## PRINCIPAL'S REPORT

Hon'ble Chairperson of our Governing Body Prof. Daman Sulaja, Hon'ble Treasurer of our Governing body Dr. Satish K. Awasthi, other respected members of Governing Body, my colleagues from teaching and non-teaching fraternity, dear students and their parents and all stakeholders of this august institution, it is a privilege to share the e-annual report of the college with you all. These are unprecedented times as Covid -19 has impacted our lives drastically and this report which otherwise would have been presented during our College Annual Day is being launched in its e-avatar.

Keshav Mahavidyalaya is a premier institution of academic excellence under the aegis of University of Delhi. Adhering to its motto 'ऋते ज्ञानात् मुक्तिः' (Only Knowledge Can Provide Salvation), the college is committed to enabling its students gain true knowledge as it is only through true knowledge that the spirit is liberated. The year 2020 is of special significance to us as we have completed 25 years of excellence in education ever since the inception of the college in 1994. We take immense pride in sustained excellence and pioneering achievements of our staff and students. The college celebrated the Silver Jubilee function on October 22, 2019 to mark 25 years of excellence in education. The Chief Guest for the event was Padma Bhushan Prof. (Emeritus) P. Balaram, Former Director, Indian Institute of Science, Bangalore. The Guests of Honour were Shri Raj Shekhar Vyas, Addl. Director General, AIR, Doordarshan, New Delhi, Prof. Tarun Das, Registrar University of Delhi and Prof. Payal Mago, Joint Dean of Colleges, University of Delhi. The Chief Guest and the other dignitaries released the Silver Jubilee Souvenir on the occasion. The entire staff, students and alumni of the college celebrated this grand moment with pride and much fanfare.

We strongly believe that education is the most powerful tool that can bring about a positive change in individuals around the world. It has been our earnest endeavour to be a centre of rigorous thinking and high-impact transformative education. With a stellar record of 25 years in the academic and extra-curricular domains, the college is amongst the best off-campus colleges of University of Delhi. Our college started its journey under the able guidance of our founder Principal Dr. K.P. Chinda whose vision laid a strong foundation for this institution as a centre for knowledge and learning. The college had its humble beginnings in a school building in Keshavpuram and was nurtured to grow holistically by painstaking efforts of enthusiastic and dedicated staff and students. Today the institution stands tall, capitalizing on its strong foundation and consolidating its position over the years as a much aspired hub of learning. Initially, the college started with only two courses namely B.Com. (H) and B.Sc. (G) Computer Science. It currently offers nine undergraduate courses in the disciplines of Science, Commerce, Management Studies, Maths, Psychology and Computer Science. The college also offers Certificate and Diploma courses in French and German Languages and an add-on course in Radio Broadcasting. With sincere and collective efforts of authorities and Shri R.K. Singh, former Chief Engineer, AIR, a state of art Radio Broadcasting room has been built in Keshav Mahavidyalaya. The room with acoustic soundproof walls and doors has a mini-studio so that students may run a Community Radio and groom their talent. The college is also a centre for Non Collegiate Women's Education Board (NCWEB), University of Delhi, with more than 1100 students and 42 faculty members. The college aims to fulfil the aspirations of more than 1800 students under the able supervision of more than 100 faculty members and 60 non-teaching staff. It has been accredited as a grade "A" institution by NAAC and this year the National Institute Ranking Framework (NIRF), MHRD, Govt. of India has placed the college at 77<sup>th</sup> position amongst all the colleges of the country.

The institution seeks to continue to serve the society by adding more courses and opportunities for learning for its stakeholders. The college is proud of the accomplishments of its staff and students who have earned a name for themselves in different areas of expertise and brought numerous laurels to this institution. We remain committed to continually nurture our student's talents, channelizing them to become responsible citizens of the country and to continue raising the benchmarks we have set for ourselves.

As I place the Annual Report before you, I feel privileged and honoured to present the myriad achievements of both the students and faculty members in academic and extra-curricular activities. A perusal of the report will highlight the contribution of all stakeholders in the successful implementation of all events and activities conducted in the college.

With the best of faculty and infrastructure, the college has been churning out toppers year after year. To facilitate the girl students coming from different parts of the country and abroad the college also has a girls' hostel running for the past six years. Like every year, the college welcomed its freshly enrolled students with an Orientation Program on the opening day, followed by 'Freshers' Welcome' about a month later. The students in the girls' hostel also organized a 'Freshers' Welcome' and other events to create an atmosphere of bonhomie in their new home away from home. A host of other events, seminars, webinars and workshops etc. were held during the academic year. To ensure the democratic process, the administrative authorities of the college along with faculty members have student representation in the form of KMV Student Union members who now participate in relevant decision making processes. The KMV Student Union had been actively organising various events throughout the year. A cultural fair, 'Winter Carnival' was organized on November 8, 2019, where students got a chance to showcase their talent.

I would like to share now a brief summary of the achievements of our students and staff and in both curricular and extracurricular domains.

The student members of 'Nivesh', the Finance and Investment Cell of our college actively participated in many inter-college competitions and secured 31 wins at over 17 colleges of University of Delhi.

In order to promote gender equality in our institution and as per UGC directives, the college has been appointing Gender Champions since 2017-18. Gender Champions for this year are Ms. Monika Dalal and Mr. Mohammad Owais, both from B.Sc. (H) Physics.

Industries are always on the lookout for students who are vibrant, energetic and ready to accept challenges, and students want an opportunity to keep learning even at work. Start@KMV, the Placement Cell of the college works around the objective of facilitating contacts between firms, industrial establishments and graduates. The cell comprises highly ambitious students from all courses who are shortlisted diligently at the beginning of every academic year. The academic session 2019-20 began with a workshop on the topic *Ace and Excel Your Job Interview* by Dr. Vandana Gambhir Chopra, Assistant Professor, Department of Psychology, Keshav Mahavidyalaya, on September 24, 2019. Another workshop on the theme *New India New Skills: Future of Artificial Intelligence* was conducted in association with T.I.M.E. Education on October 1, 2019. A workshop on *CV Building* was organized on October 4, 2019, by Ms. Meenal Narula, Image Consultant & Soft Skills Trainer. On October 18, 2019, another workshop was organized on *Group Discussion* by Mr. Abhijeet Singh, Founder of Stepvue. Thirty three students from B.Sc. (H) Comp. Sc., thirteen from B.M.S., ten from B.Com (H) and one from B.Sc. Mathematical Science have been successfully placed with organisations such as Deloitte USI Consulting, EY GDS, TresVista Financial Services, Infosys, TCS, FIS Global Vodafone & Google Team, TravClan, Wipro and LIDO Learning. This year the highest package of Rs.10 lakhs per annum has been bagged by Ms. Heena Makhija of B.M.S. and the average package is Rs. 4, 07,153 per annum. *Anubhav - The Psychology Internship Cell* which has now expanded Pan College aims to bridge the academia industry gap. The cell organized workshop *Transactional Analysis with Gestalt Work* on August 22 - 23, 2019 with resource

persons, Dr. Avinash Desousa and Ms. Pragya Lodha from Mumbai. The other events organized were workshops on *Expressive Arts Therapy*, curated by Ms. Manju Jain from USA, *IQ Testing* and *Rorschach Inkblot Test* by the iconic Dr. Dwarka Pershad, on February 12, 13 & 14, 2020, respectively.

