system design that was followed by a lecture on 'Embedded System Design' by Prof. Gadre, and demonstration of various innovative embedded projects designed and developed in TI-CEPD. The workshop was a grand success with huge participation and overwhelming response from not only our students but also from other streams. The workshop concluded with the distribution of Certificates to all the participants.

STUDENTS ACHIEVEMENTS:

- Harshit Goyal, Ridhima Bhandari, Rohit Bharti students of B.Tech. Electronics, participated in the poster presentation in Innovation Conclave-2016 organized by Acharya Narendra Dev College, University of Delhi on 25-26th October 2016 and successfully presented a poster of innovation project 'Reduction of Emission of Sox and Nox from Motor Vehicle'.
- Innovation Project (KM-304) 'Reduction of Emission of Sox and Nox from Motor Vehicle' was selected for display at Innovation Centre, University of Delhi. Harshit Goyal and Ridhima Bhandari, students of B.Tech Electronics, successfully presented the project at the innovation plaza.

- Three ongoing projects of B.Tech Electronics were selected for abstract presentation and publication in conference proceedings of 2nd National Conference on Recent Development in Electronics (NCRDE-2017) organized by Department of Electronics IEEE EDS Delhi Chapter, University of Delhi, South Campus on 16th February 2017.
- A group of students headed by Shubham Kumar Sinha (B.Sc.(H) Electronics, 4th Semester) successfully designed and developed an innovative embedded system based project namely 'LED Analog Wall Clock' under the guidance of their mentor. This project was displayed on the day of inauguration of new club (CESAR) in the department of electronics.

DEPARTMENT OF ENGLISH

The Department of English is actively engaged in developing critical reasoning among students through the analysis of literatures from across the world. The cognitive and affective boundaries are challenged and continuously shifted through rigorous questioning. It enables them to view education, and its final play in the social arena as inextricably tied up with issues of humanity, equality, and just practices.

The department deploys a variety of pedagogic strategies to direct the students' capabilities for independent thought, based on logical and refined judgement. Regular industrial visits are conducted to give the students first-hand understanding of organizational structure, working and management principles. Group discussions, debates and panel discussions are conducted to structure their ideas and formulate opinions. The department endeavours to impart excellent communication-skills crucial for carving a distinguished niche in the world.

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies, under the aegis of the Faculty of Applied Social Sciences and Humanities, University of Delhi, has always been enthusiastic in enriching the students academically and nurturing their innovative thinking and behavioural skills by organizing a variety of intra-department and inter-college events. The department believes that by providing opportunities of organizing and participating in such events the students are able to seamlessly integrate the theoretical concepts with practical knowledge and hone their managerial and leadership skills.

STUDENT ACTIVITIES:

➤ Cognizance

A National Corporate Seminar with the theme 'Ushering a Creative Revolution: From Ideation to Innovation' was organized on 21st February 2017 as part of Cognizance 2017, the Annual flagship event of the Department of Management Studies. Prof. V.K. Kaul, Dean, FASSH graced the occasion as the Chief Guest of the event and motivated young minds on the topic. Mr. Anand Sankar, Founder, Kalap Trust, Uttarakhand, and Mr. Amitabh Panday, V.P. and Head of Sales, Ericsson India were the Guests of Honor. Other eminent speakers included Mr. Durgesh Kaushik, CMO, BHIVE Workspace, Bengaluru, Mr. Ankit Kawatra, Founder, Feeding India and Ms. Utkalika Badu, Research Director, Quant-Analytics, CEB.

➤ C.E.O. (Challenge Enrich Outperform)

C.E.O. (Challenge Enrich Outperform), the Annual school outreach event of the Department of Management Studies was organized on 7th October, 2016. The event started with a counseling session by Ms. Anubha Verma who ideated on how to select a career path in this vital phase of our lives. Events like Abhivyakti – The Street Play ,

G.S.T.- Get Set Talk , Enigma – The Quiz , Market Masterminds, L.E.A.D.- The Entrepreneurial Competition, Consortium – The Human Monopoly , Howzzat! – The Mock IPL Auction, Citizenry – The LAN Gaming and Trade - It – The Mock Stock, were followed up. KIIT School bagged the Rolling Trophy for a commendable performance throughout the events.

