From Principal's Desk

It is my privilege to address you as the Acting Principal of Keshav Mahavidyalaya, a premier constituent college of the University of Delhi. Our institution stands as a distinguished symbol of academic rigor and comprehensive student development. This commitment to maintaining the highest benchmarks of educational and institutional integrity is underscored by our NAAC "A" grade accreditation in the second cycle and our position among the top 100 national institutions, ranking 95th in the NIRF framework.

Our educational roadmap is anchored in a multidisciplinary strategy that effectively bridges foundational scholarship with practical, real-world utility. We operate under the firm conviction that true education must extend beyond basic instruction to achieve meaningful transformation—equipping students with the intellectual capacity and ethical strength necessary to thrive in an increasingly complex and evolving global landscape. Our institutional priority focuses on nurturing well-rounded graduates who are socially conscious, empathetic, and prepared for future leadership roles.

This developmental journey is fully optimized with modern assets such as WiFi enabled campus, fully air-conditioned laboratories, a contemporary air-conditioned auditorium, an open-air amphitheatre, a fully automated library comprising of a large air-conditioned reading room, and a technologically equipped seminar hall. Beyond the classroom, co-curricular and extracurricular programs serve as core pillars of our vibrant campus life. Students are actively encouraged to diversify their experiences through sports, debating, photography, performing and visual arts, and civic engagement via the National Service Scheme (NSS). For mental health and wellbeing of the students, a counsellor visits the college twice a week. Furthermore, our specialized student-led societies and institutional cells—including the Environment Club, Women Development Cell, Equal Opportunity Cell, and Placement Cell—play a critical role in fostering workplace readiness, social equity, and a strong sense of civic responsibility. The college also provides various other facilities including medical room, cafeteria, ATM, photocopy, and mother dairy booth. The college has fully WiFi enabled girl's hostel with modern infrastructure sprawling over an area of 2 acres providing accommodation for 84 girl students.

As we commence this new academic session, I extend a formal and warm welcome to our incoming batch of students. I am fully confident that your time at Keshav Mahavidyalaya will be defined by profound learning, significant personal advancement, and a proud alignment with our institutional family. In steering this college forward, we remain dedicated to the guiding philosophy articulated by our former President, Dr. A. P. J. Abdul Kalam:

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great."

1. College Profile

Keshav Mahavidyalaya is a constituent off-campus college of the University of Delhi, founded in 1994 under the auspices of the Govt. of NCT of Delhi. Guided by our motto, "Only Knowledge can provide salvation", we embarked on our journey with a singular mission: to nurture young minds across diverse disciplines, empowering them to realize their fullest potential. Celebrating 29 years of excellence, Keshav Mahavidyalaya has established a distinguished reputation in both academics and co-curricular activities. Our 'Keshavites' are making significant contributions across various spheres of life globally.

Nestled in a serene 10-acre green campus, our facilities are second to none. From air-conditioned auditoriums to E-enabled lecture theatres and well-equipped air-conditioned laboratories, every corner is designed to foster holistic learning. Our library, medical room, cafeteria, sports facilities, and ICT-enabled classrooms ensure a conducive environment for academic and personal growth. Our commitment extends to providing residential facilities that cater to diverse needs. With a spacious girls' hostel accommodating 78 students in twin/triple sharing rooms and a newly added wing for international female students, we strive to meet every student's cultural and academic aspirations.

Under the progressive NEP 2020, we offer nine undergraduate programs spanning Science, Commerce, Management Studies, Psychology, and Computer Science, alongside short-term courses in Foreign Languages. Our faculty of over 100 eminent members and dedicated non-teaching staff ensure a supportive environment for learning and growth.

Furthermore, as a proud center of the Non-Collegiate Women's Education Board (NCWEB) of the University of Delhi, we address the educational aspirations of female students who seek flexible learning opportunities.

At Keshav Mahavidyalaya, we are committed to continuous improvement, facilitated by our Internal Quality Assurance Cell (IQAC). This ensures equitable access to academic excellence and fosters a learner-centric environment that upholds our commitment to quality education. Keshav Mahavidyalaya is a space, where knowledge transforms into empowerment, and every student's journey is nurtured towards excellence.

2. Undergraduate Curriculum Framework (UGCF)

The Undergraduate Curriculum Framework (UGCF) is meant to bring about systemic change in the higher education system in the University and align itself with the National Education Policy 2020 (NEP-2020). To actualize the noble objective, as succinctly brought out in NEP-2020, the University of Delhi has endeavored to explore the possibility of further restructuring and refining of its undergraduate curriculum framework. All such efforts will be in line with the objective and underlying philosophy of NEP-2020 which is to capture the imagination of the youth of our nation and depict the contemporary realities of our demographic advantage globally. The following objectives of NEP are kept in perspective while framing UGCF:

- to promote the holistic development of students having the world view of a truly global citizen;
- to provide flexibility to students so that learners can choose their learning trajectories and programs, and thereby choose their paths in life according to their talents and interests;
- to eliminate harmful hierarchies among disciplines/fields of study and silos between different areas of learning; multidisciplinary and holistic education to ensure the unity and integrity of all knowledge;
- to promote creativity and critical thinking and to encourage logical decision-making and innovation;
- to promote ethical, human and constitutional values;
- to promote multilingualism and the power of language in learning and teaching;
- to impart life skills such as communication, cooperation, teamwork, and resilience;
- to promote research as a corequisite for outstanding education and development;
- to incorporate Indian Knowledge System relevant for a particular discipline or field of studies.

2.1. Qualification Type and Credits Requirements

“Qualifications are formal ‘awards’ such as a certificate, diploma or a degree that are awarded by a competent authority such as a college or university in recognition of the attainment of the expected learning outcomes on the successful completion of a particular programme of study. They are awarded after an assessment and evaluation of learning levels conducted by a competent body that determines the achievement by students of the expected learning outcomes to given standards.” A student who exits at the end of any even semesters has to earn the requisite credits (stated in Table - 3) in order to be awarded the relevant certificate/diploma/degree. The qualification title/nomenclature and corresponding credit requirements relevant for Level 5 to Level 8 of the undergraduate programmes are clearly stated in Table-1 below.

Table – 1
Qualification Type and Credit Requirements*

NHEQF Level	Qualification Title/Nomenclature	Credit Requirement
Level 5	UG Certificate in the field of learning/discipline for those who exit after successful completion of Semester II. (Programme duration: 2 semesters of the undergraduate programme)	44
Level 6	UG Diploma in the field of learning/discipline for those who, exit. after successful completion of Semester IV. (Programme duration: 4 semesters of the Undergraduate programme)	88
Level 7	Bachelor's Degree (Honours) for those who opt for single discipline core courses and exit after successful completion of Semester VI. (Programme duration: 6 semesters)	132
Level 7	Bachelor's Degree for those who opt for core courses of more than one discipline and exit after successful completion of Semester VI. (Programme duration: 6 semesters)	132
Level 7	Bachelor of Vocation (B.Voc.) (Programme duration: 6 semesters).	132
Level 8	Bachelor's Degree (Honours with Research/Academic Project/Entrepreneurship) for those who opt for single discipline core courses and exit after successful completion of Semester VIII. (Programme duration: 8 semesters)	176
Level 8	Appropriate Bachelor's Degree (Honours) for those who opt for core courses of more than one discipline and exit after successful completion of Semester VIII. (Programme duration: 8 semesters)	176

2.2. Structure of UGCF

The UGCF is a structure for four-year undergraduate programmes in different disciplines with multiple exit options. The details of the structure of a single core discipline program are provided below in Table-2. The only difference for students pursuing multidisciplinary studies in three core disciplines is that they shall study 1 core (DSC) course each of the 3 disciplines in each of the semesters I to VI (i.e. 3 DSCs in each semester). In semesters VII & VIII, they may opt for 1 DSC course of a core discipline in which they may pursue a major degree. They are also given an option of choosing a coursework of 6 credits (an additional DSE of 4 credits + a skill-based course / workshop / specialized laboratory / hands on learning of 2 credits) in place of Dissertation / Academic Project / Entrepreneurship in the fourth year.

There shall be choice in III and IV Semesters to choose either one 'SEC' or in the alternative 'Internship/Apprenticeship/Project/Community Outreach' in each Semester for two credits each.

** There shall be choice in Semester III and IV to either choose a DSE or a GE.

*** There shall be choice in V and VI Semesters to choose either one 'SEC' or in the alternative 'Internship/Apprenticeship/Project/Research/Community Outreach' in each Semester for two credits each.

There shall be four choices in VII and VIII Semesters –

- i. to choose three DSEs of 4 credits each OR
- ii. to choose two DSEs and one GE of 4 credits each OR
- iii. to choose one DSE and two GEs of 4 credits each.

^ 'Research Methodology' shall be offered as one of the DSE courses in VI and VII Semesters.

Students can opt for it either in VI semester or VII semester. However, a student pursuing multidisciplinary studies in three core disciplines shall have to choose research methodology in VI semester, if she/he wishes to Major in one of the three disciplines in the fourth year.

Suppose a student wishes to study the Research Methodology course offered by another discipline (as one of its DSEs). In that case, he/she may opt for it provided such discipline is his minor discipline. The Research Methodology of another discipline so opted shall be treated as GE for him/her. A DSE of another department shall be considered as GE for the student.

2.3 Points to Note

- Entry level eligibility:** The general feeder category for entry into Level 5 is the Secondary School Leaving Certificate obtained after successfully completing Grade 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the entrance requirements, including specified levels of attainment at the secondary level of education mentioned in the programme admission regulations. Admission to the Bachelor degree programme of study is based on the evaluation of documentary evidence (including the academic record) of the applicant's ability to undertake and complete a Bachelor's degree programme which is specified in the UGC Guidelines for Multiple Entry and Exit Scheme in Academic Programmes Offered in Higher Education.
- Number of hours of a credit course shall be defined by its component of lecture, tutorial and practical.
- Every student has to study "Environmental Science and Sustainable Development" courses I and II of two credits each in the first year (I/II semester) and the second year (III/IV semester), respectively. The AEC pool will also consist of credit courses in languages listed in the Eighth Schedule of the Constitution of India, as updated from time to time. The University of Delhi shall extend necessary support to those Colleges (where faculty is not available) which may require it in course of teaching learning in these languages.
- Design of degrees: Students shall be able to design their own degrees according to their mission and aspiration for a future befitting to their ability and attainment, rather than following the conventional pathway.
- A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B. Com (Hons.), B.Sc. (Hons.) Physics and such other Programmes] will earn at least 80 credits in that discipline (from 18 DSCs and at least 2 DSEs of that discipline) and shall be awarded Honours degree in that discipline, if he/she exits after completion of VI semester.
- A student who pursues three years undergraduate degree programme in more than one discipline as core courses of study (for example B.Sc. (Prog.) Physical Sciences with Computer Science and B.Sc. (Prog.) Mathematical Sciences) he/she shall be awarded

Bachelor's degree in that field of multidisciplinary course of study, if he/she exits after completion of VI semester.