Internal Quality Assurance Cell (IQAC) of the college is association with ICT Academy (non-profit society), a Government of India initiative, organized a seminar on April 5, 2019 to empower the students on the topic 'Employability Skills for Future'. A two-day digital literacy workshop for non-teaching staff was also organized on April 4 & 5, 2019. Several other power seminars were organized in collaboration with ICT Academy, one such seminar on the topic 'Start-up Conclave' took place on August 8, 2019, one on 'Stress Management' was held on October 15, 2019, another one on "Striding from Campus to Corporate World" was organized on January 28, 2020. For the teaching and non-teaching staff, a seminar on 'Roadmap to Achieving Financial Goals' was organized on November 11, 2019. In addition to the above activities IQAC has taken various other initiatives towards quality enhancement, such as result analysis of all academic courses running in the college and conducting a student satisfaction survey, to name a few.

A strong bonding with alumni is utmost important for the growth of any institution. The process of formal registration of the Alumni Association has been initiated and is underway.

The students are always encouraged to think creatively and come up with innovative ideas. The Entrepreneurship Development Program Cell aims at providing a platform to the students to help bring their ideas to life. During this academic year, the cell collaborated with E-cell of DTU to conduct an E-summit wherein the students sent a delegation of over 30 members to DTU to participate in the summit.

The college has always endeavoured to instill a sense of community service amongst the students by actively engaging them in socially responsible initiatives. Under the aegis of NSS unit of the college, the students organised and participated in a number of activities: International Yoga Day, Jal Shakti Abhiyaan, Swachhta Hi Seva Campaign, Rashtriya Ekta Diwas, FIT India Movement, Constitution Day, National Voters' Day, Gandhi Jayanti Celebrations, Swachhta Pakhwara, Voters' Awareness Programme, to name a few. To celebrate the Vigilance Awareness Week, a Declamation Competition followed by Integrity Pledge was organized in association with the Cultural Committee.

Students are always encouraged to create a better society by promoting social innovation. 'Enactus', the Social Entrepreneurship Cell of our college provides an experiential learning platform for developing next generation of entrepreneurial leaders and social innovators. The cell is working on three projects namely, Project Ehsaas, Project Sahaytaa and Project Pehl. Project Ehsaas has made significant strides in managing plastic waste produced in schools and colleges. Project Pehl has brought skill development, employment and self-reliance to the under privileged women of Tarun Enclave, Pitampura, Delhi. Project Sahayta has voiced the struggles of 'kumhars' who are striving to make a living out of the dying art of pottery. The society has also collaborated with 'Chintan', an NGO that works for environmental sustainability. In November 2019, a plant visit was organized to 'Paragon' Noida, a recycling factory which makes yarn for its T-shirts from recycled plastic. A collection drive was also organized by the cell wherein the students and staff donated clothes, bags, shoes for the marginalised people. The students of the cell participated in Diwali Mela held at BEL Colony and Shivaji College, University of Delhi, to showcase the art work of potters of Kumhar Colony residing in Uttam Nagar. Enactus-KMV organized a CSR based workshop in Association with

Tatsat Foundation. On the occasion, Ms. Sumi Gupta, Founder, Tatsat Foundation, delivered a talk on environment friendly sustainable practices.

In order to build financial acumen amongst college students, 'Nivesh' the Finance and Investment Cell of our college conducts various in-house weekly activities like presentations, group discussions, mock stocks, quizzes and technical sessions on various finance based themes such as 'Current Economic Slowdown', 'The Great Economic Depression of the 1930s', 'Technical and Fundamental Analysis of Stock Market', 'Effects of the Automobile Slowdown', to name a few. The cell organized its annual finance fest 'Arthvyawastha' on February 3, 2020, on the theme 'Spectrum of Indian Economy - a look at the past and what lies ahead'. The event was graced by speakers such as Mr. Pavan Choudhary, CEO, Vygon India and Mr. Kundan Kishore, Head of Equity Research, Wealthian.

The college is registered on NSP 2.0 portal and District portal for student scholarships. In the year 2019-20, 14 (fresh) and 18 (renewal) applicants have benefitted under NSP 2.0 portal.

The aim of the Garden Committee of the college is to maintain green and clean environment in the college campus with a variety of seasonal and perennial plants. The committee organized a plantation drive on August 14, 2019 to expand green spaces and nurture native tree/shrub vegetation cover in the college and its surrounding areas under Varsha Vriksharopan Drive 2019.

'Prakriti', the Environment Club works with the aim to promote and monitor environmental activities of the college. The club in collaboration with EVS Department and NSS unit of the college organized an event based on the initiative launched by WWF-India in partnership with UN Environment, 'The Young Leaders Plastic Challenge' on September 24, 2019.

At Keshav Mahavidyalaya, students are encouraged to hone their leadership and managerial skills by allowing active participation in various cultural activities. The Cultural Committee along with the students of various cultural societies actively organised different cultural events throughout the year: The Orientation Day, Freshers' Welcome Party, Constitution Day and Spic Macay. The Spic Macay event witnessed a mesmerising Odissi dance recital by renowned artiste Padma Shri Ms. Madhavi Mudgal, one of the leading classical dancers of India, and her disciples Ms. Shobha Bisht and Ms. Shalakhya Ray.

Various departmental activities were also held during the year. BIZWORLD, the Commerce Society organised an orientation programme for the newly enrolled students of the department. BLITZ, the Computer Science Society organized various events throughout the year. A seminar on 'Python' was conducted on September 27, 2019, by one of our own faculty members, Mr. Pradeep Kumar, Assistant Professor, Department of Computer Science. Coding competitions 'Code Combat' and 'Practice Coding Competition Series' were held to encourage students to practice coding. On January 22, 2020, Mr. Mohit Uniyal, a mentor at Coding Blocks and also an alumnus of the college organised a one-day workshop on 'Machine Learning'.