➤ **Industrial Visit**

An industrial visit to the Mother Dairy processing plant located within the ambit of lush green environment and state of art technology in Delhi was organized on 1st April, 2016. The visit proved to be highly informative and helped the students understand the application of concepts related to production and operations within a plant in an effective manner by quality testing, automated homogenization and pasteurization, and storage of milk.

➤ **Workshop on Capitaline**

To imbibe the skill of using the Capitaline Database, a workshop was conducted by Mr. Subhash Kumar, GM, Marketing, Capital Market, on 10th January, 2017. The students were introduced to the tool used to search for any information about any listed company, and make comparisons between two on the basis of a particular criteria. The database can effectively provide holistic information about a company which the students can use for research and project work to access and analyze certain ratios and also to assess the position of any company.

➤ **Workshop on Research Methodology**

A workshop was organised for the students of third year on ‘Research Methodology and Questionnaire Development’ on 12th January, 2017 so as to help them understand the process of conducting a research. The resource person for the day was Dr. Sanjay Singh, Assistant Professor, Asia Pacific Institute of Management. The workshop was very informative as the participants gained extensive knowledge about the questionnaire construction, its components, conducting a survey and using various techniques to come out with efficient desired results for their studies. Students were told about different tests that can be run on the software to extract valuable information from the given raw datasets.

➤ **Guest Talk on Stock Market**

An interactive session with Mr. Pulock Bhattacharji, an alumnus of Delhi School of Economics and Australian Graduate school of Management, Vice President of BSE Institute Ltd., was organized on Wednesday, 14th September, 2016. In the engrossing seminar, the students were apprised about the Bombay Stock Exchange and various entities, myths and rules regarding the operations and transactions. Mr. Pulock apprised the keen minds of the ten golden rules which might assist them in taking better investment decisions.

➤ **Advanced Excel Workshop**

A workshop was organized for the students of third year on 'Advanced Excel' on 30th September 2016 with Mr. Yasir Kamaal, SSDN Technologies as the resource person. Topics covered included: Excel Basics, Advanced Formulas, Scenario Management, Real scenarios of Data Management, Automation, Pivot Tables, amongst others. The students were also taught about VBA and Macros; and about developing a clean and clear dashboard which would be treated as a key utility tool in their future job routines.

➤ **Going Beyond Limits**

The Motivational Talk on 'Going Beyond Limits' by Mr. Praveen Narang, Corporate trainer and Sr. Manager, Bank of America, on 24th January, 2017 was truly inspiring and thought provoking as the students were motivated to push their limits and boundaries, explore their inner self, talent and aptitude and most importantly, find a purpose in life. He further shed light on how success is nothing but progressive realization of worthy goals and discussed the 'Five Pillars of Success.' The second part of the session was taken up by Mr. Hemant Agarwal where he asked some of the students to stage a scene. He highlighted the importance of expressions in our daily lives.

➤ **Basic Excel Workshop**

An informative and interactive workshop on MS Excel basics for first year BMS students was conducted by Ms. Sonu Mehta and Ms. Madhuri Pal. The main aim of the workshop was to familiarize the students with a basic technical tool so that they could develop an acumen for understanding the need to be technically sound in this time and age.

➤ **General Quiz**

Sarvagya - The Quiz Cell organized a General Quiz on 19th January, 2017. Questions on diverse topics ranging from politics and sports to business recaptured the milestones of the year 2016. The quiz tested the speed of thought, accurate recollection and the veracity of the students' expertise.

➤ **Placements**

Six students of the Department have got placed in Capital IQ with CTC of Rs. 9.15 Lakhs.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics, Keshav Mahavidyalaya, has eminent teachers who have full command on their subjects. Apart from teaching the subject concerned, they have also published many research papers on national and international level. The faculty members participate in various national and international conferences as well as workshops and seminars. The faculty members guide the students on their career paths. They are integrally associated with various committees of the college.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY:

Dr. Rajni Mendiratta

- Participated in National Workshop on 'Latex & Website Designing', organized by the Department of Mathematics, Shageed Bhagat Singh College University of Delhi on 11-12 August'16.

