What is Generic Elective?

- ❖ Generic Elective (GE) courses are meant to provide **multidisciplinary** or **interdisciplinary** education to students.
- ❖ The GEs of a discipline are opted by students who do not study such discipline as a core discipline. For example, a student of B.Sc.(H) Computer Science may opt for GE of Mathematics or Physics discipline, but can't opt a GE of Computer Science discipline.
- ❖ GEs shall consist of a pool of courses offered by various disciplines of study from which a student can choose in every semester. This pool of courses consists of mandatory GE and other GE courses. The mandatory courses are necessary for a student to study who wishes to pursue a minor in that discipline that enables the student to take Master's degree in that discipline.
- ❖ The GEs specified in the framework would be identified by the concerned Department as GEs to be taught in a Program in a particular semester where each GE course contributes 4 credits.

Why One Should Study GE?

- ❖ It prepares individuals to tackle different challenges in an increasingly interconnected and complex world.
- ❖ A student pursuing a single core discipline program **B.Com (Hons.), B.A. (Hons.) Psychology, BMS, B.Sc. (Hons.) Physics, B.Sc. (Hons.) Mathematics, B.Sc. (Hons.) Electronics, B.Sc. (Hons.) Computer Science** may be awarded **Minor** in a discipline, on completion of Semester-VIII, if he/she earns minimum **28 credits** from seven GE courses of that discipline.
- ❖ A student pursuing a 3 core discipline program such as **B.Sc. (Prog.) Physical Sciences with Computer Science** and **B.Sc. (Prog.) Mathematical Sciences** will only be allowed to get a Minor degree in one of their core discipline through **DSCs** and **DSEs (not through GEs)**.

Why One Should Study GE?

- ❖ A minor in a discipline may qualify the student to pursue higher studies in that discipline.
- ❖ The students who wish to make himself/herself eligible to apply for a **post-graduate program in the University of Delhi** in the 'Minor' discipline (developed through the GEs of a discipline) only are required to study the **three mandatory GEs** identified for such discipline by the concerned Department. The details of the Mandatory Papers of various Disciplines are available on : <https://keshav.du.ac.in/storage/publish/nep/09082024-ec-Appendix-47.pdf>
- ❖ Students who do not plan to get a minor in a particular discipline may choose any of the courses from the pool of GEs to gain multidisciplinary perspectives.

Semester-wise Distribution of GE Courses

Semesters	DSC (Discipline Specific Core)	DSE (Discipline Specific Elective)	GE (Generic Elective)	AEC	SEC	IAPC	VAC	Total Credits
I & II	3 DSCs of 4 Credits Each (12 Credits)	None	Choose 1 from a pool of GE Courses (4 Credits)	Refer to UGCF2022 Curriculum Framework available at https://centenary.du.ac.in//userfiles/downloads/02032022_UGCF_compressed.pdf				22
III & IV	3 DSCs of 4 Credits Each (12 Credits)	Choose 1 from a pool of DSE Courses OR a pool of GE Courses (4 Credits)						22

Semester-wise Distribution of GE Courses Contd.

Semesters	DSC (Discipline Specific Core)	DSE (Discipline Specific Elective)	GE (Generic Elective)	AEC	SEC	IAPC	VAC	Total Credits
V & VI	3 DSCs of 4 Credits Each (12 Credits)	Choose 1 from a pool of DSE Courses (4 Credits)	Choose 1 from a pool of GE Courses (4 Credits)	Refer to UGCF2022 Curriculum Framework available at https://centenary.du.ac.in/userfiles/downloads/02032022 UGCF compressed.pdf				22
VII & VIII	1 DSC (4 Credits)	Choose 3 DSE Courses OR Choose 2 DSE & 1 GE Courses OR Choose one DSE & 2 GE Courses (12 Credits)						22

General Instructions

- ❖ The GE options chosen by a student should not be similar to any of the DSC/DSE papers mentioned in their respective undergraduate UGCF syllabi.
- ❖ The college will decide and offer a few GE courses each semester covering various disciplines.
- ❖ The minimum number of students in a class/section is **20**. The maximum number of students in a class/section is **60**. (as per Delhi University notification: No. Acad.I/Class size/2023/R-4425 dated 28th July 2023.)

General Instructions Contd.

- ❖ A student will not be allowed to choose GE of his/her parent department. For example,
 - A student of **B.Sc. (Hons.) Mathematics** cannot choose GEs offered by the **Mathematics** Department;
 - A student of **B.Sc. (Prog.) Physical Sciences with Computer Science** cannot choose GEs offered by the **Mathematics, Computer Science** and **Physics** Departments.
- ❖ The GE-1 option chosen by a student should not be similar to any of the DSC/DSE papers mentioned in their respective undergraduate UGCF syllabi. The student must also not choose a GE-1 option which is similar in nomenclature to any of the VAC/SEC papers chosen by the student in the current Semester.

List of GE-1 Courses for Aug-Dec 2024

The students are informed to choose the **GE-1** options as per the following table.