METAMORPHOSIS, the society of the Department of Management Studies organized the tenth edition of its school outreach event *Challenge. Enrich. Outperform (C.E.O.)* on October 24, 2019 with the theme, *Dusk of a Decade, Dawn of Another*. A successful Digital Entrepreneur, Mr. Pravin Wadalkar, Co-founder & CEO at Technizer IIT, addressed the students on the occasion. The society also organized the eleventh edition of the Annual Corporate Seminar and inter-college management festival of the department, Cognizance 2020, with the theme *Reinventing Enterprise and Society*, on February 27 & 28, 2020. The invited speakers for the seminar on Day 1 were Mr. Navin Gulia, Ex-Army Officer, Author, Social

Worker, Founder ADAA; Dr. Nanditesh Nilay, Author, Consultant, Speaker, Founder TraNc; Mr. Pratik Gauri, India CEO, 5<sup>th</sup> Element Group, TED X Speaker, Greenbiz 30 under 30. The department magazine '*Perspective*' was also released during the event.

The Department of Mathematics organized a talk on 'Demystifying Artificial Intelligence' and 'Careers in Augmented and Virtual Reality' on November 4, 2019. The expert speakers on the occasion were Mr. Shashidhar from INTEL and Mr. Madhur Gupta from UNITY. The students of Mathematical Society organized a workshop on Rubik's Cube on October 18, 2019.

The Department of Physical Education under the guidance of its Head, Dr. Surender Singh (Convenor, Tournament committee) organized Delhi University Inter College Volleyball (Men) and Athletics (Men & Women) tournament this academic year.

COSMOS, the Physics society organized its annual Physics Festival 'Curiosity' in the month of February 2020. A special lecture on 'Modern Astronomy - Strategies to meet the Challenges' was delivered by Prof. H. P. Singh from the Department of Physics & Astrophysics, University of Delhi.

The Department of Psychology organised an interactive session on 'Suicide Prevention' on October 3, 2019. 'Consulenza', the Counselling and Training Cell was initiated by the department this year with an aim to provide counselling services to the students of the college. On February 5, 2020, Consulenza collaborated with Children First India for a panel discussion on 'Depression: Let's Talk' and a session on 'Careers in Psychology: India and Abroad' was also organized for the students.

The EVS Department organised a field trip to 'Yamuna Biodiversity Park' to encourage students about biodiversity conservation, protection and development of the environment.

Non Collegiate Women's Education Board (NCWEB) Centre of the college began the year by organising an 'Orientation Programme' to welcome the freshly enrolled students. A 'Cultural Fest' was organized on February 29, 2020. The occasion was graced by Dr. Geeta Bhatt, Director, NCWEB and Dr. Uma Shankar, Deputy Director, NCWEB.

The COVID-19 pandemic has presented a global crisis in the educational field too due to which most of the departments/ cells/ committees/ clubs could not organise events and activities that were scheduled for the semester ending April 2020. It's a challenge today to reduce as much as possible the negative impact this pandemic will have on learning and teaching process. There has to be a renewed sense of responsibility of all stakeholders to ensure that the learning remains a continuous process virtually. Our staff has continually made efforts to connect to students through digital platforms. This experience has taught us that we have to accept technology in order to make teaching learning process more efficient and productive.

Now, I would like to inform that our faculty members, besides doing their professional duties, are also engaging themselves in curriculum upgradation, pursuing research, attending workshops and seminars. Two faculty members have successfully completed their Ph.D. The college congratulates Dr. Richie Aggarwal and Dr. Ruchi Goyal for the same. Some faculty members have presented papers and have publications in various journals of national and international repute. Some of our faculty members are supervising Ph.D. students. Dr. Geetanjali Sageena has received the 'Paryavaran Ratna Award' at 4th Global Nature Film Festival 2019 organized by Vishwa Mitr Parivaar. Dr. Vandana Gambhir nee Chopra has been awarded with 'Outstanding Career Practitioner Award' at APCDA Awards Ceremony 2020 and Member Meeting for providing Career Services for Students and the wider Community.

I would like to share with you all that our non-teaching staff members also have made great efforts in acquiring skills for professional competence. Many of our non-teaching staff members from Library, Administration Section and Accounts Section participated in various

workshops and training programmes held from time to time on different topics of interest. Dr. Rittu Sethi (Librarian) attended Refresher Course in Library and Information Science organized by University of Delhi. She also attended two days Faculty Programme on 'Digital Literacy' conducted by ICT Academy, Keshav Mahavidyalaya and one week Faculty Development Programme on Co-creating Moocs at Ramanujan College on April 4-5, 2019 and February 10-16, 2020, respectively. Mr. Ravinder Singh Mehra (Library), Mr. Pawan Kumar (Library) completed M. Lib. Sc. and B. Lib. Sc., respectively from Swami Vivekanand Subharti University, Meerut. Mr. An Singh Mehra (Accounts) and Mr. Ravi Dutt Kaushik (Admin), attended two days Faculty Programme on 'Digital Literacy' conducted by ICT Academy, Keshav Mahavidyalaya, on April 4-5, 2019.

There are many other initiatives and achievements of the college which cannot be detailed in my report but are highlighted in the college report.

I would like to express my gratitude to all the stakeholders of this august institution who have ensured smooth functioning of the institution. I would like to express my sincere appreciation and gratitude to the Director and other members of Department of Higher Education for their unstinting support and for so graciously granting the fund for the **sewage treatment plant** in the college. I owe my gratitude to all the engineers from PWD Civil and Electrical wing for their support to ensure the smooth functioning of the college and for installation of a much desired **rain water harvesting system** in the college. I am also grateful to the Govt. of NCT of Delhi for their generous contribution in granting funds for installation of **grill fencing in the garden**. My gratitude is due to our local area Police Team headed by ACP, SHO, IO, Beat Officers etc. whose strong and consistent support allows us to hold important events and maintain discipline. The local Police Personnel need a special mention for ensuring their presence and constant patrolling to keep us safe. Our Proctorial Committee headed by Dr. Shalini Kumar ensures that discipline is maintained in the college throughout the year. My thanks are also due to our housekeeping and gardening staff who work tirelessly around the year to maintain a clean and green campus. Our Hostel Warden, Ms. Anju Tyagi and her associate staff ensure that the needs of the hostel residents are taken care of and the girl students get a safe, happy and healthy environment. I am also thankful to our visiting lady doctor, Dr. Akshi Mittal, for her weekly visits and availability for consultation on phone. We are grateful to Dr. Alka Aggarwal, Medical Superintendent and the Doctors at our neighbouring Bhagwan Mahavir Hospital for being there always to provide immediate medical care to our staff, students and hostel residents. I also extend my gratitude to the General Manager and Staff of Canara Bank for providing us necessary services and banking facilities at our doorstep. I thank all members of the Governing Body who have extended their wholehearted cooperation and extensive support in managing the affairs of the institution. I also wish to place on record my sincere appreciation to my colleagues from both teaching and non-teaching staff, our students, alumni and all our well-wishers for their all-round support and commitment.