- 7 If a student wishes to pursue four years Honours Degree with research, he/she shall compulsorily opt for a Research Methodology course in either VI Semester or VII Semester as DSE.
- 8 Dissertation/Academic Project/Entrepreneurship in the 4th year shall commence from VII semester and conclude in VIII semester. Detailed outcomes of each track chosen out of these three options shall be notified and assessment at the end of VII and VIII semesters shall be done accordingly.
- 9 Dissertation may be written in the Major or Minor or Interdisciplinary (combination of Major and Minor) discipline.
- 10 If a student mentioned at (6) above continues or re-enters the fourth year for pursuing an Honours degree in that field of multidisciplinary study, he/she has to choose only one of the disciplines he/she had studied as core courses of study in the previous six semesters and earn credits from the 2 DSCs and 6 DSEs of that chosen discipline in the VII and VIII semesters and write dissertation or opt for Academic Project or Entrepreneurship.
- 11 If a student mentioned at (5) above, continues or re-enters to study the VII and VIII semesters in the same discipline, and writes dissertation mentioned at (9) above, but no Minor discipline is made out (i.e., credits earned in the GEs of any one discipline is less than 28 credits), then he/she shall be awarded 'Honours with Research' with Major in that discipline on successful completion of VIII Semester.
- 12 A student mentioned at (6) above, shall be awarded 'Honours' degree in that field of multidisciplinary study on successful completion of VIII semester. For example, B.Sc. (Hons.) Physical Sciences, B.Sc. (Hons.) Mathematical Sciences. Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(3)(b) and III(5)(b), respectively. For instance, a student who pursues four years B.Sc. (Prog.) Mathematical Sciences with Mathematics, Operations Research and Computer Science as core courses, shall get Major in Mathematics, on successful

completion of VIII semester, if he/she earns minimum 80 credits in Mathematics from 8 DSCs and at least 9 DSEs of Mathematics and writes dissertation on a topic related to Mathematics. Such a student shall get a Minor in Operations Research/Computer Science, if he/she earns minimum 28 credits from 6 DSCs and 1 DSE of Operations Research/Computer Science.

- 13 Only a student mentioned at (5) above who opts to write a dissertation in the Major/Minor subject in VII and VIII semesters in the fourth year, shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Research) in Discipline'. For instance, a student who pursues B.Sc. (Honours) in Physics and writes a dissertation on a topic relating to Physics or the Minor in VII and VIII semesters, shall be awarded 'Bachelor of Science (Honours with Research) Physics. Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(3)(a) and III(5)(a), respectively.
- 14 A student mentioned at (6) above can also opt for a coursework of 6 credits (an additional DSE of 4 credits + a skill-based course / workshop / specialized laboratory / hands on learning of 2 credits) in place of Dissertation / Academic Project / Entrepreneurship in each semester in the fourth year.
- 15 A student who opts for 'Academic Project' or 'Entrepreneurship' in VII and VIII semesters, instead of writing dissertations, and has earned 28 credits in the relevant GEs, SECs, AECs & IAPC, shall be awarded Minor in Academic Project or Entrepreneurship, as the case may be. 'Bachelor of Field of Study / Discipline (Honours with Academic Project / Entrepreneurship) in Discipline (Major) & Academic Project / Entrepreneurship Minor'. If he/she is unable to earn the requisite 28 credits, he/she shall be awarded 'Bachelor of Field of Study / Discipline (Honours with Academic Project / Entrepreneurship) in Discipline (Major).
- 16 A student who pursues four-year undergraduate degree programme shall be awarded after completion of the VIII semester an appropriate degree.
- 17 **Exit Options:** The minimum credit to be earned by a student per semester is 18 credits and the maximum is 26 credits. However, students are advised to earn 22 credits per semester. This provision is meant to provide students the comfort of the flexibility of semester-wise academic load and to learn at his/her own pace. However, the mandatory number of credits have to be secured for the purpose of award of Undergraduate Certificate/ Undergraduate Diploma/ Appropriate Bachelor's Degree in the field of Study/Discipline, to a student who chooses to exit at the end of even semesters (details provided in Table - 3).
- 18 The course title, code, number of credits, components of lecture, tutorial and practical, prerequisites to be fulfilled for choosing that course and the department offering the course shall be spelt out for each course. A student should fulfil the pre-requisites of a course to be able to opt it for study.

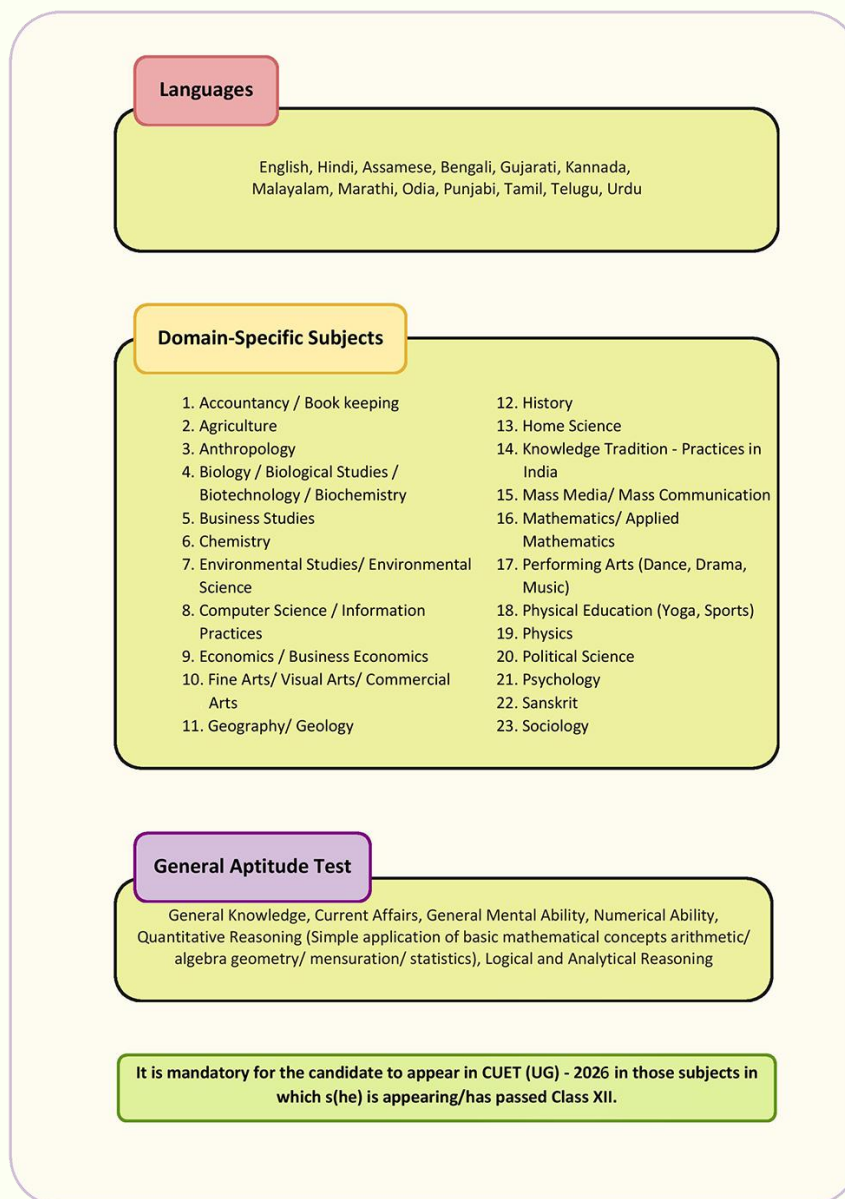

Table – 3

Sl. No.	Type of Award	Stage of Exit	Mandatory Credits to be Secured for the Award
1	Undergraduate Certificate in the field of Study/Discipline	After successful completion of Semester II	44
2	Undergraduate Diploma in the field of Study/Discipline	After successful completion of Semester IV	88
3	Bachelor of (Field of Study) (Honours) Discipline (for single core discipline course of study)	After successful completion of Semester VI	132
4	Bachelor of (Field of Multidisciplinary courses of Study) (for multiple core disciplines courses of study)	After successful completion of Semester VI	132
5	Bachelor of (Field of Study/ Discipline) (Honours with Research / Academic Projects / Entrepreneurship) Discipline (for single core discipline course of study)	After successful completion of Semester VIII	176
6	Bachelor of (Field of Multidisciplinary courses of Study) (Honours)	After successful completion of Semester VIII	176

3. Admission Process to UG Programs

3.1. Structure of Common University Entrance Test (UG) - 2026

General Aptitude Test is considered for admission in numerous programmes in the University of Delhi. Candidate must refer to Programme Specific Eligibilities for details.

Candidate must appear in **at least one Language**. Candidate must appear in the Language s(he) has studied in Class XII.