Dr. Arpana Sharma

- Attended workshop on Spiritual Values and Ethics, conducted by CPDHE from 1st - 3rd March, 2017.

- Attended workshop on Women Safety at Workplace, Conducted by FICCI on 6th March, 2017.
- Attended workshop on Disaster Management, Conducted by CII (Confederation of Indian Industries) on 27th March, 2017.
- Conducted one day faculty development programme on Statistical Computing Software R on 24th March, 2017 as Convenor.

Dr. Ritu Arora

- Presented paper entitled 'Linear Fractional Bilevel Programming Problem with Multi choice Parameters' in National Conference on Algebra, Analysis, coding and Cryptograph organised by Department of Mathematics, University of Delhi held on 14th – 15th October, 2016.

Mr. Ashish Bansal

- Participated in the Orientation Programme (OR-86) held at CPDHE, University of Delhi from 25th November 2016 to 23rd December 2016.
- Organised Faculty Development Programme on Statistical Computing Software 'R' (FDPSCS-2017) held at Keshav Mahavidyalaya, University of Delhi on 24th March, 2017.

Dr. Dhanpal Singh

- Participated in three week UGC–Sponsored Refresher Course in Mathematical Science (Mathematics/ Computer Science/ Statistics / Operational Research) held from 30th August to 20th September, 2016 Organized by Centre for Professional Development in Higher Education (CPDHE), University of Delhi, Delhi.
- Submitted a Project Proposal entitled 'Analyzing the influence of Product Harm Crisis (Maggi noodles revelation) on Consumer Buying Behaviour' to University of Delhi grant under Innovation Projects -2016-17.
- Singh, D, and Goel, C.K. (2016) 'Analyzing the Reliability and Mean Time to System failure of complex system Models by using Algebraic Method Technique' Presented & Published in the National Seminar on Recent Advances in Mathematics and its Computational aspects Organized by Department of Mathematics, Shaheed Mangal Pandey Govt. Girls P.G.College, Meerut, UP from 11-12th November, 2016.
- Worked as an Observer to conduct UGC-NET test for junior Research Fellowship and eligibility for Lectureship held on 22nd January 2017 at CBSE Regional office, Ajmer, Rajasthan conducted by CBSE.

- Worked as an Observer to conduct Navodyaya Vidyalaya Samiti Recruitment Examination (N.V.S.R.E) held on 11th December, 2016 at Jaipur, Rajasthan conducted by CBSE.
- Worked as an Observer to conduct Joint Entrance Examination (JEE-MAIN) held on 3rd April 2016 at Gurgaon, Haryana conducted by CBSE.
- Worked as an Observer to conduct Central Eligibility Test (C.T.E.T) held on 8th May 2016 at Gurgaon in Haryana State conducted by CBSE.
- Worked as a Deputy Coordinator in Central Evaluation Centre (Physics & Computer Science) at Keshav Mahavidyalaya (University of Delhi), May-June 2016 & November-December 2016.

DEPARTMENT ACTIVITIES:

The Mathematical Fest |MODULUS| 2017

|MODULUS|2017- an annual event of the Mathematical society of Keshav Mahavidyalaya took place in the college premises on 3rd March, 2017. Year on year the event is gathering momentum in its popularity. Dr. Rajni Mendiratta, the convener this year organized the event along with the faculty members of the Department. Dr. Madhu Pruthi, the Principal inaugurated the event. The students of the college as well as other colleges participated in large numbers. The event concluded with the prize distribution ceremony.

Faculty Development Programme on Statistical Computing Software (FDPSCS-2017)

The department of mathematics organized a faculty development program on Statistical Computing Software (FDPSCS-2017) in the college premises on 24th March, 2017 to equip the faculty members of different colleges and universities with some basics of the statistical computing software 'R' and to give them hands-on training so that they can use 'R' in real world problems in various disciplines. 'R' is a programming language that allows statisticians to perform the most complicated and intricate analyses without getting into too much of details. With so many benefits for data science, 'R' has gradually mounted heights among professionals of big data and has also become part of the curriculum at various universities in India, in particular, University of Delhi. This programme also provided a platform to exchange of ideas of common interest among the participants.

