Poster of the event

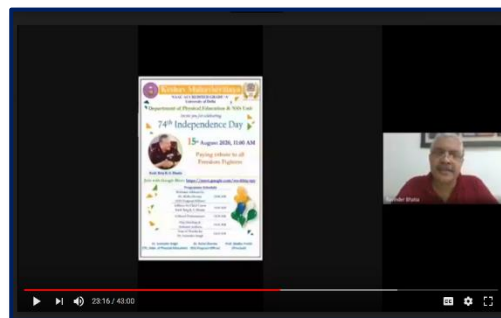

“Where the mind is without fear and the head is held high, where knowledge is free
Where the world has not been broken up into fragments, by narrow domestic walls
Where words come out from the depth of truth, where tireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit
Where the mind is led forward by thee into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake.”

~ Rabindra Nath Tagore ~

In the new academic session of 2020-2021, Keshav Mahavidyalaya, University of Delhi celebrated **74th Independence Day** on **15th August, 2020**, braving the challenges presented by prevailing Covid-19 pandemic situation.

Like past years, this year too, the **NSS Unit** in association with the **Department of Physical Education** took initiative of celebrating the spirit of liberty, equality and fraternity with fervour and gaiety. **Retd. Brigadier Dr. Ravinder Singh Bhatia** was invited as the Chief Guest for the event. The online session was conducted on Google Meet platform and was attended by 127 participants.

Retd. Brig. Ravinder Singh Bhatia, a veteran is a doctor by qualification. He attained his medical degree from University College of Medical Sciences (UCMS), Delhi and proceeded to work as a Commissioned Officer in Army Medical Corps. He was commissioned in 1984 and retired from services in 2019.

Speech by Chief Guest Retd. Brig. R. S. Bhatia

Brig. Bhatia captivated the audience by his insightful speech. He acknowledged and felt proud of the respect that army receives, from the fellow citizens of India, for its contribution towards nation building and preserving the integrity of the nation. He also shared excerpts from the iconic speech, "*Tryst with Destiny*", delivered by Pt. Jawaharlal Nehru, the first Prime Minister of independent India, to the Indian Constituent Assembly in the Parliament, on the eve of India's Independence. He opined that it was hard to win freedom for the country and is the sacred duty of all those who have inherited it to preserve it. He further added that liberty does not stoop down to people and comes to those who rise up to it. Towards the end of his speech, he reminded all

participants especially students to seek freedom in mind and to banish the darkness of ignorance with the lamp of education.

The event also witnessed the talent of young bright students who managed to put their performances together in short time with the aid of digital technology. The first performance was the soulful rendition of a patriotic song by students of Anhad, the Music Society of Keshav Mahavidyalaya. To avoid technical glitches, they recorded and compiled the song into a video and presented it during the meeting. Another student from Vagmita, the Literary Society of Keshav Mahavidyalaya, recited a poem titled '*Swatantrata ka Sangharsh*'. The poem reflected the sensitive side of today's youth who are grateful to previous generations for their sacrifices and are equally cognizant of their own responsibilities towards the nation. The poem was appreciated by all.

The Flag Hoisting Ceremony took place in college by the hands of Principal Prof. Madhu Pruthi along with Dr. Surender Singh, Teacher in-Charge, Department of Physical Education, earlier in the morning. The video clip of the same was presented in the meeting and all participants stood in their places in honour of the Tricolour and witnessed it fluttering with pride and solemnity. All participants joined in to sing the national anthem along.

Flag Hoisting Ceremony in College

The event concluded with a vote of thanks extended by Dr. Surender Singh. The Principal, Prof. Pruthi also expressed her gratitude to the esteemed guest and all bravehearts, the soldiers and the healthcare professionals, the Covid Warriors for their selfless services towards the motherland and the humanity. Dr. Richa Sharma too acknowledged the efforts of all who made the virtual event a reality.

The participants recorded their appreciation through messages on the Google Meet ChatBox. The feedback is also enclosed. The session was recorded and the recording has been made available to the guest and participants. We heartily thank our guest Retd. Brig. Ravinder Singh Bhatia, Team NSS, Department of Physical Education, colleagues from the teaching and non-teaching staff and students whose fervent participation made the event a grand success.