I also appreciate the efforts of and thank the Convenor Dr. Bhavna Gupta and members of the Annual Report Committee for preparation of this report. I shall seek pardon for failing to acknowledge anybody whose contribution I may have left unintentionally. I would like to affirm that we will continue making efforts to keep serving the society to the best of our ability and carry our legacy forward in our chosen direction fulfilling the aspirations of our stakeholders.

Thank you all!  
Prof. Madhu Pruthi  
(Principal)

## SILVER JUBILEE EVENT

After a series of activities and events were held to commemorate the 25th year of its existence, the college brought down the curtains on the celebrations by organising the Silver Jubilee function of the college in 2019 to celebrate 25 years of excellence in education. The Chief Guest for the event was Padma Bhushan Prof. (Emeritus) P. Balaram, Former Director, Indian Institute of Science, Bangalore. The Guests of Honour were Shri Raj Shekhar Vyas, Addl. Director General, AIR, Doordarshan, New Delhi, Prof. Tarun Das, Registrar, University of Delhi and Prof. Payal Mago, Joint Dean of Colleges, University of Delhi. The entire staff, students and alumni of the college celebrated this grand moment with pride and much fanfare.

On this special day, the radio broadcasting room was inaugurated by the Chief Guest Prof. Balaram and Guest of Honour Shri Vyas.

The function started with the lamp lighting ceremony. Illustrious alumni of the college were felicitated by the dignitaries. It was a trip down the memory lane for the alumni. Father of Martyr Sqn Ldr Meet Kumar was also honoured on the occasion. The illustrious alumnus was remembered with a standing ovation.

The Chairperson and Treasurer, Governing Body congratulated the staff and students of the college on achieving this milestone. Prof. Payal Mago addressed the audience and congratulated the staff and students of the college. She encouraged the students and advised them not to be afraid of challenges in life but 'to enjoy the rain more'. The Principal of the college Prof. Madhu Pruthi also addressed the audience expressing her happiness for being part of the momentous occasion and its journey of growth. She too congratulated the staff and the students for their glorious accomplishments and bringing the institution to eminence by the dint of their sincere efforts.

Shri Vyas shared incidents from his life with poems and interesting anecdotes. He reminded the audience that it is human mind that had created 'google' and it is the youth who can be instrumental in thinking differently. He reminded the students to be humble and be thankful for what they have.

Chief Guest Prof. Balaram talked about the importance of scientific thought. He said that science pervades human existence and there is a great need for everybody today to know a little bit about science. He talked about two great Indians namely Nobel laureate C.V. Raman and Dr. Shambhunath Dey to explain the importance of science to the students. In his speech, he talked about the 'Raman Effect being the vindication of quantum theory of matter', Darwin's Natural Selection and Oral Rehydration Therapy. He reminded the audience that chemistry and biology are great levellers and they tell us that there is no difference between us and others. Nothing distinguishes us but these are myths created by human mind. He reiterated that education requires a broad understanding of subjects, interdisciplinary mode of thinking and openness to ideas. He advised the students to go beyond their subjects and ask hard questions. He concluded by wishing the college a wonderful future and hoped that some of the students would come back to the college twenty five years hence as illustrious personalities.

The Chief Guest and the other dignitaries released the Silver Jubilee Souvenir. The function culminated with a dance performance by the students of the college. The auditorium reverberated with energetic dance and music symbolising the zest of the students and staff to do much more in the years to come. The event was a grand success paving the way for many new chapters to be written in the college history and many new milestones to be reached.

## **DEPARTMENTS AND DEPARTMENTAL EVENTS**

### **DEPARTMENT OF CHEMISTRY**

The Department of Chemistry has two very well equipped laboratories for Organic, Inorganic, Physical, and Analytical experiments. These labs are well furnished and have the following modern instruments: UV-Visible Spectrophotometers, Flame Photometer, Water Deionizer, Triple Water Distillation unit, Digital pH meters, Digital Potentiometers, Digital Conductivity meters, Digital TDS meters, Naphelometer, Rotary evaporators etc. Lab has instruments for carrying out biological chemistry/biology based experiments. These include Vertical Laminar Flow, Microscopes (Monocular, Binocular with Projection system), Autoclav etc. Computer facility is also available in both the laboratories for student's use.

### **DEPARTMENT OF COMMERCE**

The Department of Commerce is one of the biggest departments in the college, with 21 faculty members. The Department has its society by the name of "Bizworld", which provides the students with a platform to enhance their management and public speaking skills. Bizworld conducts frequent discussions on various economic and financial topics as well as on changes in the current market trends, thus helping spread financial and economic literacy among the students.

Every year Bizworld conducts an orientation programme for new students. The society also organizes its annual commerce fest under the name of "Fledgling", which includes a plethora of events, like Stock market simulations, out of the box quizzes, and many more, which witnesses a footfall of more than 700 students from various colleges of Delhi. The society also releases its annual commerce magazine, "Genesis".

### **DEPARTMENT OF COMPUTER SCIENCE**

The Department of Computer Science aims to equip students with knowledge of the foundations of this subject area and the skills necessary to apply their discipline to real-world problems. The Department has always motivated the students to bring out the best in themselves and break their own records. Due to the reputation built over the years, Keshav Mahavidyalaya has become one of the most sought after colleges for B.Sc. (H) Computer Science course in the University of Delhi. The Department has recently purchased 40 Computer Systems and two ACs for its Computer Laboratories as an effort to provide the best facilities to its students. The Department has also upgraded a huge setup of UPS (Uninterrupted Power Supply) that provides power back up to its all Computer laboratories. The Department is also publishing its annual e-magazine 'e-Blitzine' as an initiative towards saving paper and the environment since 2017. As a continuous effort, the departmental magazine e-Blitzine 2020 of the academic session 2019-20 is available on the college website.

This year's core team of the Blitz Computer Society, consisting of 11 students was headed by Prashant Arora, a B.Sc. (H) Computer Science student. The team organized various events throughout the year under the guidance and support of the faculty and laboratory staff members of the Department. A seminar on "Python" was conducted on September 27, 2019 by Mr. Pradeep Kumar, Department of Computer Science, Keshav Mahavidyalaya. "Practice Coding Competition Series" was initiated on 'HackerRank' platform in end-of-semester break. This

initiative was taken by the team to encourage students to continue with coding and to help them to maintain consistency. There were three practice competitions in the series. The first competition was held on December 19, 2019 from 6:00 pm to 10:00 pm, second on December 25, 2019 from 6:00 pm to 9:00 pm and third on December 29, 2019 from 3:00 pm to 6:00 pm. Each competition comprised of ten questions which tested the logical thinking along with the coding skills of participants. A coding competition- “CODE COMBAT” was conducted on January 17, 2020. A one-day workshop on “Machine Learning” was organized on January 22, 2020, where the speaker was Mr. Mohit Uniyal, a mentor at Coding Blocks and also an alumnus of the college.

