

Start@KMV, The Placement Cell, Keshav Mahavidyalaya

The college has a well-organised and active placement cell that is committed to providing students with training and professional opportunities throughout their academic careers. The cell works around with the objective of facilitating contacts between firms, industrial establishments and graduates. The cell comprises of highly ambitious students from all courses who are shortlisted diligently at the beginning of every academic year.

The Placement Cell has been successfully placing students with good packages in organizations of repute year after year, that not only offer significant job profiles, but also opportunities for growth and higher learning. In past years, many well-known companies such as BCG, PwC, D.E. Shaw, etc have visited our campus for placement drives. The all-time highest package of Rs. 21.5 lacs per annum was offered by DE Shaw for the roles of Financial Research, HR Associate and Tech Associate and the average package for the academic year 2022-23 has been Rs. 5.3 lacs per annum and the cumulative package soared to 4.5 Cr with 70+ students placed so far this year.

The students of different courses in past years have got placed in varied job profiles as stated under:

4. Fresher's Orientation

On January 9, 2023, the Placement Cell organised an orientation session for first-year students. The session began with the Placement Cell team and faculty introduction along with their common motive to bring the best placement opportunities. Following this was the launch of AARAMBH, an extensive resource book for the first years, along with Placement-pedia, a placement preparation guide. With the participation of 150+ attendees, it was an informative and engaging event.

5. T.E.A.(Talk, Engage and Ace) with CPC

The Placement Cell hosted an event with CPC exclusively for the first-year Keshav Mahavidyalaya students on 3 April 2023.

The session was conducted by the members of the Placement cell under the guidance of the faculty. It was an interactive session that focused on building soft skills and hard skills from the first year itself and cleared the career-related queries by the seniors. It emphasised on the benefits of doing internships and projects from the first year only. It focused on providing valuable insights on how to develop soft skills and tech skills and the need to join various college societies to gain insights about the corporate world.

It was an insightful and engaging session with 60+ attendees.
