

# दिल्ली विश्वविद्यालय UNIVERSITY OF DELHI

## NOTIFICATION

No. VAC/2024/316

25<sup>th</sup> July, 2024

It has come to our attention that colleges are scheduling two classes of Value Addition Courses in immediate succession, which is detrimental to the learning experience of students. In light of this, it is advised that the value addition course schedule should not include two consecutive theory/practical classes. Colleges should not allocate more than two hours per day for Value Addition Courses. These instructions must be adhered to meticulously.

This is issued with the approval of Competent Authority.

Chairman

Value Addition Courses Committee