Somya Gupta and Manav Arora from B.Sc. (H) Computer Science, First-year secured the second position in Inter College Poster Paper Competition held on March 4, 2020, which was organized by Indraprastha College for Women, University of Delhi. The topic for the research poster was ‘ML Applications in Cancer Prognosis and Prediction’. Yashnit Kalra (Final year) has made his place at 2,304 out of 13,650 contestants internationally in the Google Kick Start, online Google platform. Shrishti Vaish (Final year) has been awarded a National Scholarship of Rs.10,000 per annum for her graduation.

In co-curricular events too, our students have brought laurels to the college. Yashnit Kalra (Final Year) and Rohit Sharma (Final year) secured the first position in Mind Coder held at VIPS, IP University in October 2019, and the second position in Cipher Swap, Cynosure at Hansraj College in February 2020. Yashnit Kalra (Final year) secured the first position in Code-Uncode at Kirori Mal College in February 2020 and Dazzle Coding at PGDAV College in February 2020. Aatif Nisar (Final year) secured the second position in Hackrcdu held at Ramanujan College in 2020. Ayushi Mittal (Second year) secured the second position in HackDUCS, a hackathon held at the Department of Computer Science, University of Delhi. This academic session, in the category of extra-curricular activities, Sagar Yadav, (First year) was part of the finalist team in Mime Time (nonverbal theatre competition) in Mood Indigo 2019, IIT Bombay. Simran Yadav (Final year) stood second in Costume Designing competition held at Sri Guru Gobind Singh College of Commerce.

## **DEPARTMENT OF ELECTRONICS**

The Department of Electronics of the college offers B.Sc. (H) Electronics course under the new CBCS scheme. It is an under-graduate course of six semesters that equips the students with a broad foundation on the fundamentals and advancements in the area of electronics. The programme teaches papers such as: Fundamentals of Analog Electronics, Electromagnetics, Communications, Optoelectronics, Digital System Design and Mathematics. The department invites eminent professors / scientists to deliver lectures on various relevant topics. It also includes a technical society named Elektronika- The Electronics society for all round development of its students. The society through its members encompasses a diverse range of technical activities devoted to the various applications under Electronics. The society organizes workshops and technical competitions for exuberant minds. The Elektronika Society also organizes an inter college annual technical fest known as “Elexonia” which involves various technical events and workshops.

The Department of Electronics also started a robotics club in year 2018-2019 which provides students a platform to work on projects related to robotics and electronics.

## DEPARTMENT OF ENGLISH

The Department of English of the college is actively engaged in developing critical reasoning among students through the analysis of literatures from across the world. The department deploys a variety of pedagogic strategies to direct the student's capabilities for independent thought, based on logical and refined judgement. Group discussions, debates and panel discussions are conducted to structure their ideas and formulate opinions. The department endeavours to impart excellent communication-skills crucial for carving a distinguished niche in the world. The cognitive and affective boundaries are challenged and continuously shifted through rigorous questioning. It enables them to view education, and its final play in the social arena as inextricably tied up with issues of humanity, equality, and just practices.

## DEPARTMENT OF MANAGEMENT STUDIES

With the theme, *Dusk of a Decade, Dawn of Another*, the student society *Metamorphosis* organized the tenth edition of its school outreach event *Challenge. Enrich. Outperform (C.E.O.)* on October 24, 2019. A successful Digital Entrepreneur, Mr. Pravin Wadalkar, Co-founder & CEO at Technizer IIT, addressed the students on the occasion. A plethora of creative and competitive events based on functional areas of management were organized for school students to give them a peek into the world of business management. The event witnessed an overwhelming participation of around 800 students from schools across Delhi/ NCR. The society also organized the eleventh edition of the Annual Corporate Seminar and Inter-College Management Festival of the department, Cognizance 2020, with the theme *Reinventing Enterprise and Society*, on February 27 & 28, 2020. The invited speakers for the seminar on Day 1 were Mr. Navin Gulia, Ex-Army Officer, Author, Social Worker, Founder ADAA; Dr. Nanditesh Nilay, Author, Consultant, Speaker, Founder TraNc; Mr. Pratik Gauri, India CEO, 5<sup>th</sup> Element Group, TED X Speaker, Greenbiz 30 under 30. The seminar was well-received by the participants. On Day 2, different inter-college competitive activities were organized. Over 250 students from around 38 colleges of the University of Delhi participated and made the event a grand success. The department magazine '*Perspective*' was released during the event.

The students of the department organize workshops, competitions, and creative activities throughout the year. *Inceptum*, the Entrepreneurship Cell of the department organized '*What-If*', on February 7, 2020. As a farewell keepsake for the outgoing batch, the first-year students organized a *Quiz Competition* on February 11, 2020. Mayank Bhasin, Shivam Garg, and Aditya Garg, final year students organized a discussion on the Union Budget 2020-2021 on February 28, 2020.

The department has a long list of student achievements in both academic and extra-curricular activities. Every year our students pursue internships from organizations of repute to gain hands-on industry experience. They also experience a successful placement process and are offered varied job profiles. Some students choose to pursue higher education before taking a deep dive into the corporate realm. Sanchit Gambhir of the final year scored 750 in GMAT. Aastha Sharma of second-year cleared A1 certification in the German language. Devesh Aggarwal of second-year cleared Mutual Funds Distributor Certificate Examination from NISM. Anansh Gupta of the final year scored 99.77 percentile in CAT and made it to IIM Calcutta; Aditya Garg scored 98.21 percentile and will soon be joining IIM Indore; Tushar Aggarwal scored 98.93 percentile.

## **DEPARTMENT OF MATHEMATICS**

The Department of Mathematics has eminent teachers who have full command on their subjects. Apart from teaching the subjects concerned, they have also published many research papers at the national and international level. The faculty members participate in various national and international conferences as well as workshops and seminars. The faculty members guide the students on their career paths. They are integrally associated with various committees of the college.

A talk on Demystifying Artificial intelligence and Careers in Augmented and Virtual Reality was organised by the Department on November 04, 2019. The expert speakers, Mr. Shashidhar from INTEL and Mr. Madhur Gupta from UNITY, gave a very informative lecture and enlightened the students about the role and applications of Artificial Intelligence and Virtual Reality and its career prospects. The students of Mathematical Society organized a workshop on Rubik's Cube on October 18, 2019. This workshop was headed by Siddharth, a final year student of B.Sc. (Hons) Mathematics, who shared his extensive knowledge about puzzle solving Rubik's cube with simple tricks and techniques. He also wrote a book entitled "Mysterious Path to Success" for which he was very much appreciated by Y.U.V.A on November 2, 2019.