DEPARTMENT OF PHYSICAL EDUCATION

The Department of Physical Education organized the Annual Sports Day on 17th February 2017, Chief Guest Dr. Sandeep Tiwari, Head of the Department, Department of Physical Education and Sports Sciences, University of Delhi, graced the occasion and gave the prizes, many games like Table Tennis (Men & Women), Chess (Men & Women), Basketball (Men & Women), Volleyball (Men), Cricket (Men), Football (Men), Tug of War ((Men & Women), Ball Badminton and Athletics Event were organized in which mass participation of students along with teaching & non-teaching staff.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY:

Dr. Surender Singh

- Appointed as a Member Executive Delhi University Sports Council, 2016-17.
- Appointed as a Member of Sports Admission Committee, under Graduation courses under Sports Categories 2016-17.
- Appointed as an Expert for Delhi University Post Graduate Admission on Sports Basis from July 2016.
- Appointed as the Convener 'Maka Trophy' Points Calculation Committee, University of Delhi, 2016-17.
- Appointed as Ball Badminton (M&W) for admission trail for admission on basis of Sports Under Graduate Courses 2016-17.
- Appointed as the Convener, Delhi University, Inter College Tournament Committee, Ball Badminton (Men), Men & Women 2016-17.
- Appointed as the Convener, Delhi University Inter College Tournament Committee Volleyball (Women), 2016-17.
- Participated in 14th Asia Masters Athletics Championship in Javelin Throw event held at Singapore from 4th to 8th May 2016.
- Appointed as a Manager of Delhi University Volleyball (Women), for participation in North Zone Inter University Championship, January 2017 held at Kurukshetra University, Haryana.
- Appointed as a Member, Delhi University Inter College Tournament Committee Cross Country (Men & Women), 2016-17.
- Appointed as a Member, Delhi University Inter College Tournament Committee Netball (Men), 2016-17.
- Secured IInd position in Javelin Throw 45+ Men even in 30th Malaysian International Open Athletics Championship from 26-27th November 2016.
- Presented paper 'Comparison of Participation time of Wrestler and Boxer' in National Conference on Yoga for Holistic Health in BBAU Lucknow on 29th August 2016.

- Appointed as Chairperson, session, in National conference on Yoga for Holistic Health 29th August 2016, Baba Saheb Bhim Rao Ambedkar University (Central University), Lucknow.
- Attended one day seminar on 'Physical Fitness Nutrition & Sports Performance' organized by IGIPSS University of Delhi on 30th September, 2016.
- Presented paper 'Effect of Different Intensity and Duration of Warm up on Sprinting Ability' in 2nd National conference on Latest Trend in Health and Physical Education held at VCMS University of Delhi 14th to 15th February, 2017.
- Attended seminar on 'Interfacing Among IGIPES Faculty, Alumini & Students for Development of Physical Education and Sports Sciences' held at IGIPSS University of Delhi in 27th January, 2017.
- Attended two day workshop on 'Curriculum Design and Development in Physical Education' from 23rd -24th March, 2017 held at IGIPSS University of Delhi.
- Organized Delhi University Inter College Volleyball Women (7th - 17th January, 2017) and Ball Badminton, Men & Women (27th January - 4th February, 2017) as Convener, Tournament Committee at Keshav Mahavidyalaya.
- Presented paper 'Effect of Bio Feedback Assisted Yoga Intervention on Heart Rate as Measure of Recovery Among School Children' in International conference on Social Transformation Through Yoga, held at 25 - 26th March, 2017, Nishkam Sewa Trust, Haridwar.
- Attended National Seminar on 'Innovative Trends for Professional Skill Development in Yogic Science', held at Gurukul Kangri Vishwavidyalaya, Haridwar from 27-28th March, 2017.