Candidate must refer to the Programme Specific Eligibility to choose the Domain Specific subjects in which s(he) should appear in CUET (UG) - 2026

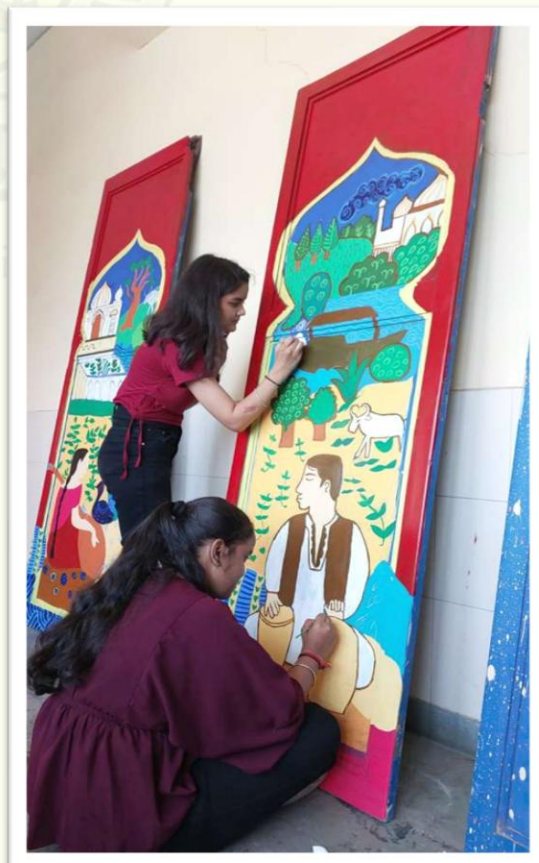

3.2. Common Seat Allocation System (CSAS)

- Admitting students through UoD's online platform Common Seat Allocation System (CSAS) (UG) - 2026 is binding on all Colleges / Departments / Centre of University of Delhi. Admission to all UG Programs is done on the basis of the eligibility requirements, criteria and procedures specified by the University on its website, Under-Graduate Bulletin of Information-2026 (UG-BOI) and Common Seat Allocation System (Undergraduate)-2026 (CSAS(UG)-2026).

3.3. Important Points

- Admissions to all Undergraduate Programs at the University of Delhi will be based on the scores obtained in CUET (UG) - 2026, except for admissions to the School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and for Foreign Nationals.
- An eligible candidate desirous of seeking admission to the Undergraduate Program(s) of the University of Delhi for the academic session 2026-27 must read the contents of this Bulletin of Information (BOI) 2026-27, as well as the notifications, updates and information published on the admission website of the University of Delhi very carefully.
- The candidate must have studied and passed Class XII examination or its equivalent from a single recognized board.
- The candidate must have studied and passed Class XII examination of any Board / university in India, or any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
- For admission to University of Delhi, it is mandatory for the candidate to appear in CUET (UG) - 2026 in those subjects in which s(he) is appearing/has passed Class XII.
- In case the subject studied at Class XII is not mentioned in the CUET (UG) - 2026, the candidate must appear in the Language/Domain Specific subject that is similar/closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, s(he) must appear in Biology in CUET (UG) - 2026). For establishing similarity of CUET (UG) subjects with subjects taken in Class XII, at least 50% of the syllabus should match. The University reserves the right for establishing the similarity. The decision of the University in this regard shall be final and binding.
- Allocation and admission will be based only on the combination of Language/s, Domain Specific Subjects and/or General Aptitude Test (GAT) in which a candidate has appeared in CUET (UG) – 2026 as per the respective Programme-Specific Eligibility. For list of CUET papers and syllabus, refer to website of NTA (<https://cuet.nta.nic.in>)
- Only the scores obtained in CUET (UG) - 2026 will be considered for admissions to the academic year 2026-27.
- The candidate must read the Program Specific requirements carefully and then appear in Language and/ or Domain Specific Subjects of the CUET (UG) - 2026.

- The candidate is advised to check that s(he) satisfies all eligibility criteria for the Program(s) for which s(he) is appearing in CUET (UG) - 2026. Admission is subject to the candidate fulfilling the eligibility requirements prescribed for applying to the concerned program of study. In case a candidate does not meet any eligibility criteria prescribed for applying to the concerned program and appears in the entrance test, it is at the candidate's own risk and cost. If at any stage, it is found that eligibility requirements are not fulfilled, the admission, if granted, shall be cancelled ipso facto.
- Grievance related to non-appearance in CUET (UG) - 2026 or the required Language, Domain Specific subjects and/or General Test will not be entertained.
- Before registering for CUET (UG) - 2026, the candidate is advised to carefully read the Bulletin of Information (BOI) 2026-27 and consult the University of Delhi Act, 1922 and the Statutes. The Ordinances, Rules and Regulations of the University of Delhi, available on the University website, would be binding on them.
- Candidates must be careful while filling the CUET (UG)-2026 form as certain fields such as Name, signature and photograph of the candidate will be later auto-integrated by University of Delhi from CUET (UG) - 2026. These fields will be non-editable.
- The name of the candidate claiming reservation must match with the Candidate's name as it appears on their corresponding School Board qualifying certificates and in CUET (UG)-2026. Similarly, the parents' names must also match in the certificates.
- All certificates/documents must be in the name of the candidate at the time of registration and admission.
- As per Ordinance-I of University of Delhi, there is no minimum age bar for admission to the undergraduate programs in the University and its colleges except in the programs where the respective regulatory bodies, such as Medical Council of India (MCI), All India Council for Technical Education (AICTE), Bar Council of India (BCI), National Council for Teacher Education (NCTE), Dental Council of India (DCI), etc. have prescribed the minimum age requirement in their regulations.
- Gap year will not be a bar for purpose of admission to undergraduate programs. However, such candidates must also appear in CUET (UG) - 2026 for admissions in academic year 2026-27.
- Appropriate proration in CUET (UG) - 2026 scores will be done wherever required (including supernumerary quota).

3.4. Disclaimer

- The University of Delhi reserves the right to revise, amend, update, or delete any part of the bulletin without prior notice. Any change so made shall be updated on the UG Admission website (admission.uod.ac.in) and it shall become effective from the date it is posted on the admission website.
- Candidates are responsible for regularly checking the websites and admission portals of NTA and the University of Delhi for updates related to CUET (UG) - 2026 and admission-related policies. Grievances resulting from not having consulted this bulletin and the website/s will not be entertained.
- The Bulletin of Information is a compendium of inputs assembled and collated from NTA and various Faculties, Departments, Centres, Colleges, other institutions of University of Delhi and related sources. Due care has been taken to reproduce the authentic, official version of rules and regulations and additional relevant information in the bulletin as far as possible. 4. Eligibility Requirements for UG Admissions

4.1. Common Minimum Eligibility

The candidate must have passed the Class XII or its equivalent examination from a single recognized board.

For the purpose of ascertaining the Minimum Eligibility, the marksheet / degree of only one board will be considered. (For example, if a candidate has appeared in CBSE Board Examination with five subjects except for Mathematics and later appears and passes Mathematics from another board such as the National Institute of Open Schooling (NIOS), the minimum eligibility shall be ascertained from his/her mark sheet issued by CBSE only)

4.2. Programme Specific Eligibility

Candidate must refer to the Programme-Specific Eligibility to choose the subjects in which s(he) should appear in CUET (UG) – 2026.

It is mandatory for the candidates to appear in CUET(UG) - 2026 in those subjects in which s(he) is appearing/ has passed Class XII. For the purpose of ascertaining Programme Specific Eligibility and for mapping the CUET subject(s) with Class XII subject(s), marksheet of more than one recognized board may be considered provided the candidate has passed those subjects in Class XII.

List of Languages (List A) and Domain Specific Subjects (List B) to be chosen in CUET (UG) - 2026 for admission to Undergraduate Programmes of the University of Delhi are given in the following tables.

List A: Languages				
Assamese	Gujarati	Malayalam	Punjabi	Telugu
Bengali	Hindi	Marathi	Sanskrit	Urdu
English	Kannada	Odiya	Tamil	

Candidate must appear in at least one language. Candidate must appear in the language [s]he has studied in Class XII.

List B: Domain Specific Subjects			
1	Accountancy	12	History
2	Agriculture	13	Home Science
3	Anthropology	14	Knowledge Tradition and Practices of India
4	Biology / Biological Studies / Biotechnology / Biochemistry	15	Mass Media / Mass Communication
5	Business Studies	16	Mathematics / Applied Mathematics
6	Chemistry	17	Performing Arts (Dance, Drama, Music)
7	Computer Science / Informatics Practices	18	Physical Education (Yoga, Sports)

5. UG Programmes and Courses Offered by the College

5.1. Undergraduate Programmes and Programme Specific Eligibility

B. Com. (Hons.)

B.Com. (Hons.) programme of the University of Delhi is designed to enable and empower students to acquire knowledge, skills and abilities to analyse and synthesize the contemporary realities pertaining to the business. This programme provides for maintaining and sustaining existing businesses in the face of the winds of change and competition and a desperately needed perspective of sustainable growth. This programme aims to in still conceptual understanding to equip students to deal with today's business realities and prepare them to drive and face the challenge of tomorrow. It also exposes the students to the world of technology and digitization in the relevant field as envisaged by scholars and policy makers. As mandated by the Government of India, this course is designed to help cultivate an entrepreneurial mindset and skills.

Programme Specific Eligibility for B. Com. (Hons.)

Candidates must appear in CUET in either of the following 2 subject combinations:

Combination I: Any one Language from List A + Mathematics / Applied Mathematics + Any two subjects from List B

Combination II: Any one Language from List A + Accountancy / Book Keeping + Any two subjects from List B

Merit will be based on the best CUET scores obtained from any of the above-mentioned combinations of subjects.

B. Sc. (Hons.) Computer Science

The B.Sc. (Hons.) Computer Science curriculum offers to develop theoretical foundations in computer science to build computational thinking, analytical, and problem-solving skills. The programme prepares the students for higher studies in Computer Science and its applications. The course aims to produce skilled graduates with a creative mindset who can recognize a

computational problem either in IT industry or society and develop effective solutions. In addition, the students develop expertise in programming skills using contemporary programming languages used by the software industry. It covers core computer science topics like computer systems architecture, data structures, computer networks, operating systems, computer graphics, algorithms, software engineering, database management, theory of computation, artificial intelligence, and information security.