Bhavyaa Sharma of B.Sc. Hons mathematics final year won Blitz Chess tournament held at Zakir Hussain College. Ankit Goyal and Amit Yadav have cleared IIT JAM exam with good ranks. Akhil Mittal of final year has secured 99.57 percentile in XAT examination. Aditya Jain of second year has cleared the papers CS-1 and CB-1 in Acturial Science. Hariom Kushwaha of B.Sc. Mathematical Science final year student won Tarkshehra Parliamentary Debate competition, held at Daulat Ram College.

## **DEPARTMENT OF PHYSICAL EDUCATION**

A healthy mind resides in a healthy body, and a healthy and strong body is not possible without sports and physical activities. The college sports committee under the able guidance of Dr. Surender Singh (Convenor) encourages and motivates the students to get involved in various sports and physical activities. The College has many sports facilities like basketball, football, cricket, badminton, netball, volleyball, and athletics. Besides outdoor games, students can choose various indoor games like – table tennis, chess, etc. The college has a gymnasium hall with various machines. This year Delhi University Inter college volleyball (M) 2019-20, athletics (M&W) 2019-20, was organized by Dr. Surender Singh (Convenor, Tournament committee) at Keshav Mahavidyalaya.

## **DEPARTMENT OF PHYSICS**

Physics lies at the core of all scientific and technical disciplines. The goal of the department is to ignite and promote enthusiasm, interest, and passion for the field of physics in the students in order to produce well-prepared graduates who are confident in their abilities and understanding of physics. Teachers of the Department of Physics constantly strive to stay updated by attending various orientation programs, refresher courses, seminars, workshops, etc. The department motivates and also provides recommendations to deserving students for higher studies in Indian and International institutions. Animesh Shah of the final year has been selected for an integrated Ph.D. in 'High Energy Physics' at Tata Institute of Fundamental Research (TIFR). Aakash of final year has qualified Joint Admission Test (IIT-JAM) and Joint

Entrance Screening Test (JEST). Devansh of the final year has cleared the Combined Defense Services Examination (CDS) conducted by Union Public Service Commission (UPSC).

The Physics society 'COSMOS' organized its annual Physics Festival 'Curiosity' in the month of February 2020. A special lecture on "Modern Astronomy-Strategies to meet the challenges" was delivered by Prof. H. P. Singh from the Department of Physics & Astrophysics, University of Delhi. Students also participated in various competitions like quiz, puzzle, debates, etc.

## DEPARTMENT OF PSYCHOLOGY

The Department of Psychology believes in the holistic development of the students and this is the mission of the entire department. Besides academics, workshops, interactive sessions with experts, presenting papers, and attending conferences as well as internships are also kept in mind.

INPSYCH – The Society of Department of Psychology, organized the department's annual fest - Psyphoria, and a 2- Day's Psychology Carnival. The Investiture Ceremony 2019-20 was held on August 9, 2019, where the core student team was officially bestowed with their roles and responsibilities for carrying forward the department's endeavors. An interactive session on 'Suicide Prevention', on October 3, 2019, dispelled various myths about suicide and created a safe space for an insightful discussion on the same.

*Consulenza – The Counselling and Training Cell* of Keshav Mahavidyalaya, was initiated with the aim of providing counselling services to the students of the college. This Cell also aims to enrich the knowledge and skills of psychology students in the field of counselling. On February 5, 2020, Consulenza collaborated with Children First India for a panel discussion - 'Depression: Let's Talk', where the myths surrounding depression were dealt with, and a session on 'Careers in Psychology: India and Abroad' was also organized for the students.

*Anubhav-The Psychology Internship Cell* of Keshav Mahavidyalaya was established on August 28, 2018, with an aim to bridge the academia-industry gap by forming a liaison between students and various organizations. A workshop on 'Transactional Analysis with Gestalt work' with resource persons, Dr. Avinash Desousa and Ms. Pragya Lodha from Mumbai, was organized on August 22 & 23, 2019. A workshop on 'Expressive Arts Therapy', curated by Ms. Manju Jain from the USA was organized on February 12, 2020. Furthermore, workshops on 'IQ Testing' on February 13, 2020, and 'Rorschach Inkblot Test' on February 14, 2020, by the iconic Dr. Dwarka Pershad were also organized by Anubhav.

## DEPARTMENT OF EVS

With the implementation of CBCS (Choice Based Credit System), the subject of Environmental Studies was introduced as an interdisciplinary discipline in the year 2014 designed to equip the students with knowledge of the exemplary diverse field. The subject is categorized under AECC (Ability Enhancement Compulsory Course) as a 4-credit paper undertaken compulsory during the first academic year. It strives to impart comprehensive education to students from various disciplines for understanding fundamental yet complex, manifold environmental issues. In order to equip students with the requisite knowledge, the endeavor is to inculcate the awareness with a positive attitude which is much needed to address our challenges now for a better future.

The curriculum emphasizes on integrated learning with classroom lectures facilitated by quality and quantity interactive sessions which creates conducive space for effective learning. Every academic session, the students are provided with an opportunity for the exchange of ideas by

means of field visits to gain knowledge beyond the subject. The field trip for the students is conducted every semester to inspire personal and collective responsibility in building an environmentally conscious society for the achievement of sustainable development. Last year students were taken to Yamuna Biodiversity Park to encourage students and staff about biodiversity conservation, protection, and development of the environment. The topical push of the gathering was to honor nature, promote the cause of environmental protection. This gathering aimed to cultivate a myriad of conversations among academicians, researchers, and a range of stakeholders, introducing viable working solutions for the environmental challenges.

## NCWEB

The Non-Collegiate Women's Education Board (NCWEB) centre was founded in 2016 under the vision of our honorable Principal, Prof. Madhu Pruthi, in order to enable thousands of young women who are unable to join regular college for various reasons to attend classes during Saturdays/Sundays and academic breaks to obtain an undergraduate degree from the University of Delhi. At present, there are 42 teachers imparting some insightful lessons to the students of B.A. Prog and B.Com. under the guidance of Dr. Deepak Srivastava, Assistant Professor, Department of Commerce, who has been successfully carrying out the responsibility of Teacher-in-Charge of NCWEB since its inception in July-2016. Along with the teaching staff, 12 members of non-teaching staff are also involved diligently in this centre under the guidance of Mr. Rajkumar. Due to the combined efforts of everyone involved, the first batch (2016-2019) graduated quite successfully last year. The centre this year organized its 'Orientation Programme' to welcome all the students and to entitle them to begin the new phase of their educational journey with utmost positivity and excitement. Moreover, to provide the learners with an opportunity to showcase their aesthetic skills and talent, the centre conducted the 'Cultural Fest' on February 29, 2020 and the occasion was graced by the Director, Dr. Geeta Bhatt, and the Deputy Director, Dr. Uma Shankar. The NCWEB centre always strives to impart quality education to the learners, therefore, even during the COVID- 19 pandemic, the centre has been acknowledged as the first teaching center to take the initiative of starting the 'online classes' as per the time table and guidance of the higher authorities. The NCWEB centre has emerged as an important academic option for female students.