STUDENT ACHIEVEMENTS:

- Aditya, B.Sc. Computer Science II yr, secured II position in Princess Cup, Thailand Open in March 2017.
- Two students, Sahil Saini and Prashant Kadyan participated in All India Inter University, Ball Badminton (Men) Championship 2016-17 held at SRM University during 26th December 2016 to 2nd January, 2017.
- Sarthak Kataria participated in All India Inter University Taekwondo Championship in March 2017 held at M.D.U. Rohtak.
- Two students, Varun Dagar and Jatin Grover participated in All India Inter University Net Ball (Men) Championship held at SRTM University, Nanded from 22nd March to 26th March 2017.
- College Ball Badminton (Men) team secured III position in Delhi University Inter College Ball Badminton Championship, 2016-17.
- Two students Virender & Aditya secured II position in Delhi University Inter College Taekwondo Championship 2016-17.
- Sarthak Kataria secured I position in Delhi University Inter College Taekwondo Championship 2016-17.

- Hemant Kumar participated in National Para Athletic Championship 2016-17 held at Jaipur on March 2017.
- Hemant Kumar secured II position in 100 mtr. Race and III position in Long Jump event in Delhi State Para Athletics Meet 2016-17.
- Our College also participated in Delhi University Inter College Tournament 2016-17 in the events: Table Tennis (Men), Basketball (Men), Athletics (Men), Netball (Men), Volleyball (Men), Cricket (Men), Ball Badminton (Men & Women), Swimming (Men), Football (Men), and Kabbadi (Men).

DEPARTMENT OF PHYSICS

Education in today's world is the one quality which defines nation. We, in department of Physics, aim at imparting quality teaching and committed to provide comprehensive education. Excellence in teaching has been the hallmark of the department ever since its inception. The department has well equipped air conditioned physics consisting of most of the setup/instruments/equipment keeping in view new CBCS curriculum. The department has separate Computer Lab, having 21 computers. The department also has a Laser Lab. to perform Laser experiments. Two dark rooms fully air conditioned to perform experiment related to optics and ballistic galvanometer. For thermal physics experiments department has separate space with air curtains. The creative environment and the state of the art facilities at department of physics nurture creativity and critical thinking in students.

ACADEMIC PURSUITS AND ACHIEVEMENTS OF FACULTY

Dr. Kanupriya Goswami

- Attended the workshop Spiritual Values and Ethics organized by CPDHE, Delhi University, from 1st – 3rd March, 2017.

Dr. Divya Haridas

- Received Meritorious Teacher Award from the Directorate of Higher Education, Government of the NCT of Delhi. Based on the feedback from students and the Principal, and the records of the efforts put in by the teacher in improving results, in research, extra-curricular activities and in corporate life of college, the Directorate of Higher Education, Government of the NCT of Delhi selected her for the award.
- Successfully completed an Innovation Project titled, 'To design and develop an instrument/device to control emissions of SO_x and NO_x from motor vehicles' granted by University of Delhi as one of the Principal Investigator along with Dr. Neha Sharma, Mr. Anil Sethi and Mr. Himanshu. The innovation team presented papers in the following conferences:

- Poster presentation in National Seminar on 'Emerging Economics and challenges to Sustainability towards developing nations' held at Sri Aurobindo College on March 29-30th 2016.
- Poster presentation in National Conference organized by Gargi college on 'Combating Industrial Pollution for Sustainable Environment-A Fusion of Industrial and Scientific Efforts'(CIPSE -2016) on 22-23rd September 2016.
- Poster presentation titled 'To design a chemical filter capable of reducing emissions of SO₂ and NO_x from vehicular pollution' at Acharya Narendra Dev college, Innovation Conclave 25-26th October 2016 and were awarded 1st position with a cash prize of Rs. 5000/-
- Innovation Project was selected for display during the Convocation Ceremony of the University of Delhi held on 19th November 2016. Dr. Divya Haridas along with a student Mr. Harshit Goyal (B.Tech Electronics) participated in the poster presentation. A certificate of Appreciation was awarded to the project.
- Actively involved in the development of e-content for MOOCs under NIOS and gave three video lectures.
- Worked as content contributor and written a chapter in Solid State Physics (available online) for Institute of Life Long Learning (ILLL) virtual learning material, University of Delhi.
- Successfully completed four week Refresher Course in Physics from University of Delhi during 13th October 2015 to 3rd November 2016.
- Participated in a National Seminar on 'New Roles of Teachers in technology-driven Higher Education' organised by S.G.T.B Khalsa College, University of Delhi during 1st March 2017.
- Participated in Faculty Development Program in 'Research Project Management proposal to publication and beyond' on 19th July 2016 in CIC-Centre for Science Education and Communication University of Delhi.
- Participated in Capacity-Building Workshop on 'e-content creation in Physics' held on 21st June 2016 in ILLL, University of Delhi.

