Please read the instructions given below carefully before filling the Option Form for **Generic Elective-1 (GE-1)** Paper:

A student taking admission in any undergraduate program from 2022 onwards in Delhi University is required to study a Generic Elective (GE) paper in the 1ˢᵗ semester and upcoming semesters. Generic Electives are a pool of courses meant to provide multidisciplinary or interdisciplinary education to students. These courses are offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose.

1. GE-1 course is compulsory for all the first semester students. The student must read the Delhi University undergraduate curriculum framework 2022 (UGCF 2022) carefully before filling the option form. The same is available at : https://centenary.du.ac.in//userfiles/downloads/02032022_UGCF_compressed.pdf

2. Students pursuing **single core discipline** programs (*B.Com (Hons.), B.A. (Hons.) Psychology, BMS, B.Sc. (Hons.) Physics, B.Sc. (Hons.) Mathematics, B.Sc. (Hons.) Electronics, B.Sc. (Hons.) Computer Science*) may be awarded Minor in a discipline, on completion of VIII Semesters, if they **earn minimum 28 credits from seven GE papers** of that specific discipline.

3. A student pursuing a single core discipline and who wishes to make himself/herself eligible to apply for a post-graduate programme in the University of Delhi in the 'Minor' discipline (developed through the GEs of a discipline) only, are required to study the three mandatory GEs identified for such discipline by the concerned Department. The details of the Mandatory Papers of various Disciplines are available on: https://keshav.du.ac.in/storage/publish/nep/09082024-ec-Appendix-47.pdf

4. A student pursuing a **three core discipline** program (*B.Sc. (Prog.) Physical Sciences with Computer Science and B.Sc. (Prog.) Mathematical Sciences*) will only be allowed to get a Minor degree in one of their core disciplines through Discipline Specific Core (DSCs) and Discipline Specific Elective (DSEs), not through GEs. However, they shall study GEs as per UGCF-2022 curriculum.

5. The student must fill all the preferences for **GE-1** papers offered by the college carefully as the **GE-1** paper will be allotted as per the preferences **(on first come first get basis).**

6. College reserves the right to allocate **GE-1** option to the students other than the first preference.

7. The **student will not be permitted to change the options/preferences** once submitted under any circumstances.

8. a) The minimum number of students in a class/section is 20. The maximum number of students in a class/section is 60.
   b) Any **GE-1** paper, which is opted by **less than 20** students shall not be offered in the upcoming semester as per Delhi University Notification No. Acad.I/Class size/2023/R-4425 dated 28ᵗʰ July 2023.

9. Students **who will not abide by the deadline of filling the GE-1 option form, will be allotted GE-1 by the college** as per the availability of courses.

10. The students are required to **fill the GE-1 option form using the mail id that was given** in the Common Seat Allocation System (UG) – 2024 (CSAS-UG) Application.

11. The students will be allotted the best possible preference on "**First Come First Get**" basis. **GE-1** paper once allotted will not be changed under any circumstances.

12. The **GE-1** option chosen by a student **should not be similar to any of the DSC/DSE papers** mentioned in their respective undergraduate UGCF syllabi. The student must also not choose a **GE-1** option which is similar in nomenclature to any of the VAC/SEC papers chosen by the student in the current semester.

You are strongly advised to go through the Undergraduate Curriculum Framework 2022 and the syllabus of the GE-1 courses that you opt in the form.