With the objective of making it Disabled Friendly, Delhi University has set up a cell called Equal Opportunity Cell (EOC). In its Disability Statement, the University reiterates its commitment towards sensitizing the environment of the university and general public regarding the problems of “the not-so-abled people” by bringing forth their strengths and problems. It looks into the matter of alleviating any level of discrimination done on the basis of physical challenges and nature of impairment. The Statement also points out its objective of removing the physical barriers and making education accessible to all by making improvements in the infrastructural facilities. It also aims at generating resources for the provision of tuition assistance and special equipment, educational and vocational counselling, and availing trained readers and writers to these students.

The college has an equal opportunity cell to fulfil the above objectives set up by the University of Delhi led by Dr. Deepak Srivastava. It has infrastructure for differently abled students like ramps at every entry of the college, wheelchair, lift and special toilets for making teaching learning friendly for these students. Students are guided and their problems are solved one to one by the EOC COORDINATOR and college authorities.

### **SC/ST/OBC/MINORITIES SCHOLARSHIPS**

NSP 2.0 portal wing helps the students in obtaining scholarships from numerous schemes run by Government of India, Department of Higher Education. Dr. Ritu Arora was appointed as the nodal officer for NSP 2.0 Portal. For 2019-20, 14(fresh) and 18(renewal) applicants have been benefitted under NSP 2.0 portal. Scholarship on e-district portal: This wing deals with assisting the students in procuring scholarships from various schemes run by Government of NCT of Delhi. Dr. Dhanpal Singh worked as nodal officer for e-district portal. These are the two schemes under which the students can apply scholarships.

### **INTERNAL COMPLAINTS COMMITTEE**

The University of Delhi is committed to creating and maintaining a community in which students, teachers and non-teaching staff can work together in an environment free of violence, harassment, exploitation and intimidation. To achieve this objective, the Internal Complaints Committee (ICC) is set up in the college for the Prevention, Prohibition, and Redressal of Sexual Harassment of Women at Workplace. The Internal Complaints Committee (ICC) of the college under the convenorship of Dr. Arpana Sharma, addresses issues related to gender violence, sexual harassment and discrimination.

### **WOMEN DEVELOPMENT CELL**

The Women’s Development Cell of the college is a mandated body as per section 3.2(15) of UGC Guidelines (Prevention, Prohibition and Redressal of Sexual Harassment of Women and Employees and Students in Higher Educational Institutions) Regulations, 2015. Under the convenership of Dr. Manjari Singh, it aims to create a gender aware and gender just environment within the campus. It endeavours to highlight Gender Discrimination as a systematic framework which treats individuals unfairly on the basis of their gender

The Cell creates gender awareness by initiating debates on domestic violence, sexual harassment, and other issues faced by women through organizing essay/ poster competitions, movie screenings and holding talks and seminars. Over the years there have been many stellar speaker sessions, debates, poetry and poster making competitions, for expressing issues pertinent to women's lives and realities. Prominent speakers like Ms. Susheela Kaushik, Prof. Indira Nath, Dr. Sumathi Rao Mehta and many more have visited our campus and have helped us further the outreach goals of the cell. As such it attempts to increase the student participation and visibility in all realms of the academic and non-academic life of the college and strives to capacitate young minds with adequate perspectives and abilities to work towards creating gender just spaces.

## **DWARIKA - THE ANNUAL COLLEGE MAGAZINE**

DWARIKA the college magazine is a platform for Keshavites to share their thoughts, ideas and outlook. The magazine under the convenership of Dr. Daisy Sharma highlights the curricular and extracurricular journey of college and provides an opportunity for the students to showcase their talents and explore their creative potential. As the saying goes, a mind like a parachute works best when opened. This humble initiative is to set the budding minds free and allow them to roam free in the realm of imagination and experience to create a world of beauty in words.

## **THE ENTREPRENEURSHIP DEVELOPMENT CELL (EDP)**

The Entrepreneurship Development Program cell provides the students with a platform to enhance their entrepreneurship skills. The convenor Dr. Jagneet Kaur Anand and the other society members conduct frequent discussions on various entrepreneurial topics involving sales, marketing, and product management as well as on current start-up trends, thus helping the students in generating their own start-up ideas and working on them. This year Entrepreneurship Development Program Cell collaborated with E-cell of DTU to conduct an E-summit wherein the students sent a delegation of over 30 members to DTU to participate in the summit. It also organized a Webinar on the topic "How to turn an idea into a start-up?" with Yashraj Bhardwaj, Co-Founder Zenith Vipers being the chief Speaker.

## **COLLEGE PLACEMENT CELL**

Industries are always on the lookout for students who are vibrant, energetic and ready to accept challenges, and students want an opportunity to keep learning even at work. Start@KMV, the Placement Cell of the college works around the objective of facilitating contacts between firms, industrial establishments and graduates. The cell comprises highly ambitious students from all courses who are shortlisted diligently at the beginning of every academic year.

Several workshops and training sessions were organized under the guidance of convenor Dr. Rubina Mittal along with Tushar Agarwal, BMS Final Year (President), Heena Makhija, BMS, Final Year (Vice President) at regular intervals to help students develop skills to become industry ready. The session of 2019-20 began with a workshop on the topic Ace and Excel Your Job Interview by Dr. Vandana Gambhir Chopra, Assistant Professor, Department of Psychology, Keshav Mahavidyalaya, on September 24, 2019. Another workshop on the theme New India New Skills: Future of Artificial Intelligence was conducted in association with T.I.M.E. Education on October 1, 2019. IQAC organized a seminar to empower the students on April 5, 2019, in collaboration with ICT Academy on the topic of “Employability skills for future”. ICT Academy is a non-profit society, endeavours to train the teachers of higher education, students and other staff members. A two-day digital literacy workshop for non-teaching staff was also organized by IQAC on April 4-5, 2019. Another student power seminar on the topic “Start-up Conclave”, in collaboration with ICT academy took place on August 8, 2019. The cell also organized a student’s power seminar on “Stress management” in collaboration with the ICT academy on Tuesday, October 15, 2019. A seminar on “Roadmap to achieving financial goals” for the teaching and non-teaching staff took place on November 11, 2019, where speakers from the HDFC mutual fund were invited to deliver a talk. Another student’s power seminar on the topic of “Striding from campus to corporate world” in collaboration with ICT Academy took place on January 28, 2020. In addition to the above activities IQAC has taken various initiatives towards quality enhancement, such as result analysis of all academic courses followed in college, student satisfaction survey, etc.