Ms. Chetna Dang

- Attended 3 weeks Refresher Course in physics from 13th October 2017 to 3rd November 2017 from CPDHE,DU.

Dr. Neeru Sehdev

- Goyal, R., Sehdev, N., Lamba, S. and Annapoorni, S. (2016) 'Nucleation controlled magnetization reversal mechanism in oriented L10 FeCoPt ternary alloys', Solid state comm. 226 (2016) 44
- Medwal, R., Sehdev, N., Ying, W., Rawat, R.S. and Annapoorni, S., (2017) 'Dense plasma driven ultrafast formation of FePt organization on silicon substrate', Bull. Mater. Sci. 40 (2017) 233

STUDENTS ACHIEVEMENTS:

- Many students received Scholarships / Fellowships from various government organizations like CSSS, INSPIRE, AICTE.
- Harsh from BSc. (H) third year cleared Technical Entry Scheme and 10+2 Navy B.Tech. SSB.
- Vaishnavi from BSc. (H) third year secured 3rd position in Poetry in IIT Delhi.

STUDENTS ACTIVITY:

Many students visited Inter-University Accelerator Centre on 28th February on occasion of National Science Day.

➤ **Spic Macay**

Virasat 2017 was organized on 15th February, 2017 as a part of SPIC MACAY Keshav Mahavidyalaya Chapter in association with the Heritage Club of Keshav Mahavidyalaya. The musical afternoon was star lit by the presence of Ustad Rehmat Khan Langa and his team, who mesmerized the audience with their soothing Rajasthani folk music. Towards the end, Ustaad Rehmat Khan's grandson, Anwar Khan, danced to the tunes of the Hartaal and provided a perfect closure to the afternoon.

➤ **North –East Festival**

The North-East Cell of Keshav Mahavidyalaya provides a platform for all the students from North-East states studying in the college to share and sort out their problems. It counsels students, providing a friendly atmosphere far away from home. The Cell spreads awareness among college fraternity so as to amalgamate the nation with the lesser known cultures of Northeast India. It is a significant step towards national integration.

Under the ‘Ek Bharat Shreshtha Bharat’ initiative, the North-East Cell of Keshav Mahavidyalaya organized its first north-east cultural festival ‘Cultural Glimpse of North-East’ on 10th February, 2017. Keshav Mahavidyala family witnessed the cultural extravaganza of North Eastern region of our country through this event. Festival was inaugurated by the Principal, Dr. Madhu Pruthi by lighting the lamp.

The cultural programme began with the ramp walk wherein students showcased the tradition and cultural of all north-east states in their traditional colourful attires. The pretty faces and the silken attire lit up the event. Ramp walk was followed by an inspiring traditional Bihu dance performance from the state of Assam. Bihu is performed on the occasion of arrival of spring characterized by brisk hand and feet movement. A student from Manipur enthralled audience with her melodious voice. Some students from Ladakh performed two traditional dances based of Laddakhi folk songs.

The vibrant colours and typical tribal get-up gave the audience got a chance to witness the celebration of tribal art form and the integration of the eight sister states. Cultural festival showcased and celebrated the spirit of brotherhood and fraternity.

➤ **Annual Fest ‘Tryst 2016’**

The performance of Vishnu Vandana and lighting of the ceremonial lamp marked the beginning of Tryst’17, the Annual Cultural Festival of Keshav Mahavidyalaya, held on 29th and 30th March, 2017.

