

Keshav Mahavidyalaya

Notice

The students of **5th Semester** who have not filled the **GE-6 Google Option Form (list attached)** are informed that the GE-6 form will be available from **9:00 AM, 7th December 2024 till 5:00 PM, 9th December 2024.**

Students are required to read the instructions properly before filling the Google form. The list of available **GE-6** options and instructions are enclosed.

The Google option form for **all the undergraduate programs (except BMS)** is available at the following link:

<https://forms.gle/3EicAmbU3mV7zoJLA>

The Google option form for the **students of BMS** is available at the following link:

<https://forms.gle/mmFTEomJnBBFrY1m9>

(The **students of BMS** are informed to fill the Google option form **once only** using their personal gmail id, and any repeated submissions would not be taken into consideration.)

Instructions for Generic Elective - 6 (GE-6) Option Form 2024-25

Please read the instructions given below carefully before filling the Option Form for **Generic Elective-6 (GE-6) Paper**:

A student taking admission in any undergraduate course from 2022 onwards in Delhi University is required to study a Generic Elective (GE) paper in the 1st semester and upcoming semesters. Generic Electives are a pool of courses meant to provide multidisciplinary or interdisciplinary education to students. These courses are offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose.

1. A student may be awarded Minor in a discipline, on completion of VIII Semesters, if he/she **earns minimum 28 credits from seven GE papers** of that discipline.
2. The student must read the Delhi University undergraduate curriculum framework 2022 (UGCF 2022) carefully before filling the option form. The same is available at : https://centenary.du.ac.in//userfiles/downloads/02032022_UGCF_compressed.pdf
3. The student must fill all the preferences for **GE-6** papers offered by the college carefully.
4. The **GE-6** would be allotted on the basis of the number of times a student has studied GEs of a particular discipline in previous semesters as well as on **first-come first-get** and in order of preference given by the student.
5. College reserves the right to allocate **GE-6** option to the students other than the first preference.
6. The **student will not be permitted to change the options/preferences** once submitted under any circumstances.
7. a) The minimum number of students in a class/section is 20. The maximum number of students in a class/section is 60.
b) Any **GE-6** paper, which is opted by **less than 20** students shall not be offered in the upcoming semester as per Delhi University Notification No. Acad.I/Class size/2023/R-4425 dated 28th July 2023.
8. Students **who will not abide by the deadline of filling the GE-6 option form, will be allotted GE-6 by the college** as per the availability.
9. The students (except BMS) are required to **fill the GE-6 option form using the official college mail id** only.
10. **GE-6** paper once allotted will not be changed under any circumstances.
11. The **GE-6** option chosen by a student **should not be similar to any of the DSC/DSE papers** mentioned in their respective undergraduate UGCF syllabi. The student must also not choose a **GE-6** option which is similar in nomenclature to any of the VAC/SEC papers studied by the student in any of the previous semesters.
12. As per the Undergraduate Curriculum Framework – 2022 (available at https://centenary.du.ac.in//userfiles/downloads/02032022_UGCF_compressed.pdf), it is compulsory for students to choose a **GE-6** from a pool of **GE-6** courses.
You are strongly advised to go through the Undergraduate Curriculum Framework 2022 available on the above link.

The **GE-6** options available are as follows.

S. No.	GE-6 Course	Department Offering the GE-6
1.	Industrial Relations and Labour Laws	Commerce
2.	Business Research Methodology	Commerce
3.	Principles of Macroeconomics 2 Prerequisite: GE-2 Principles of Macroeconomics 1	Economics
4.	Data Structures * Prerequisite: Programming using C++/Programming using Python	Computer Science
5.	Fundamentals of Human Resource Management *	Management Studies
6.	Introduction to Mathematical Modelling Prerequisite: GE-3 Differential Equations	Mathematics

* Mandatory paper

The students are informed to choose the **GE-6** options as per the following table.

			Undergraduate Programs