B. Sc. (Hons.) Electronics

It is mandatory for the candidates to appear in CUET (UG) - 2026 in those subjects in which s(he) is appearing/has passed Class XII. In recent years, Electronic Science has made unprecedented growth in new technologies, new ideas and principles. The B.Sc. (Hons.) Electronic Science curriculum offers undergraduates a complete package to understand fundamental to advanced electronics. They can equip themselves with electronics fundamentals with a comprehensive skill set compatible with industry 4.0 standards. The exhaustive curriculum will prepare them to pursue higher education and compete in the job market. The programme covers embedded systems, advanced computer and data communication, robotics, control systems, VLSI Design and Fabrication, Nanoelectronics, Artificial Intelligence, Internet of Things and others.

preparation for several mathematics careers in education, research, government sector, business sector and industry. The B.Sc. (Hons.) Mathematics programme covers the full range of mathematics, from classical Calculus to Modern Cryptography, Information Theory, and Network Security. The programme lays a structured foundation of Calculus, Real & Complex analysis, Abstract Algebra, Differential Equations (including Mathematical Modelling), Number Theory, Graph Theory, and C++ Programming exclusively for Mathematics.

B. Sc. (Prog.) Mathematical Sciences

A well-structured Mathematical component in B.Sc. (Prog.) Mathematical Sciences empowers the students to: Solve problems using a broad range of significant mathematical techniques, including calculus, algebra, geometry, analysis, numerical methods, differential equations, probability and statistics, along with hands-on learning through CAS and LaTeX. One of the programme's aims is to combine the principles of physics and chemistry, as supported by mathematics, to describe the foundational concepts of the physical world and apply these concepts to new situations. Collaborate with others, including multidisciplinary groups, to solve scientific problems and recognize ethical issues in each profession; logical question assertions and recognizing patterns are other highlights of the course.

Bachelor of Management Studies (BMS)

Bachelor of Management Studies or BMS is an undergraduate programme for management studies. The course allows students to obtain the knowledge and skills needed to assume management positions in a wide range of organizations. The management Studies programme provides students with a solid foundation in the field of management and strategy designing. The electives allow students to develop deeper knowledge in specific areas of interest-

finance, marketing, human resource management and management of the global business. In addition to the business management course, it will equip students to understand how organizations work, how they are managed and sensitize students towards national and international environments. Students centered learning focuses on skills and practices that enable lifelong learning and independent problem-solving.

B. Sc. (Prog.) Physical Science with Computer Science

The programme provides skills to design, implement, and evaluate the computer-based system and apply knowledge of computing to solve computational problems by understanding computer systems, fundamentals, and their application related to physical sciences. In addition, it provides the ability to communicate effectively with arrange of audiences.

Programme Specific Eligibility for B. Sc. (Prog.) Physical Science with Computer Science

Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects.

Candidates must appear in any one language from List A in CUET.

B. Sc. (Hons.) Physics

Physics is an experimental and theoretical science that systematically studies the laws of nature operating at length scales from the sub-atomic domains to the entire universe. The core areas of study within the disciplinary/ subject area of the B.Sc. (Hons.) Physics programme are: Classical and Quantum Mechanics, Electricity and Magnetism, Thermal and Statistical Physics, Wave theory and Optics, Physics of the Materials, Digital Electronics, and specialized methods of Mathematical Physics and their applications in different branches of the subject. Along with the theoretical coursework, students also learn physics laboratory methods for different branches of physics, specialized measurement techniques, analysis of observational data, including error estimation, and scientific report writing. The latest addition to Physics pedagogy is computational

physics, which involves adapting Physics problems for algorithmic solutions and modeling and simulation of physical phenomena.

B. A. (Hons.) Psychology

Through this programme, the students get an opportunity to understand and learn the historical influences of psychology as a discipline. The curriculum addresses the fast-paced changes in the subject matter. The curriculum and pedagogy of Psychology are sensitive to the advances in the knowledge, application, and research possibilities in Psychology. The undergraduate coursework in Psychology touches upon the diverse areas of the discipline, including biopsychology, cognitive psychology, history of psychology, research methods, social psychology, Industrial/ Organizational psychology, counselling psychology, health psychology and others.

The department of management studies has a fully air-conditioned computer laboratory with 30 desktop computers, an all-in-one printer and an Internet facility. It provides access to various software packages for students for their skill development and data analysis. It houses portable projectors, laptops, sound amplifier, portable mics, and portable whiteboard for use by faculty and students during class presentations and events. Over the years it has become a technological hub for facilitating the department's academic pursuits.

11.1.6. Physics Laboratory

The college has two spacious, well-maintained air-conditioned Physics laboratories, equipped with Computers and sophisticated scientific instruments. Here the students supplement their learning with hands-on experience by performing experiments related to Mechanics, Optics, Heat, Electrical Circuits, Electronics, Computer Programming, Solid State Physics, Modern Physics etc. Experiments on Optics and Ballistic Galvanometers are set up in separate air-conditioned dark rooms. The laboratories are equipped with projectors for efficient teaching.

11.1.7. Psychology Laboratory

The psychology laboratory of the college is well equipped with the latest psychological tests and instruments, and new ones are added every year to give wide exposure to students. The psychometric tests are applicable in clinical, organizational, social, neurocognitive, and counselling settings. The students learn the conduction, scoring, and interpretation of test results, as well as their implications. Experiments to understand concepts like learning, memory, and reaction time are also conducted.

11.1.8. Amphitheatre

The campus has a beautiful and artistic amphitheatre featuring five pillars that symbolize the five elements – air, water, sky, earth, and fire. This venue plays host to a diverse range of student performances, competitions, and street plays.

11.1.9. College Auditorium

The college has a state-of-the-art central air-conditioned WiFi enabled auditorium having a smart display. The auditorium can hold up to 800 people (with an area of 2569 sq m). It is built with the best acoustics and high-end light and sound facilities. Additionally, there are separate green rooms for both boys and girls. The auditorium is equipped with fire extinguisher system. The auditorium has hosted many talented performances by famous artists such as Ms. Shovana Narayan, Ms. Shubha Mudgal, Sh. Shiv Kumar Sharma, Smt. S. Kanaka, Warsi Brothers since its opening. It serves as the centre for all cultural and academic events at the college.

Besides this, Bhagwan Mahavir Hospital is located next to the college for easy accessibility to medical services in case of any emergency. A counsellor visits the college twice a week for the mental health and well-being of the students.

11.2 Student Development: Cells and Initiatives

11.2.1. National Service Scheme (NSS)

The college has a National Service Scheme (NSS) Unit that aims to serve the nation and its citizens in all possible ways. With this goal and the motto, "Not Me, But You", the 2025-26 session focused on various events like the Swachhta Pakhwada and cleanliness drives. Additionally, events for Rashtriya Ekta Divas, Vigilance Awareness Drive, Mental Health Awareness, Cyber Crime, Drug Abuse under Nasha Mukti Abhiyaan, Road Safety Awareness, Voter Awareness, Women Empowerment and Self Defence Session for Women were conducted. A number of other events about issues of national interest and environmental awareness were also organised. These activities aimed to enhance awareness about various social issues and contribute to nation building while fostering a sense of responsibility among the Volunteers and students for taking community initiatives.

11.2.2. Placement Cell

The Placement Cell at Keshav Mahavidyalaya works to connect students with meaningful career opportunities from their first year through graduation. It runs recruitment drives, organises skill-building sessions, and maintains active ties with alumni and industry partners. The cell's student team is selected each year from across all courses, bringing in a range of perspectives that reflect the college's diverse academic community.

During 2025–26, the cell organised a series of sessions focused on practical career readiness, including resume building, interview preparation, and professional networking. Over 330 resumes were vetted individually to help students build stronger, recruiter-ready profiles. Some of the key sessions conducted include:

- CV Vetting and Resume Preparation
- LinkedIn Optimisation: Building a Strong Professional Brand
- How to Get Off-Campus Placements

These sessions gave students tools they could use immediately, whether for on-campus drives or independent job searches.

Pathways 3.0, the third edition of our flagship career counselling initiative, moved to a personalized small-group format this year, with students assigned to domain-specific sessions based on their chosen fields. Registrations have grown with each edition, from 136 in the first year to 156 in Pathways 2.0 and now 180+ in Pathways 3.0, reflecting steady student interest. Alumni representing Consulting, Technology, Finance, Marketing, Human Resources, Data Analytics, Psychology, and Government Examinations guided students through focused, one-on-one interactions. Separate sessions on government examinations and data careers addressed a clear gap, particularly for students from Mathematics and Science backgrounds who often have fewer structured pathways to explore.

The 2025–26 placement season delivered strong results across both domestic and international roles. Recruiters including WTW, DeltaX, Z1 Tech, Ditto, Oxane Partners, RSM US, Preferred Square, TrueBlue, Studio Mosaic, and Stanza Living conducted drives on campus. Across the full year, the cell recorded over 60+ placements with a median package of ₹7 LPA and a mean of ₹6.4 LPA. Oxane Partners extended the top offer of ₹9.8 LPA, setting a high bar for what students from this campus can achieve.

11.2.3. ANUBHAV: The Internship and Training Cell

Anubhav, the Internship and Training Cell of the Department of Psychology, aimed at equipping students with the professional skills and industry readiness needed to navigate careers in psychology. The cell conducted PsychCharcha'26 on February 20, 2026, designed to bridge academic learning with professional readiness. The event featured two expert sessions, one on developing soft skills such as communication, empathy, and active listening, and another on building an impactful psychology CV aligned with industry expectations. Complementing the expert talks were reflective activities including SWOT Analysis and Body Emotions Mapping, which gave students a structured space for self-awareness and emotional exploration.

11.2.4. MIMANSA: The Research Cell

Mimansa, the Research Cell of the Department of Psychology, is dedicated to cultivating a rigorous research culture and encouraging scholarly inquiry among students. The cell organised two significant events this year. On November 12, 2025, they held a workshop on APA 7th Edition scholarly writing, conducted by Dr. Daisy Sharma, covering in-text citations, reference lists, headings, and manuscript organisation. PsyForum 2026 was held on March 23 and 24, 2026 under the theme "Foundations of Interpersonal and Intrapersonal Psychology: Self, Relationships, and Belonging." The first day included a keynote on bridging the clinic to community gap and a panel discussion on comparison, self-worth, and overachievement. The second day hosted a Research Hackathon alongside workshops on G Power statistical analysis and cognitive fitness techniques.