## TOBACCO CONTROL PROGRAM

In the Tobacco Control Program, Dr. Dhanpal Singh was appointed as convenor to implement policies prohibiting the use of any tobacco product, within and outside the college campus location. Sale of tobacco products must be banned within 500 yards (457.2 m) of educational institutions. The major objectives of Tobacco Control Program is to bring greater awareness about the harmful effects of tobacco use and to facilitate effective implementation of the tobacco control laws formed by the Ministry of Health and Family Welfare (MoHFW). **Tobacco free zone** boards and **No smoking** signages can be seen at various places in the college and hostel premises. In case of any violation of the tobacco control measures, appropriate action may be taken as per Comprehensive Tobacco Control Legislation Act, 2003. The motto- "**Say No to Tobacco**" is followed attentively to lay the foundation of a healthier India.

## **GARDEN COMMITTEE**

The aim of the garden committee of the college is to maintain the green and clean environment in the college campus with a variety of seasonal and perennial plants. The garden committee ensures the requirements for development and maintenance of greenery in the college campus by skilled and trained gardeners. Under the convenorship of Dr. Dhanpal Singh, the garden committee organized plantation drive in the college on August 14, 2019 to expanding green spaces and nurturing native tree/shrub vegetation cover in the college vicinity under Varsha Vriksharopan drive-2019, University of Delhi and planted various variety of fruits tree and flowers plants in the different area of the college campus.

## **RADIO BROADCASTING**

With sincere collective efforts of authorities, respected Principal Madam, Prof. Madhu Pruthi and Shri R.K. Singh, former Chief Engineer, AIR, a state of art Radio Broadcasting room was built in the college. The room with acoustic soundproof walls and doors has a mini-studio so that students may run a Community Radio from it, and groom their talent with the guidance and support of Dr. Anjali Thukral as its convenor.

## **THE ENVIRONMENT CLUB**

The Environment Club of Keshav Mahavidyalaya, 'Prakriti' worked under the convenorship of Dr. Harpreet Bhatia with the aims to promote and monitor the environmental activities of the college. The green landscaping is done to maintain the greenery of the college campus. The herbal garden established in 2017 is maintained as a conservatory to species of aromatic medicinal herbs. The green cover of the college is raised carefully for maintenance of the aesthetics and flora in college campus. The pruning of the trees is done on a regular basis. For effective on-campus waste disposal, the composting pits are functional to convert waste into green manure.

The students of the college participated in the Ozone Day celebration held at Delhi Secretariat on September 16, 2019. Priyanshi Madan, a student of Psychology (Hons.) Semester VI got awarded as runners up. The EVS Department in collaboration with NSS and the Environment Club of the college, organized an event based on the initiative launched by WWF-India in partnership with UN Environment, "*The Young Leaders Plastic Challenge*" held on September 24, 2019. The challenge was an initiative engaging youth across the country to address the issue of plastic pollution threatening life in oceans, rivers and on land. The initiative intended to educate young individuals on single use plastics leading to action that will reduce land and marine plastic pollution. This can also lead to a sense of personal fulfilment in taking responsibility for the planet's well-being. This initiative offered an opportunity for college students to take a leadership role to inspire and engage their peers in collective action within their communities or institutions to tackle the menace of single-use plastic. The students of the college took this up as a project to reduce usage of plastic in the college as well as at their homes.

## **NIVESH**

Nivesh is the finance and investment cell of the college that aims at building the financial acumen amongst the college students by conducting various learning and practice sessions in the various sub areas of finance. Under the guidance and leadership of Dr Arpana Sharma

## ENACTUS

Enactus-KMV provides an experiential learning platform to students and is dedicated to creating a better society by promoting entrepreneurial leaders and social innovators that can impact society through a socio-economic and a sustainable route. Enactus-KMV under the guidance of Dr. Rubina Mittal as its convenor, has been working on three projects, namely, Ehsaas, Sahaytaa and Pehl. All these projects cater to creative and divergent solutions to this problem. Project Ehsaas has made significant strides in managing plastic waste produced in schools and colleges. Project Pehl has brought skill development, employment and self-reliance to the ladies of Tarun Enclave. Project Sahayta has voiced the struggles of “kumhars” who are striving to make a living out of the dying art of pottery. The society also collaborated with Chintan, an environmental NGO that works for environmental sustainability and social justice with diverse stakeholders. Enactus wants to battle the menace of plastic waste head on by conducting a workshop on the topic of plastic waste management to spread awareness about the issue and provide practical solutions. A plant visit was organized to the factory - 'Paragon'; in Noida. It is a recycling factory which makes the yarn for its T-shirts from recycled plastic. The team visited their plant in early November to get a close view of their operations. They were accompanied by the Heads of the Organization. They were told about the entire mechanism followed from procuring the plastic bottles to creating t-shirts and other apparels from them. The initiative made by them is indeed a great one as it substantially reduces the amount of plastic in the environment. A collection drive was also organized in college premises where we urged students and staff to donate any sort of fabric in the form of clothes, bags, shoes etc., all of which served the purpose of donation to the underprivileged. As a part of our Project Sahayta, took the initiative to uplift the lesser known community of potters of Kumhar colony residing in Uttam Nagar. We decided to exhibit their art and products to people at the stalls in Diwali Mela of BEL Colony and Shivaji College. Enactus-KMV Team organized a CSR based workshop on making under-privileged people more employable in environment friendly sustainable practices. This was done in association with the Tatsat Foundation, an organisation conceptualised around professionalising the social responsibility sector conducted an enlightening session with the students of Enactus KMV. The Tatsat Foundation was founded by Ms. Sumi Gupta, a seasoned professional known for her expertise in corporate social responsibility, corporate communications, corporate affairs, and brand and reputation management. The Tatsat Foundation advocates dignity and respect of those working in the social service space. The discussion focussed on environment friendly sustainable practices that help in managing various environmental issues. An eco-friendly resort for this is to use Seed Paper, a biodegradable alternate made from recycled paper waste and embedded with plant seeds. It serves the purpose of recycling discarded paper & increases the green cover. Experts also discussed the different alternate energy sources to wood in pottery kilns; this was to aid the Kumhar community whose operations have been limited due to pollution from the traditional wood-fired kilns. The foundation also proposed to initiate CSR based projects with the Enactus KMV team in the future to train the students for implementing the environmental friendly sustainable practices. The students will share this knowledge with the selected under-privileged community as a future plan of action.
