I feel very good as our college is very good n well arrangement in this covid 19 situation
there are no suggestions on my end as all the facilities, information, education system provided by my college
More interaction
More effective study materials
More knowledge on Employability skills

Classes should be made more interactive

"External field trips for real life experiences", "More different ways for internal assessment" and "Finally it's stuc

1. practical subjects to be taught in college itself.2. i have observed that the way of theoritical teaching is really

Offline classes

More inclusivity in the college, better communication and a more active and effective placement cell

I have also liked online classes to some extent and on the other side bad also... Because of some glitch. Teacl
online teaching has become ineffective in terms of wanting to learn something new because of the distraction :

Some flexibility can be provided while taking internal assessment as it is difficult to cope up in online mode of e
There is a need to encourage the work done by societies and also we need to be more efficient in the approval

1.Try to reach every student and ask for their doubts2.make teaching a two way interaction

1) teachers should do more practical questions in class on important topics2) as in on-line mode there should I

You can make it offline it will help a lot

Teacher should use white board for explaining in practical subject classes. Like income tax.

I think right now in this current situation you are doing the best you can do.

1. Offline classes are far better than online classes.

Offline classes , more stress of practical use of subject matter , soft skills

I can't think of suggesting anything

No idea

1. More webinars with the industry professionals

Well, I guess in online mode teacher should record lecture and upload on certain platform suitable for the teach

A little more communication among teachers and students.

Offline is best suggestion because very well understand in offline class.

Offline classes is best suggestion.

Labs should be conducted

I guess no need of suggestions because teaching is already very good. Just if there would be offline classes th