11.2.5. DWARIKA: The College Magazine

Dwarika, the college Magazine, is published every year. It documents faculty and students' achievements, their awards / recognition / prizes, received during that period. At the same time, it also comprehends the activities, events and webinars organized by the departments, committees, and cells of the college. Furthermore, the committee compiled the articles submitted by the students of the college and compiled them into the annual magazine of the college named Dwarika. E-newsletters and magazines are published in both Hindi and English to facilitate the students.

11.2.6. Women's Development Cell

The Women's Development Cell (WDC) is dedicated to creating a gender-sensitive and inclusive environment within the institution. Its primary objective is to empower women by spreading awareness about gender equality, rights, and opportunities. The WDC conducts a variety of activities, including workshops, seminars, and awareness programs, focusing on women's safety, leadership, education, and overall personal growth. It provides a supportive platform for students and staff to express concerns and participate in meaningful discussions on gender-related issues. Through these efforts, the WDC endeavors to foster a respectful, encouraging, and equitable atmosphere where all individuals, irrespective of gender, can grow and contribute positively to society. As

per the mandates of the communication received from Minister of Education, regarding participation of Higher Educational Institutions in the Baal Vivah Mukta Bharat (BVMB) 100- days campaign, the Women Development Cell of Keshav Mahavidyalaya, University of Delhi held an awareness session for its students and faculty on the 27 February 2026. In addition, the IEC materials were displayed in the college campus.

11.2.7. Equal Opportunity Cell

The college is extremely sensitive to the problems faced by the differently abled, or of minority status, which stem from disabling environmental, economic and cultural barriers. To address these and other urgent issues concerning SC, ST, OBC and people with benchmark disabilities (PwBD), the Equal Opportunity Cell was set up by the University of Delhi on June 27, 2006, and a policy draft was released ensuring a barrier-free, equitable and accessible space to the PwBD, in the field of higher education. Our college has made all efforts for improvement in the overall infrastructure, and in the learning and teaching process for the differently abled academic community irrespective of visual, hearing, orthopaedic or other kinds of impairments.

11.2.8. Jal Vayu Paryavaran Samiti: The Environment Club

The club has always worked hard to promote the green culture - the cornerstone of Keshav Mahavidyalaya. The activities of the club attempt to impact the mindset of the students in both direct and indirect ways to appreciate and respect the environment. Recognizing the importance of the environment as a holistic entity to be respected and not merely used, the club activities include planting trees, recycling waste, and taking steps to control air/water pollution. It reiterates the idiom "TATTVAM ASI" (that thou art) i.e. man is a constituent of his environment. From this point of view, a herbal garden is being maintained. This helps students to learn about the benefits of growing herbs in a sustainable and environmentally responsible way. The Environment Club planned to create the multi-use garden to be more than just a set of raised herbal plants. Rather it will be an open and welcoming space that encourages students to not just sow the seeds of herbs but also the seeds of togetherness and creativity. Further, the Club plans to make the space incredibly versatile with diverse species structures. There are compost pits in the college gardens fulfilling the purpose of organic manure. In addition to this, as a part of eco-friendly practices, a compost machine was also installed at the college campus to ensure the use of natural manure produced from kitchen and garden waste. Also, the free distribution of saplings is undertaken by the garden committee to ensure tree plantation activity during the mass campaign.

11.2.9. ENACTUS: The Entrepreneurship Cell

Enactus is a global organization that inspires young leaders to drive social and environmental change through entrepreneurial initiatives. Operating across 33 countries, involving more than 1,700 universities and over 72,000 students worldwide, Enactus encourages students to build innovative and sustainable solutions for some of the world's most critical challenges. At Enactus KMV, we actively contribute to this vision by combining entrepreneurship with meaningful impact. We believe businesses can serve as effective instruments for positive change by empowering communities, creating opportunities, and promoting sustainable development.

Enactus KMV works towards solving social problems through entrepreneurial innovation. Our mission focuses on sustainability, skill development, waste reduction, and community empowerment. Our vision is to transform innovative and eco-friendly ideas into scalable solutions that create impact and encourage self-reliance. Among our major initiatives is Project Pehel, which empowers underprivileged women by training them in making tote bags, crochet items, and our newest addition of upcycled denim products, promoting financial independence. Project Chakra is a zero-

waste initiative that converts waste materials like coconut shells into sustainable handcrafted products, reducing environmental impact while supporting artisans. We also plan to add more waste materials to increase the project's impact. Project Sahaayta aims to preserve traditional Indian art forms such as pottery, Kathputli, and folk dance by providing artisans with livelihood opportunities and spreading awareness about cultural heritage.

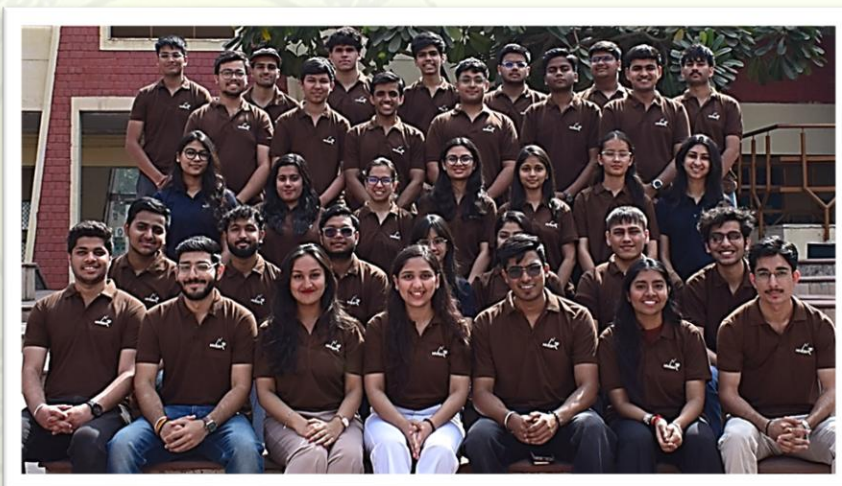

To expand our outreach and create greater public impact, Enactus KMV regularly sets up stalls at college fests and well-known locations such as Select City Walk, Saket. Our annual flagship event, Enactovision 3.0, was a celebration of entrepreneurship, innovation, and social responsibility. This edition featured a dedicated skill-building workshop for the communities associated with Enactus KMV, with sessions on digital marketing, financial literacy, and inventory management to help them adapt to the demands of the modern business world. The event also served as a platform for artisans and community members to present their products and services, including tote bags, crochet products, pottery, and hair braiding, allowing them to gain exposure and interact directly with consumers. Through initiatives like Enactovision 3.0, we continue to uplift and empower communities by recognizing their talents, encouraging self-reliance, and equipping them with practical skills essential for growth in today's evolving world.

11.2.10. NIVESH: The Finance and Investment Cell

Nivesh – The Finance and Investment Cell of Keshav Mahavidyalaya, University of Delhi, established in 2017, is a student-led initiative centered towards promoting the finance domain by offering financial literacy, economic awareness and investment knowledge. Addressing its guiding principle, “Investing minds today for a prudent tomorrow”, the cell believes in purposeful learning and holistic growth. To ensure such an environment prevails at Nivesh throughout the tenure, we regularly organize group discussions covering various financial aspects such as current affairs, financial crisis, portfolio management, and alternative investments. To gain practical experience, we also take the effort to organize trading competitions, and stock market simulations. With the help of such initiatives, and interacting with industry experts, conducting equity research; members gain hands-on experience in the domain of finance.

Nivesh’s flagship event, Arthvyawastha’26 was conducted on March 17, 2026. This year, the event was focused on the theme, “Invisible Credit’s Visible Impact: The Hidden Architecture Shaping the Lending Economics”. The event kicked off with an interactive speaker session, featuring Mr. Raman Aggarwal, CEO of FIDC India and Co-Chair BFSI Committee, who shared valuable insights relating to his field of work in the financial domain. Followed by the interactive competitions held at Arthvyawastha’26, this year we featured Capital Commit, where capital allocation commitments defined outcomes and Default Convexity, a simulation of bond markets, CDOs and CDS.

11.2.11. Alumni Association

A strong bond with alumni is of utmost importance for the growth of an institution. Keshav Mahavidyalaya is proud of its alumni who have excelled in every walk of life. Although all the staff members are well connected with our former students, the college has made efforts to start an Alumni Association and hold Alumni Meet in the college. During the Meet, the alumni share memories and experiences from their college days, celebrating the camaraderie with former peers and faculty. Additionally, several alumni generously extend internship opportunities to current students, enriching the event further.

11.2.12. Keshav Mahavidyalaya Students’ Union (KMVSU)

In the academic year 2025-26, Keshav Mahavidyalaya witnessed the establishment of the new student union, democratically elected through a fair and transparent voting process held on 18th September 2025. The elected office bearers for the term were Mr. Mohit Kumar (President), Mr. Das Shantanu (Vice President), Mr. Jitender (Secretary), Mr. Abhimanyu Jindal (Central Councilor), Mr. Bhavish Kumar (Central Councilor) and Ms. Pari Kumari (Joint Secretary).

Serving as the voice of the student body, the union collaborated closely with the Principal, Faculty members and students to facilitate a vibrant campus environment. The council played a pivotal role in organizing key academic and cultural events including Freshers, the Annual Fest and Farewell, in coordination with the Cultural Committee, creating memorable experiences for everyone. A major highlight of the year was the introduction of the first edition of Keshav Samvad, a Hindi inter-college debating competition organized in collaboration with Debsoc Vagmita, which significantly enhanced the college's reputation. Additionally, the union conducted a seminar on National Youth Day titled 'Swami Vivekanand's Vision of Youth Empowerment and Nation Building', inspiring students to embrace social responsibility.

Demonstrating strong leadership and commitment to student welfare, the union also successfully facilitated a fee waiver for a student facing financial hardships. Through its dedicated efforts, this student council emerged as one of the most active and student-centric bodies in the college's history, setting a remarkable benchmark for future student leadership at Keshav Mahavidyalaya.

11.2.13. North East Students' Cell

As part of EK Bharat Shrestha Bharat initiative, the North East Students' Cell of the college organized events aimed at raising awareness about the North Eastern region of India, renowned as a biodiversity hotspot boasting a diverse range of endemic flora and fauna. One notable event was an interactive talk titled "Wetlands, Biodiversity and Climate Change: Why should we care?", held to commemorate World Wetlands Day.

