## Minutes of staff council meeting held on 12.08.2010

An emergent meeting of the staff council was held on 12<sup>th</sup> August 2010 at 11.00 a.m. in the staff room to discuss the letter received from the registrar dated 12.08.2010 regarding the implementation of semester system in 13 science courses from the academic session 2010-2011.

In the meeting one of the members demanded a copy of the ordinance approving the semester system. Another member said he will teach according to the time table provided to him. After a long discussion, the house requested the Principal for more clarity about the semester system from other colleges and hence the meeting may be adjourned and again continued on 18<sup>th</sup> August 2010. But it could not be held on 18<sup>th</sup> August 2010 for various reasons.

Meanwhile all DUTA members had resolved to teach only in annual mode. However after the High Court verdict on 15.11.2010, all the teachers agreed to abide by the verdict and resumed teaching in semester mode for all the 13 science courses under semester system in our college.

The same adjourned meeting was then scheduled on 26<sup>th</sup> November 2010 at 12.00 noon in the staff room. The meeting started by welcoming all the new teaching members who have joined Keshav Fraternity. The Principal welcomed the staff association resolution to teach in semester system. She also applauded the efforts of the adhoc teachers for their support by teaching in the semester system from the beginning of the session.

The meeting ended with a vote of thanks to the chair.

  
Principal

  
Jagneet Kaur Anand  
Secretary  
Staff Council