		Undergraduate Programs									
Sl. No.	GE-1 Courses Offered	Department Offering the Course	B.A. (Hons.) Psychology	B.Com (Hons.)	B.Sc. (Hons.) Computer Science	B.Sc. (Hons.) Electronics	B.Sc. (Hons.) Mathematics	B.Sc. (Hons.) Physics	B.Sc. (Prog.) Mathematical Science	B.Sc. (Prog.) Physical Science with Computer Science	Bachelor of Management Studies

Instructions to fill GE-1 Form

- ❖ The college will open a GE-1 Google option form (on **Thursday, 5th September 2024, at 10:00 am**) asking 6 preferences.
- ❖ All students of Semester-1 are supposed to fill it by due date (**Friday, 13th September 2024, 5:00 pm**).
- ❖ The GE-1 course will be allotted as per the preferences (on **first come first get** basis).
- ❖ The student will not be permitted to change the options/preferences once submitted under any circumstances.

"Only Knowledge can provide salvation"

Instructions to fill GE-1 Form Contd.

- ❖ Students who will not abide by the deadline of filling the GE-1 option form, will be allotted GE-1 by the college as per the availability.
- ❖ The students are required to fill the GE-1 option form using the mail id that was given in the Common Seat Allocation System (UG) – 2024 (CSAS-UG) Application.
- ❖ **GE-1 course once allotted will not be changed under any circumstances.**

GE-1 Google Option Form

The GE-1 Google option form will open at **10:00 am, 5th September, 2024.**

The deadline to fill the **GE-1** option form is **5:00 pm, 13th September 2024.**

Link to the Google Form:

<https://forms.gle/rDKqRAkPxbQ3dVuw5>

GE-1 Notice will be available on the College website which will contain all the instructions, list of GE-1 courses, and the link to the Google Form.

Option Form for Generic Elective - 1 (GE-1) Aug 2024

Instructions for Generic Elective - 1 (GE - 1) Option Form 2024-25

Please read the instructions given below carefully before filling the Option Form for Generic Elective-1 (GE-1) Paper.

A student taking admission in any undergraduate program from 2022 onwards in Delhi University is required to study a Generic Elective (GE) paper in the 1st semester and upcoming semesters. Generic Electives are a pool of courses meant to provide multidisciplinary or interdisciplinary education to students. These courses are offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose.

1. GE-1 course is compulsory for all the first semester students. The student must read the Delhi University undergraduate curriculum framework 2022 (UGCF 2022) carefully before filling the option form. The same is available at: https://centenary.du.ac.in/userfiles/downloads/02032022_UGCF_compressed.pdf

2. Students pursuing **single core discipline** programs (B.Com (Hons.), B.A. (Hons.) Psychology, BMS, B.Sc. (Hons.) Physics, B.Sc. (Hons.) Mathematics, B.Sc. (Hons.) Electronics, B.Sc. (Hons.) Computer Science) may be awarded Minor in a discipline, on completion of VIII Semesters, if they earn **minimum 28 credits from seven GE papers** of that specific discipline.

3. A student pursuing a **single core discipline** and who wishes to make himself/herself eligible to apply for a post-graduate programme in the University of Delhi in the 'Minor' discipline (developed through the GEs of a discipline) only, are required to study the three mandatory GEs identified for such discipline by the concerned Department. The details of the Mandatory Papers of various Disciplines are available on: <https://keshav.du.ac.in/storage/publish/nep/09082024-ec-Appendix-47.pdf>

4. A student pursuing a **three core discipline** program (B.Sc. (Prog.) Physical Sciences with Computer Science and B.Sc. (Prog.) Mathematical Sciences) will only be allowed to get a Minor degree in one of their core disciplines through Discipline Specific Core (DSCs) and Discipline Specific Elective (DSEs), not through GEs. However, they shall study GEs as per UGCF-2022 curriculum.

5. The student must fill all the preferences for **GE-1** papers offered by the college carefully as the **GE-1** paper will be allotted as per the preferences (**on first come first get basis**).

6. College reserves the right to allocate **GE-1** option to the students other than the first preference.

7. The student will not be permitted to change the options/preferences once submitted under any circumstances.

8. a) The minimum number of students in a class/section is 20. The maximum number of students in a class/section is 60.

b) Any **GE-1** paper, which is opted by **less than 20** students shall not be offered in the upcoming semester as per Delhi University Notification No. Acad./I/Class size/2023/R-4425 dated 28th July 2023.

9. Students who will not abide by the deadline of filling the **GE-1** option form, will be allotted **GE-1** by the college as per the availability of courses.

10. The students are required to fill the **GE-1** option form using the mail id that was given in the Common Seat Allocation System (UG) – 2024 (CSAS-UG) Application.

11. The students will be allotted the best possible preference on "First Come First Get" basis. **GE-1** paper once allotted will not be changed under any circumstances.

12. The **GE-1** option chosen by a student should not be similar to any of the **DSC/DSE** papers mentioned in their respective undergraduate UGCF syllabi. The student must also not choose a **GE-1** option which is similar in nomenclature to any of the **VAC/SEC** papers chosen by the student in the current semester.

You are strongly advised to go through the Undergraduate Curriculum Framework 2022 and the syllabus of the **GE-1** courses that you opt in the form.