11.2.14. CONSULENZA: The Counselling and Training Cell

Consulenza, the Counseling and Training Cell of the Department of Psychology, is committed to promoting mental health awareness and insights into various sub-fields of the discipline. The cell marked World Mental Health Day with PsyCare 2025, held on October 9 and 10, 2025. The first day featured two expert sessions covering gender identity and queer affirmative therapy by Ms. Tanisha Dhingra, and the psychology of procrastination by Ms. Vidhi Ghai. The second day focused on self-compassion through Compassion Circles and a Self-Love Activity Series, where students participated in Colouring for Calm, Self-Care Bingo, and Balloon Popping dressed in rainbow colours. On March 20, 2026, the cell celebrated the International Day of Happiness, organising a warm and inclusive set of activities including Mandala Art, a collective happiness board and a mood board capturing current emotional states. The event was graced by the former Principal Prof. Madhu Pruthi and the Acting Principal Prof. Arpana Sharma, whose enthusiastic participation added warmth and

encouragement to the celebration, making it a meaningful pause from routine for students and faculty alike.

11.2.15. Internship Cell

The Internship Cell of Keshav Mahavidyalaya connects students with professional opportunities, having registered over 350+ students and facilitated over 120+ paid internships in various fields such as finance, marketing, research, media HR and technology providing students with valuable industry insights and skill development during the 2025–26 academic session. Additionally, it organized the “Internship Perspectives” event, including the session “Acing Internships and Interviews” to help students prepare for internships and interviews, thereby enhancing their career development.

11.2.16. Gender Champion Cell

The Gender Champion unit of Keshav Mahavidyalaya is dedicated to promoting gender equality, inclusivity, and mutual respect on campus. To support this mission, the unit regularly organizes impactful events and awareness campaigns throughout the academic year. These initiatives include Pledge Ceremonies that encourage students to actively uphold and advocate for gender equality in their everyday lives, as well as creative competitions like Poster Making contests designed to raise awareness and spark dialogue about gender equity through visual art. Through these rolling activities, the unit continuously strives to foster a safe, supportive, and progressive environment for the entire student community.

The “Equality Graffiti Board: Smash the Stereotype!”, an interactive event was organized on October 1, 2025 and received enthusiastic participation from students across the college. The initiative invited students to write or draw stereotypes they wished to break on large white sheets, which gradually transformed into a vibrant collective artwork. Each contribution carried a powerful message challenging gender biases and advocating inclusivity, respect, and equal rights. The activity not only encouraged self-expression and creativity but also highlighted the collective commitment of students towards promoting equality on campus.

“Only Knowledge can provide salvation”

11.3 Cultural Societies

At Keshav Mahavidyalaya, students are encouraged to cultivate leadership, creativity, and managerial skills through active participation in a wide range of cultural activities, both within the college and at inter-varsity levels. The Cultural Committee, in collaboration with the various cultural societies of the college, plays a pivotal role in organising and promoting diverse events and initiatives throughout the academic year, fostering an environment that encourages talent, collaboration, and holistic development.

11.3.1. ADVAITAA: The Western Dance Society

Advaitaa, the western dance society of Keshav Mahavidyalaya, was founded in the year 2012-2013. The purpose of this society is to provide a platform for students to showcase their talent.

11.3.2. NRITYAANG: The Indian Dance Society

Nrityaang is one of the budding cultural societies of Keshav Mahavidyalaya. The society aims to provide a great learning experience and platform for students and budding artists by staying true to the Indian roots and getting involved in Indian dancing. Be it folk or classical forms of dance.

11.3.3. SHADES: The Theatre Society

More than just a theatre society, SHADES is a family that brings together passionate and creative people through street plays, mime, stage productions, and short films. It gives a platform to actors, writers, directors, and backstage artists to learn, perform, and grow together. Known for its powerful street plays on important social issues, SHADES has created a strong legacy over the years and has proudly won several competitions at prestigious institutes across the country.

11.3.4. ANHAD: The Music Society

The vibrant music society of Keshav Mahavidyalaya pulsates with the rhythm of cultural diversity and artistic expression. Comprising three distinctive yet harmonious parts, our society embodies the essence of musical unity. The Indian Choir resonates with the rich melodies and traditional rhythms that echo through the corridors of our heritage. Meanwhile, Western A Cappella brings forth the contemporary flair and vocal precision that captivates audiences with its soulful harmonies. Lastly, our Bands section electrifies the stage with raw energy and instrumental prowess, weaving together melodies that transcend boundaries. Together, we form a symphony of talent, passion, and creativity, enriching the musical landscape of our college community and beyond.

11.3.5. VAGMITA: DEBSOC

Vagmita DebSoc, the bilingual debating society of the college, is more than just a platform for public speaking; it is a space for expression, critical thought, and meaningful dialogue. True to the spirit of its name, Vagmita, the society strives to nurture confident speakers, independent thinkers, and socially aware individuals. Through conventional debating formats as well as dynamic styles such as turncoat and parliamentary debates, Vagmita DebSoc continually pushes the boundaries of discourse and creativity. The society encourages its members to question norms, engage with diverse perspectives, and speak fearlessly on issues that matter.

11.3.6. VAGMITA: The Poetry Society

Vagmita, established in 2012, is the college's poetry society dedicated to the art of eloquence and expression. It envisions a vibrant community where students from diverse linguistic and cultural backgrounds converge to celebrate poetry. The society promotes creative expression through poetry, providing a supportive platform for students to share their work, receive feedback, and engage in meaningful discussions. Often regarded as one of the most prominent poetry societies in the Delhi Poetry Circuit, Vagmita partakes in multiple competitions over the session and is highly decorated. Vagmita organises various poetry events and workshops, including competitions during the college's annual fest Tryst and the annual open-mic event Jashn-e-Adeeb, fostering an inclusive environment for Hindi, English, and Urdu poetry.

11.3.7. MANIERA: The Art Society

Maniera, derived from the Italian word for "manner" or "style," embodies our commitment to fostering creativity, expression, and appreciation for the arts. We aim to be a vibrant hub where students can explore various artistic forms, including painting, clay art, drawing, and crafts. Our objectives include cultivating talent through workshops and collaborative projects, promoting cultural exchange via exhibitions and interactive events, and enhancing personal development by emphasising creativity, critical thinking, and self-expression. Maniera is more than a society; it is a community of artists united by a passion for the arts and a commitment to making a positive impact by embracing creativity, fostering dialogue, and celebrating diversity.

11.3.8. ILLUMINATI: The Photography Society

The Photography Society of Keshav Mahavidyalaya began its journey in August 2014. What began as a small group of young photography enthusiasts has evolved into one of the most dynamic and active societies on campus. Committed to capturing the dynamic spirit of Keshav Mahavidyalaya, the society continuously strives to document the memorable moments and events that shape college life.

11.3.9. NAKSH: The Society of Indian Dresses and Culture

Naksh has achieved excellence through successful fashion shows, engaging performances, and strong participation in intercollegiate competitions. Within the DU fashion circuit, it is a vibrant, active society. It helps members grow on social media with sessions on content, modelling, and fashion-design basics for events, alongside modelling coaching, social media management guidance, and portfolio-building support. It highlights art and artistic expression

throughout its work. Its annual theme centres on a social cause and has won several intercollegiate competitions. It also advances social causes through charity events, advocating sustainability and inclusivity.

11.4 Annual Co-curricular Activities

11.4.1. Orientation Day

An orientation day is organized on the first day of the academic session to welcome new students to the Keshav family. Starting college after coming from the enclosed and familiar environment of schools can cause a lot of anxiety in students. Therefore, orientation programs for new students are designed to guide and familiarize them with their new surroundings, and also provide an opportunity for teachers to meet the newest members of their family.

11.4.2. Freshers' Welcome

The commencement of a new academic session is marked by warmly welcoming the first-year students into the Keshav family. The Freshers' celebration is organised to create a friendly and inclusive environment where newcomers can interact with their seniors, build meaningful connections, and feel a sense of belonging. The event also serves as a platform to encourage creativity, self-expression, and confidence among students as they embark on their journey at the college. The celebration further highlights the talent and enthusiasm of the incoming batch through the Mr and Ms Fresher competitions. This year, the title of Mr Fresher was awarded to Bharat Mishra (B.Sc. Physical Sciences), while Shivansh Shah Chawla (BMS) secured the position of Runner-Up (Male). The title of Ms Fresher was conferred upon Mansi (B.Sc. (Hons.) Computer Science), and Gaurangi Sharma (B. Sc. Mathematical Sciences) was declared Runner-Up (Female).

11.4.3. Cultural Committee Activities

The academic session at Keshav Mahavidyalaya was marked by a vibrant series of cultural, intellectual, and extracurricular activities that reflected the enthusiasm, creativity and collaborative spirit of the student community. Throughout the year, the college organised several memorable

events that not only provided students with platforms to showcase their talents but also encouraged interaction, leadership, creativity and intellectual growth. These events significantly contributed to strengthening the sense of unity and belonging among students while enriching campus life with energy and enthusiasm.

The session commenced with the Freshers' celebration, organised to warmly welcome the newly admitted students into the Keshav family. Building upon this spirit of engagement, the College further promoted intellectual discourse through the successful organisation of the inaugural edition of Keshav Samvaad: Parliamentary Debate Tournament and Trainee Adjudicator Competition. Jointly organised by the Students' Union and Vagmita DebSoc. Adding further vibrance to campus life, Tryst'26, the annual cultural fest of Keshav Mahavidyalaya, transformed the campus into a lively celebration of art, culture, music, dance, theatre, literature and fashion. The fest offered students a dynamic platform to showcase their talents and creativity across diverse domains. The academic session drew to a close with the Farewell organised for the final year students on June 19, 2026. On this occasion, Ansh Juneja and Nancy Gupta, B.Sc. (Hons.) Computer Science, were felicitated as Mr. and Ms. Keshav during the function.

Collectively, these events played a significant role in enriching the cultural and intellectual environment of the institution. By encouraging students to engage actively beyond academics, they fostered confidence, teamwork, communication skills, and creative expression, thereby reflecting the dynamic and inclusive spirit of Keshav Mahavidyalaya.