Every year, Tryst is home to several cultural events and competitions organised by the Cultural Committee and Societies of the College. On the first day, Western Group Dance, Solo Singing, Classical Dance, English Slam Poetry and Group Discussion Competitions were organised. Later in the evening, the students danced to the beats of DJ Myris’ music. The next day, as promised to be, was even more exhilarating with competitions like Solo Dancing, War of Bands, Hindi-English Debate and Hindi Slam Poetry. The event concluded with Bollywood Singer Ikka Singh performance on the star night.

SOCIALLY RESPONSIBLE INITIATIVES

INTERNAL COMPLAINTS COMMITTEE

The University of Delhi is committed to creating and maintaining a community in which students, teachers and non-teaching staff can work together in an environment free of violence, harassment, exploitation and intimidation. This includes all forms of gender violence, sexual harassment and discrimination on the basis of sex/gender. To achieve this objective, the Internal Complaints Committee (ICC) is set up in each college of the University of Delhi for the Prevention, Prohibition, and Redressal of Sexual Harassment of Women at Workplace.

WOMEN'S DEVELOPMENT CELL

Women Development Cell is a vibrant and incessantly active initiative of Keshav Mahavidyalaya. It is an essay towards the empowerment of women in society and plays a vital role in addressing their issues in higher education, encouraging them to reflect upon women and gender studies and broadening the perspectives towards gender. It also focuses on multidisciplinary perspectives of class, caste, race, ethnicity, sexuality, religion and age; along with several other contemporary socio-political issues.

WDC and Internal complaints Committee of the college collaborated with the Delhi Legal services Authority (DLSA) organized a self-defence training program for women safety on 23rd January, 2017. The eminent speakers included Mr. Dharendra Rana, Secretary, DLSA-North and Mr. Rishi Pal, DCP-Outer District. The students were shown the techniques of Self-Defence by the officials of Special Police Unit, Women and Children.

➤ **K2k Cycling Event**

Rotary District along with Rotract District organized K2K - Kashmir to Kanyakumari, Cycling Rally. This Cycling Rally was the first of its kind on a national platform for all the cyclists and other people. It was an event that was conducted with the main motive of promoting national integration. The members of Rotract Club of Keshav Mahavidyalaya actively participated in this event.

➤ **Diwali Celebration**

Happiness is widened when you spread it whole-heartedly and festival season is the best time to give and take love. So, the Rotract club of planned a visit to Sparsh: a school for special children at Rohini Sector-5, on 28th October, 2016. The Rotractors celebrated the festival with the children enthusiastically by giving away gifts, singing and dancing along with them.

➤ **Book Donation Drive**

‘Books are uniquely portable magic’ -Stephen King

Rotract Club of Keshav Mahavidyalaya came up with an initiative to spread the love through books. In this regard a Book Donation Drive was held in the college premises from 31st October, 2016 to 10th February, 2017. The books collected were donated in the orphanages.

➤ **Saksham: The Literacy Project**

Saksham-the literacy project, initiated by the Rotract club of Keshav Mahavidyalaya, aims at empowering the youth through computer training programs. It's a ten week project emphasizing on a practice to make a difference in the lives of people, helping them pave a way to keep up with the fast moving technological world. It's been conducted at Aashima Foundation, an NGO at Deepali Chowk being run in association

with TDPL. Students from our club daily visited the NGO in group of five to six to teach the children basics of computers.

➤ **Walk For Life**

Walk for life, a cancer awareness programme was organized on 5th February, 2017. It was the tenth annual walk-a-thon. Walk for life creates awareness about cancer, promotes a healthy lifestyle, raises fund for the care of people with cancer and honour those battling cancer. The members of RCKMV participated in it enthusiastically. Such an event helps in increasing the cognizance of not only the members but also the entire society. RCKMV was obliged to be associated with such a good cause.

ENVIRONMENT CLUB

The aim of the Environment Club of KMV, ‘Prakriti’, is to develop a sense of awareness about the environment and inculcate in the students a sense of responsibility toward the environment. The Club also serves as an opportunity to learn about plants and their role in the environment. From this point of view, a herbal garden was initiated under the guidance of Dr. Harpreet Bhatia and Dr. Geetanjali Sageena.