11.4.4. Keshav Samvaad

The Students' Union and Vagmita DebSoc of Keshav Mahavidyalaya successfully organised the inaugural edition of Keshav Samvaad: Parliamentary Debate Tournament and Trainee Adjudicator Competition on April 7 and 8, 2026. The event marked a significant achievement for the institution, bringing together participants from various colleges and fostering critical thinking, impactful communication, and competitive debating. With active participation from 20+ institutions across Delhi, Keshav Samvaad emerged as a successful platform for intellectual discourse and meaningful dialogue.

11.4.5. Tryst: The Annual Fest

Tryst'26, the annual cultural fest of Keshav Mahavidyalaya, transformed the campus into a vibrant celebration of creativity, performance, and intellectual engagement. The two-day fest

commenced with an inauguration ceremony, setting the stage for a diverse lineup of events organised by the college societies. Shades Society captivated audiences through Baithak, featuring both street play and mime competitions, while Illuminati hosted exhibitions and creative showcases throughout the fest. Nrityaang celebrated the spirit of Indian dance through Uthaa and Mridang, and Advaitaa energised the campus with Aaghaz and Inaayat, featuring dynamic street-battle and group-dance performances.

The musical atmosphere of the fest came alive with Anhad's Khayal, an Indian classical music competition, and Nocturne, a Western a cappella competition. Literary and intellectual expression found a platform through Vagmita Poetry's Evince, Kaaghaz, and Irshaad, as well as Vagmita DebSoc's Rebuttal and Khandan, which encouraged critical thinking and competitive debating. Naksh's Envogue highlighted fashion and creativity, while Maniera's painting competitions added colour and artistic vibrance to the celebrations. The fest concluded on a high note with performances by renowned artists Ndee Kundu on the first day and Karun on the second day, making Tryst'26 a memorable celebration of talent, collaboration, and cultural excellence.

11.4.6. Annual Day

During the Annual Day at our college, a cherished tradition, we, the Keshav family, gather to honor and celebrate the outstanding achievements of our students. The ceremony recognizes the top performers of the college in the university examinations and acknowledges the contributions of position holders for various co-curricular activities.

11.4.7. Sports Day

Every year, our college hosts a vibrant sports day, drawing enthusiastic participation from students, teaching staff, and non-teaching faculty in a wide array of games. Our students actively engage in national, state, and intercollege events such as shooting, ball badminton, korfbal, swimming, table tennis, basketball, netball, athletics, volleyball, cricket, football, and kabbadi, showcasing their skills and sportsmanship on various competitive platforms.

11.4.8. Farewell

As the undergraduate journey nears its conclusion, juniors bid farewell to the 4th year students under NEP with a heartfelt farewell function. It serves as a poignant send-off, wishing our departing students a prosperous future. Our college expresses its affection and best wishes with a symbolic token of appreciation. Cultural societies within the college organize performances to bid a fond farewell to their seniors, creating cherished memories of camaraderie and shared experiences.

11.5 Departmental Societies

11.5.1. BLITZ: The Computer Science Society

Brilliant Information Technology Zealots (BLITZ) is the departmental society of the Department of Computer Science, Keshav Mahavidyalaya, University of Delhi. BLITZ continues to stand as a symbol of innovation and technical excellence. It provides a platform where students actively engage in learning beyond the classrooms. Through a diverse range of activities such as insightful seminars, hands-on workshops, engaging discussions and the annual technical fest, the society supports both skill development along with logical, technical and creative thinking. BLITZKRIEG, the annual technical festival serves as both an opportunity and motivation for students to showcase their technical and logical skills through various events. With the constant guidance of our former principal, Prof. Madhu Pruthi and the faculty members, along with the dedicated efforts of the BLITZ members, the society embodies its spirit of "Silicon Minds, Circuited Hearts". It promotes not just academic growth but also collaboration, leadership and a sense of community. BLITZ has successfully created an environment where innovation thrives and ideas are transformed into reality.

During the session 2025-2026, several events were organized throughout the year, namely, an orientation session on Dissertation and Academic Project Work, a workshop on UI/UX Design, a coding competition, Code Verse, a talk on 'Agentic AI: Autonomous Systems, AI Agents & the Future of Intelligence', by Dr. Manish Gupta, Founder and CEO of BizNeuro.AI. Inhouse talks on latest topics like, 'Git & Github Bootcamp', 'From URL to Webpage', 'Internships – What Companies Expect', and 'Natural Language Processing' were conducted and delivered by the talented students of the department. During the technical festival, BLITZKRIEG'26, a talk on 'Cloud Computing Revisited: Agentic AI Approach', was delivered by the chief guest Prof. Rahul Johari, Professor, Guru Gobind Singh Indraprastha University. Other events like, Eleven's Logic Lab (Quiz), Between the 2 Worlds (Debate), Upside Showdown (BGMI Tournament), Hawkings Hack (Hackathon), Escape the Upside Down (Treasure Hunt) were organized where students from various colleges participated and won accolades.

11.5.2. BIZWORLD: The Commerce Society

Bizworld, the Commerce Society of Keshav Mahavidyalaya, is a dynamic platform that fosters analytical thinking, business acumen, leadership and innovation among students. Through

competitions, speaker sessions and interactive events, the society aims to bridge the gap between academic learning and practical exposure while cultivating creativity, strategic insight, and professional excellence.

Alumni Session: BizWorld had the privilege of hosting Mr. Balwan Bansal, Managing Partner at BB & Associates and Co-Founder of Acupro Consulting, for an insightful alumni interaction session. With over 15 years of experience in taxation, regulatory advisory, and corporate consulting, Mr. Bansal has worked extensively with startups, venture capital firms and high-growth enterprises, including ventures preparing for Initial Public Offerings (IPOs). His professional journey reflects strong expertise in financial strategy, regulatory frameworks, and the evolving startup ecosystem.

A Chartered Accountant and distinguished alumnus of both the Indian School of Business (ISB) and Keshav Mahavidyalaya, University of Delhi, Mr. Bansal's interaction held particular significance for the students. Drawing from his extensive industry experience, he shared valuable insights into entrepreneurship, financial planning, consulting, and the rapidly changing corporate landscape. He emphasized the importance of building strong fundamentals, remaining adaptable to industry changes and seeking practical exposure beyond academics.

The session provided students with meaningful industry perspectives and a deeper understanding of career opportunities within finance, consulting, and entrepreneurship, while inspiring them to pursue their professional aspirations with confidence and clarity.

Erudition'26 - Startup Stories: From Idea to Income: Bizworld, the Commerce Society of Keshav Mahavidyalaya, successfully organised its flagship speaker event, Erudition'26, under the theme "Startup Stories: From Idea to Income." The event brought together aspiring entrepreneurs, innovators, and students eager to gain meaningful insights into the journey of transforming ideas into successful ventures.

The session featured Megha Verma, Founder of Growth Iris, and Vatsala Arora, Co-Founder of Wolnut, who shared inspiring reflections on their entrepreneurial journeys. Through engaging discussions and practical insights, the speakers highlighted the realities of entrepreneurship, including overcoming challenges, navigating uncertainty, and building sustainable businesses from the ground up. Their experiences emphasised the importance of resilience, creativity, adaptability, and strategic thinking in today's competitive business environment.

Through insightful conversations and real-world perspectives, Erudition'26 provided students with valuable exposure to the startup ecosystem while fostering a spirit of innovation, ambition, and entrepreneurial leadership. The event inspired participants to approach their ideas with confidence, vision, and purpose.

Fledgling'26: Bizworld, the Commerce Society of Keshav Mahavidyalaya, successfully organised Fledgling'26, its flagship event aimed at fostering innovation, analytical thinking, and business acumen among students. Bringing together participants from diverse institutions, the event provided a dynamic platform for experiential learning through intellectually stimulating competitions across the domains of marketing, strategy, and finance.

The event featured three uniquely curated competitions: 404: Brand Not Found, The Global Consortium, and Capital Crucible, each designed to test participants' creativity, strategic insight, adaptability, and decision-making abilities in competitive business environments.

Through its diverse and intellectually rigorous competitions, Fledgling'26 successfully cultivated an atmosphere of innovation, ambition, and experiential learning, reflecting BizWorld's commitment to nurturing future leaders equipped with creativity, strategic insight, and professional excellence.

11.5.3. METAMORPHOSIS: The Society of Management Studies

Metamorphosis, the student society of BMS, plays a key role in fostering academic growth, hands-on learning, and skill development. The department encourages students to actively engage in leadership roles and take initiative, helping them strengthen their managerial and organizational capabilities.

The society comprises students from all academic years, selected through a structured process involving screening and interviews. Junior members are mentored by faculty and senior students, preparing them to take on greater responsibilities in subsequent years.

To provide diverse learning opportunities, the society operates through three dedicated cells: Inceptum (Entrepreneurship Cell), Markepedia (Marketing Cell), and Sarvagya (Quizzing Cell). Members conceptualize, organize, and execute a variety of events and initiatives, gaining exposure to real-world challenges.

Participation in both intra- and inter-departmental activities enables students to build essential skills such as strategic planning, communication, negotiation, and time management. These experiences prepare them to confidently meet professional demands in the future.

During the academic year 2025–2026, Metamorphosis successfully organized several events, including multiple episodes of C2C (From Campus to Career : The Alumni Perspective) – an online alumni lecture series, an In-house Career Guidance Session, a Speaker Session on “Value Selling” by Mr. Deepak Bajaj and an Intra-departmental Activity focused on strategic negotiation where teams analysed, exchanged resources, and made calculated decisions to complete a departmental set. The society also hosted a session on the Union Budget and organized Cognizance, the annual management fest featuring multiple competitive events with participation from leading institutions.