The herbal garden will serve as an open forum for students of all streams to come together and engage in clean, green development within college premises. This will help to bring students to learn about benefits of growing herbs in a sustainable and environmentally responsible way. The Environment Club planned to create the multi-use garden to be more than just a set of raised herbal plants. Rather it will be an open and welcoming space that encourages students to not just sow the seeds of herbs but also the seeds of togetherness and creativity.

The plants range from aromatic and culinary herbs like Coriander, Fenugreek, Mint, Thyme, Rosemary, Oregano, Bay leaves, Cinnamon, Asafetida and Ajwain to variety of other medicinal plants like Lemongrass, Turmeric, Ashwagandha, Bryophyllum pinnatum (Patharchata) are grown. Two varieties of sacred plant Ocimum (Tulsi) are also planted. Further, the Club plans to make the space incredibly versatile with diverse species structure.

In addition to this, there is a compost pit in one of the college garden fulfilling the purpose of organic manure. In future, we plan for its expansion.

THE EQUAL OPPORTUNITY CELL

‘All people are equal, it is not birth, and it’s a virtue alone that makes the difference’. The Equal Opportunity Cell was established by the University of Delhi on 27th June, 2006 to address the issues related to SC/ST, OBC, minorities and the physically challenged on a continual basis. The EOC decided to make every possible effort to make University of Delhi friendly for all ‘Persons with Disability’ (PwD). The Equal Opportunity Cell at Keshav Mahavidyalaya in its pursuit to help such students has made all efforts for improvement in the overall infrastructure, and the learning and teaching process for the differently-able academic community irrespective of visual, hearing, orthopaedic or other kinds of impairments. The main focus areas of EOC since its inception are:

- Request the University to issue a Policy Statement on Disability.
- Ensure a barrier free access to all buildings of college i.e. departments, library, hostel and office.
- Set up a Resource Centre that would specialize in addressing the needs of PwDs in all categories including Visual, Hearing, Orthopaedic and Neurological etc.
- Set up Counselling Centre to address issues on psychological problems and employment.
- Examine all possible ways in which the SC/ ST, OBC and minority groups can be helped.
- Ensure that there is no discrimination in the college on grounds of disability or minority status.
- Infrastructural provisions in the college: straight and tactile paths, accessible toilets, lifts, sign ages & sign boards.

The Admission Policy for differently able students of the college totally adheres with the national commitment to diversity and inclusion. In accordance with the reservation criterion, the college offers admission to physically challenged students in every course. At the time of admission, an Enabling Committee is formed to help the students with the admission process. Complete information is provided regarding the reservation of these students in the college prospectus.

DWARIKA – THE ANNUAL COLLEGE MAGAZINE

Dwarika, the College Magazine is a platform for Keshavites to share their thoughts, ideas and outlooks. The present-day education system is progressing to advance and nurture the hidden qualities and potentials of pupils. The 2016-17 edition of Dwarika highlights the importance of complementing the education system with the holistic growth and development of students so that mature beings of advanced society can be shaped. The magazine comprises of numerous thought provoking sections, personal reflections, experiences and insights capable of making readers entrenched.

COLLEGE PLACEMENT CELL

The College Placement Cell under the guidance of Dr. Anju Arora (Convenor) works relentlessly towards the placement of the final year students. The cell is linked with the Central Placement Cell (CPC) of the University. The students are regularly notified about the drives of CPC, University of Delhi.

The Final Placement process for the batch of 2014-2017 took off in July 2017 with the selection of student representatives from various courses. The cell has always worked to help students assess their skills along with providing them access to opportunities. To continue working towards this goal, the cell collaborated with Aspiring Minds and organised AMCAT, a computer adaptive test that measures job applicants on critical areas like communication skills, logical reasoning, quantitative skills and job specific domain skills.

The cell has successfully added organisations like ZS Associates, Hitachi, VIVO and IIMJobs to its list of recruiters. Apart from this, the students have bagged offers from S&P Capital IQ. Recruitment by American Express is under process.