11.5.4. MODULUS: The Mathematics Society

The Mathematics Society ‘MODULUS’ continued its commitment towards organising academic and co-curricular activities that promote analytical thinking, creativity and research-oriented learning among students. An orientation session on “Research Work” was organised on August 29, 2025 to familiarise undergraduate students with higher education opportunities and academic research pathways. Dr. Rajni Mendiratta, Associate Professor, Department of Mathematics, Keshav Mahavidyalaya, introduced the students to various research and dissertation opportunities available under the undergraduate programme. The society organised a “Mathematical Relay Event” on 30 September 2025, where students participated in interactive activities and discussions based on the lives and achievements of renowned Indian mathematicians. A Hands-on Workshop on “LaTeX” was conducted on January 27, 2026 by Prof. Ashish Bansal, Department of Mathematics, Keshav Mahavidyalaya. The workshop enabled students to learn useful formatting techniques and improve their technical skills. An insightful speaker session titled “Neural Networks: Mathematical Approach to Modern Data Analytics” was organised on March 16, 2026 by Prof. Sameer Anand, Shaheed Sukhdev College of Business Studies, University of Delhi. The session introduced the students to the role of mathematics in artificial intelligence, data science and modern technologies through interactive discussions and practical examples. The department also published its annual magazine “Continuum 2026”, which provided students and faculty with a creative platform to share articles, puzzles, poems and event highlights related to mathematics. The calendar of activities concluded with the annual departmental fest MODULUS’26 organised on March 23, 2026 which successfully combined mathematics with creativity, teamwork and fun learning experiences.

11.5.5. ELECTRONIKA: The Electronics Society

Electronika, the Electronics society of the department conducts regular Workshops, Lectures/Seminars. Interactions with industry experts and eminent scientists are conducted to nurture new ideas and technical thinking. The society organizes the departmental festival

'ELEXONIA', annual department fest. In 2026, a departmental fest showcased a range of exciting activities and games, attracting participants from all over the university. The Club for Embedded Systems and Robotics (CESAR) is run by the department which benefits students in learning as well as implementing their own innovative ideas. It hones their skills significantly in the field of Embedded Systems and Robotics. In alliance with the CESAR, students organize diverse workshops and technical events to develop new skills in young minds.

11.5.6. COSMOS: The Physics Society

Physics is the scientific and systematic study which helps us to understand the Universe and our Surroundings by exploring the nature of matter and energy, space and time. The core areas of Study within the disciplinary/ subject area of the B.Sc. (Hons.) Physics program are: Classical and Quantum Mechanics, Electricity and Magnetism, Thermal and Statistical Physics, Wave theory and Optics, Modern Physics, Digital Electronics, and specialized methods of Mathematical Physics and their applications in different branches of the subject. Along with the theoretical Coursework, students get insight and understanding through laboratory sessions (hands on) for different branches of physics. The department has state of art laboratories with well-equipped instruments and setups. To name a few the department has the latest DSO, (50 MHZ) PE hysteresis setup, Michelson Interferometer etc. Our students of VIII semester are actively involved in research and have successfully presented their research work in international conferences.

The Department of Physics has a society named COSMOS and is actively involved in organising events. The society organises annual fest "CURIOSITY" which is a celebration of Physics and is a perfect blend of Knowledge and fun. COSMOS: The Physics society organized a special talk by eminent

speaker Prof. Annapoorni Subramanian from Department of Physics and Astrophysics (University of Delhi) on "Engineering Spin Dynamics: Materials to Devices".

11.5.7. INPSYCH: The Psychology Society

InPsych, the Psychology Society of Keshav Mahavidyalaya, is dedicated to fostering psychological awareness and inculcating skills essential for future psychologists. This

year, the society organised two major events. On February 10, 2026, in collaboration with the Student Mental Health Committee and Gender Champions, they hosted a Poster Making Competition, open to students across all courses and years. Themes ranged from stress management to mental well-being. Their flagship event, PsyPhoria 2026, was held on February 23, 2026, featuring the release of the departmental magazine Psynopsis and an expert session on Psychological First Aid. The event extended to the canteen lawn with activities like Cup Stacking, a Gratitude Chart, and a Photo Booth, and concluded with a psychology quiz.

11.5.8. EVS Department Activities

The Department of Environmental Studies is committed to fostering environmental awareness and responsibility among students as well as carry out academic research and publications. The department regularly organizes seminars and workshops on key environmental days such as Earth Day, World Environment Day, International Biodiversity Day, featuring distinguished speakers from academic and policy making backgrounds. The department also promotes key policy decisions of the government by educating students in class using examples from current affairs. The department has also recently taken on three dissertation track research students who have won prizes in international conferences. A recent workshop was held in collaboration with NGO Green Eco Links to raise awareness on the dangers of E-waste on February 11, 2026 as well as an invited lecture and student interaction session with Dr. Narendra Kumar from NGO Swawlamban on transforming wealth to waste on October 8, 2025. The faculty held a lecture on Sustainable Practices in Daily Life on January 11, 2026. Under NEP we hold virtual trips to Yamuna Biodiversity Park on November 14, 2025 and March 30, 2026 where students learnt about biodiversity, its uses, and efforts taken for restoration. To raise awareness about the harmful effects of plastic waste and to promote responsible disposal and recycling practices, the department celebrates World Environment Day on June 5, 2025, during which a "Pledge Campaign on Reducing Single-Use Plastic" under the LiFE Mission (Lifestyle for Environment) is organised. The department also encourages student participation in events, workshops, and competitions organized by the Ministry of Environment, Forest and Climate Change, environmental NGOs, and research institutions. Through this holistic and integrated approach, the Department of Environmental Studies strives to nurture environmentally conscious individuals equipped to lead sustainable change in society.

11.6. Other Facilities

11.6.1. SC/ST/OBC/Minorities Scholarships

The college is registered on NSP 2.0 portal and the district portal for student scholarships. NSP 2.0 portal wing helps the students in obtaining scholarships from numerous schemes run by the Government of India, Department of Higher Education. On the e-district portal, the Government of NCT of Delhi runs three scholarships namely Post Matric Scholarship (SC)-CSSS, Post Matric scholarship (OBC)-CSSS, and Merit Scholarship for students belonging to SC/ST/OBC/Minority category students studying in professional/technical Colleges /Institutes /Universities-State scheme.

11.6.2. Digital facilities

- The college campus is well connected through wired as well as wireless networks. Students have access to the internet with 200 Mbps connectivity by WiFi/Fiber Optic/LAN cable backbone structure. The coverage of Wi-Fi is not only restricted to classrooms but also extends to all areas including laboratories, library, auditorium, amphitheatre and cafeteria. A separate Wi-Fi facility is also provided in the Girl's Hostel.
- Every student of the college is provided with an official email address created by the college on the college domain to communicate effectively with faculty members and to access study material available for their course on Keshav e-classrooms. It also enables the students to have an online identity of being a bonafide student of the college.
- Each student has also been provided with a user login account to access their attendance, internal assessment and other academic records.

11.6.3. Library Membership

Students need to furnish their fee receipt and college identity card to become a member of the library. Membership is yearly, and clearance needs to be taken at the end of every academic session. Library Reader Tickets (cards) are non-transferable.

11.6.4. Library Cards

- Students are given four Library Reader's Tickets (B. Sc. (H) Computer Science - 05) which can be used at the same time to facilitate readings. Books issued on Library Reader's Ticket No. 4 are for one day only, while books issued on all other Library Reader Tickets are for a period of fifteen days.
- For books not returned on time, an overdue charge of Rs. 5/- per day per book will be levied for the first week, Rs. 10/- per day for the second week, Rs. 25/- per day for the third week and in fourth week if the book is not returned, the library membership of the student shall invite cancellation.
- Students have to show College I-Card at the entry gate of the library and while issuing the library books. Without showing I-Card at the library counter no book will be issued.
- Students cannot carry any bags into the library.

- In case of transfer of library tickets, the ticket of the original card holder will be cancelled.
- In case of tearing of pages from any book is reported, strict disciplinary action will be taken.
- If a Reader/Member lost his/her library ticket, a duplicate library ticket will be issued to him/her in the next academic year to avoid any kind of misuse of the library tickets.
- Fine for lost Reader's Ticket will be Rs.100/- per card. Fine of Rs.50/- towards the issue of Duplicate Card will be charged.
- Duplicate cards due to repeated loss of Reader's Tickets shall be considered only after prior approval of the principal.
- Books on loan can be called at any time without assigning any reason thereof.
- The Library Membership Form is to be submitted after admission is secured.

11.6.5. College Identity Card

Every student will be issued an identity card which he/she should always carry and produce on demand. Failure to do so is liable for disciplinary action. I-card must be returned when the student leaves the college. Loss of I-card should be reported to the office immediately.

11.6.6. Fee Concession Committee

The college provides financial assistance to students hailing from economically weaker sections, either through waiving their college fees (excluding exam fees) or in the form of a books grant. The college also gives fee concessions to deserving students. All the students can apply for the same to the fee concession committee through the principal's office at the beginning of the session.

11.6.7. Mentor-Mentee Groups

The college is adopting a Mentor-Mentee practice in which students from different years are associated with faculty members. They keep connected in groups for any kind of support or guidance. Mentor-mentee meetings are held regularly and students are encouraged to share their academic or personal problems with their mentors. These interactions keep faculty in constant touch with students, iron out academic and personal issues, and stimulate overall personality development.

11.6.8. Photocopy Facility

The college has a photocopying facility at reasonable prices for students, available adjacent to the Mother Dairy booth near Gate 1.

11.6.9. ATM

An ATM machine is installed on the college campus by Canara Bank for providing easy access to banking services for the college students and staff. The college also provides the facility for digital transactions to the students.

11.6.10. Bus Pass / Railway Pass / Metro Card

DTC provides the facility of concessional bus passes for college students which are available on demand, college facilitates the students by providing arrangements for the verification of the DTC bus pass form. The facility for verification for rail concession is available to the students at the college office for visiting their parents in their hometown (to and from) during vacations only.

12. Discipline

Ragging in any form is strictly prohibited. The complaints of ragging shall be dealt under regulations 2009 notified on DU website: www.du.ac.in. In addition to the provisions of ordinance XV-C, all other measures decided upon by the Honourable Supreme Court of India, Ministry of HRD and the UGC would be binding on the University, Colleges.

Anti-Ragging and Discipline Related Guidelines

1. Students are responsible for their conduct within the college premises and are prohibited from doing anything in the College campus, which will amount to a breach of discipline or interference in the smooth functioning of the college.
2. A student shall be liable to disciplinary action for any act of indiscipline. Disciplinary action may involve warning and/or suspension from classes, from the examinations, from the college library or even from the college.
